PROPERTY ADDRESS:

00 Metcalf Road
Iuka, IL 62849

PRICE: \$140,000

ACRES: 40

COUNTY: Marion

PROPERTY DESCRIPTION:

People ask me all the time for property south of Iuka; well here it is! This 40 +/- acres for sale in Marion County Illinois is located right in the middle of a lot of big timber and agricultural land. Its one big funnel! The property is really secluded located on an unmaintained County Rd. The seller spend \$1,000's of dollars fixing it up with a new culvert. If you're looking to build a nice private house, there is a great spot for a home or cabin in the NW corner of the property and a spot you could possibly build a 3 acre lake. A nice creek is located in the center of the property that the deer travel along to get back and forth from neighboring timber.

With a little work, this 40 +/- acres has great potential. One recommendation would be to clear a couple spots on some of the ridges and plant food plots for different wind directions.

PROPERTY HIGHLIGHTS:

- Secluded location
- Nice creek
- Possible 3 acre lake site
- Possible home/cabin building spot
- Full of deer sign
