If the answer to any of the items in Section 5 is yes, explain (attach additional sheets if necessary):

| an ann an 1997. Tha an  |  |
|---|--|
|   |  |
| A STREET, STREE |  |
|   |  |

Section 6. Seller Was what not attached a survey of the Property.

Section 7. Within the last 4 years, have you (Selier) received any written inspection reports from persons who regularly provide inspections and who are either licensed as inspectors or otherwise permitted by law to perform inspections? yes Ino If yes, attach copies and complete the following:

| Inspection Date   | Type | Name of Inspector     |   |
|---|------|-----------------------|---|
|   | 1    | riverine of hispestol | No. of Pages  |
|   |      |                       |   |
|   |      |                       |   |
| n normalis and the factor of the second s |      |                       | man analysis because of the second |
|   |      |                       |   |
|   |      |                       |   |
|   | L    |                       |   |

Note: A buyer should not rely on the above-cited reports as a reflection of the current condition of the Property. A buyer should obtain inspections from inspectors chosen by the buyer.

Section 8. Check any tax exemption(s) which you (Seller) currently claim for the Property:

| Homestead           | Senior Citizen   | Disabled                  |
|---------------------|--|---------------------------|
| Wildlife Management | <b>B</b> Agricultural  | Disabled Veteran          |
| Other:              |  |                           |
|                     | Contraction of the Contraction o | lensed or this over the p |

Section 9. Have you (Seller) ever filed a claim for damage to the Property with any insurance provider? yes Ono

Section 10. Have you (Seiler) ever received proceeds for a claim for damage to the Property (for example, an insurance claim or a settlement or award in a legal proceeding) and not used the proceeds to make the repairs for which the claim was made? yes Into if yes, explain:

Section 11. Does the property have working smoke detectors installed in accordance with the smoke detector requirements of Chapter 766 of the Health and Safety Code?\* Dunknown I no yes. If no or unknown, explain. (Attach additional sheets if necessary): Nor June of Core Regulational sheets if necessary):

\*Chapter 766 of the Health and Safety Code requires one-family or two-family dwellings to have working smoke detectors installed in accordance with the requirements of the building code in effect in the area in which the dwelling is located, including performance, location, and power source requirements. If you do not know the building code requirements in effect in your area, you may check unknown above or contact your local building official for more information.

A buyer may require a seller to install smoke detectors for the hearing impaired if: (1) the buyer or a member of the buyer's family who will reside in the dwelling is hearing-impaired; (2) the buyer gives the seller written evidence of the hearing impairment from a licensed physician; and (3) within 10 days after the effective date, the buyer makes a written request for the seller to install smoke detectors for the hearing-impaired and specifies the locations for installation. The parties may agree who will bear the cost of installing the smoke detectors and which brand of smoke detectors to install.

## ADDITIONAL NOTICES TO BUYER:

- (1) The Texas Department of Public Salety maintains a database that the public may search, at no cost, to determine if registered sex offenders are located in certain zip code areas. To search the database, visit <u>www.txdps.state.tx.us</u>. For information concerning past criminal activity in certain areas or neighborhoods, contact the local police department.
- (2) If the property is located in a coastal area that is seaward of the Gulf Intracoastal Waterway or within 1,000 feet of the mean high tide bordering the Gulf of Mexico, the property may be subject to the Open Beaches Act or the Dune Protection Act (Chapter 61 or 63, Natural Resources Code, respectively) and a beachfront construction certificate or dune protection permit may be required for repairs or improvements. Contact the local government with ordinance authority over construction adjacent to public beaches for more information.
- (3) If you are basing your offers on square foolage, measurements, or boundaries, you should have those items independently measured to verify any reported information.
- (4) The following providers currently provide service to the property:

| Electric: JAN BERNARD ELECTRI | c CooP phone #: |
|-------------------------------|-----------------|
| Sewer:                        | phone #:        |
