

## Commercial Adjoining Lots for Sale

2155 Stillhouse Road, Paris, Texas 75460

Great location for medical office as just south of hospital block or so. Appears to join Texas Oncology of Paris facility on the south. Just about any kind of business that 2 acres provides enough room could possibly be here! There is concrete slab on North side of the building, could park several cars there. Beautiful trees, small storage and fenced back side! So many possibilities about this lot.
