D. INFORMATION FROM GOVERNMENTAL AGENCIES: Pamphlets describing on-site sewer facilities are available from the Texas Agricultural Extension Service. Information in the following table was obtained from Texas Commission on Environmental Quality (TCEQ) on 10/24/2002. The table estimates daily wastewater usage rates. Actual water usage data or other methods for calculating may be used if accurate and acceptable to TCEQ.

<u>Facility</u>	Usage (gal/day) without water- saving devices	Usage (gal/day) with water- saving devices
Single family dwelling (1-2 bedrooms; less than 1,500 sf)	225	180
Single family dwelling (3 bedrooms; less than 2,500 sf)	300	240
Single family dwelling (4 bedrooms; less than 3,500 sf)	375	300
Single family dwelling (5 bedrooms; less than 4,500 sf)	450	360
Single family dwelling (6 bedrooms; less than 5,500 sf)	525	420
Mobile home, condo, or townhouse (1-2 bedroom)	225	180
Mobile home, condo, or townhouse (each add'l bedroom)	75	60

This document is not a substitute for any inspections or warranties. This document was completed to the best of Seller's knowledge and belief on the date signed. Seller and real estate agents are not experts about on-site sewer facilities. Buyer is encouraged to have the on-site sewer facility inspected by an inspector of Buyer's choice.

ADDENDUM FOR RESERVATION OF OIL, GAS, AND OTHER MINERALS

ADDENDUM TO CONTRACT CONCERNING THE PROPERTY AT

4400 FM 332 Brenham, TX 77833 (Street Address and City) NOTICE: For use ONLY if Seller reserves all or a portion of the Mineral Estate. A. "Mineral Estate" means all oil, gas, and other minerals in and under and that may be produced from the Property, any royalty under any existing or future mineral lease covering any part of the Property, executive rights (including the right to sign a mineral lease covering any part of the Property), implied rights of ingress and egress, exploration and development rights, production and drilling rights, mineral lease payments, and all related rights and benefits. The Mineral Estate does NOT include water, sand, gravel, limestone, building stone, caliche, surface shale, near-surface lignite, and iron, but DOES include the reasonable use of these surface materials for mining, drilling, exploring, operating, developing, or removing the oil, gas, and other minerals from the Property. B. Subject to Section C below, the Mineral Estate owned by Seller, if any, will be conveyed unless reserved as follows (check one box only): (1) Seller reserves all of the Mineral Estate owned by Seller. (2) Seller reserves an undivided interest in the Mineral Estate owned by Seller. NOTE: If Seller does not own all of the Mineral Estate, Seller reserves only this percentage or fraction of Seller's interest. C. Seller does does not reserve and retain implied rights of ingress and egress and of reasonable use of the Property (including surface materials) for mining, drilling, exploring, operating, developing, or removing the oil, gas, and other minerals. NOTE: Surface rights that may be held by other owners of the Mineral Estate who are not parties to this transaction (including existing mineral lessees) will NOT be affected by Seller's election. Seller's failure to complete Section C will be deemed an election to convey all surface rights described herein. D. If Seller does not reserve all of Seller's interest in the Mineral Estate, Seller shall, within 7 days after the Effective Date, provide Buyer with the contact information of any existing mineral lessee known to Seller. IMPORTANT NOTICE: The Mineral Estate affects important rights, the full extent of which may be unknown to Seller. A full examination of the title to the Property completed by an attorney with expertise in this area is the only proper means for determining title to the Mineral Estate with certainty. In addition, attempts to convey or reserve certain interest out of the Mineral Estate separately from other rights and benefits owned by Seller may have unintended consequences. Precise contract language is essential to preventing disagreements between present and future owners of the Mineral Estate. If Seller or Buyer has any questions about their respective rights and interests in the Mineral Estate and how such rights and interests may be affected by this contract, they are strongly encouraged to consult an attorney with expertise in this area. CONSULT AN ATTORNEY BEFORE SIGNING: TREC rules prohibit real estate licensees from giving legal advice, READ THIS FORM CAREFULLY. Buyer Seller Clamens Tiemann, Jr.

The form of this addendum has been approved by the Texas Real Estate Commission for use only with similarly approved or promulgated forms of contracts. Such approval relates to this contract form only. TREC forms are intended for use only by trained real estate licensees. No representation is made as to the legal validity or adequacy of any provision in any specific transactions. It is not intended for complex transactions. Texas Real Estate Commission, P.O. Box 12188, Austin, TX 78711-2188, 512-936-3000 (http://www.trec.texas.gov) TREC No. 44-2. This form replaces TREC No. 44-1.

Seller Jimmy Tiemann,

DISCLOSURE OF RELATIONSHIP WITH RESIDENTIAL SERVICE COMPANY

RESIDENTIAL SERVICE CONTRACTS. A residential service contract is a product under which a residential service company, for a fee, agrees to repair or replace certain equipment or items in a property. Co-payments typically apply to most service calls. Residential service companies are licensed and regulated by the Texas Real Estate Commission. The extent of coverage and the cost of coverage will vary, Before buying a residential service contract, the buyer should read the contract and consider comparing it with the extent of coverage and costs from several other residential service companies. You may obtain a list of the residential service companies licensed in Texas at http://www.trec.texas.gov. YOU MAY CHOOSE ANY COMPANY.

THE PURCHASE OF A RESIDENTIAL SERVICE CONTRACT IS OPTIONAL. The TREC promulgated residential

contract forms contain a paragraph in which the parties may negotiate whether the seller will reimburse the buyer the cost of a residential service contract. The choice of the residential service company and extent of coverage lies with the buyer. NEITHER A BROKER/SALES AGENT NOR A SELLER MAY CONDITION THE SALE OF A PROPERTY ON THE BUYER'S PURCHASE OF A RESIDENTIAL SERVICE CONTRACT. X Listing Other Broker/Sale Agent will receive no Broker/Sales Agent will receive compensation from a residential service company. compensation from a residential service company. Other Broker/Sales Agent receives compensation Listing Broker/Sales Agent receives compensation from the following residential service company from the following residential service company: for providing the following services: for providing the following services: The compensation is not contingent upon a party to the real estate transaction purchasing a contract or services from the residential service company. The compensation is the fee for the services that Listing Broker or Other Broker, either directly or through an agent, provides to the company. As required by the Real Estate Settlement Procedures Act and HUD Regulation X, any fees paid to a settlement services provider are limited to the reasonable value of services actually rendered. Town &∕€ountry Realty & Mortgage Other Broker's Name License No. Listing/Broker's Name 0457079 License No. By: Debbie Bender The undersigned acknowledges receipt of this notice: Buyer
