The Cardiff Ranch consist of 168.592 gently rolling acres covered with Coastal Bermuda grasses and enhanced by numerous stands of scattered oak trees. The ranch is located approximately one hour west of Houston on the outskirts of the idyllic community of New Ulm.

From the electronic gated entrance on Bostik Road one will travel on Cardiff Lane, an asphalt road, to the main ranch complex near the center of the ranch. The Main Ranch Home, of brick construction consists of approximately 4,133 sq. ft. of living area with 4 bedrooms and 4 ½ baths. The home features a formal living and dining room with a double faced fireplace in between. The family room and spacious island kitchen combine to create an open concept feel. The Master Suite features vaulted ceiling, master bath with Jacuzzi tub and separate glass block walk-in shower as well as generous walk in closets. An adjoining study is found to be very enjoyable and can function as a home office. Additionally, there are three guest bedrooms each with separate baths.

A generous covered patio extends the entire back length of the home and is accessible from the master suite as well as the family room. From the patio area one finds a nice pool house with kitchen, full bath and sitting area overlooking a swimming pool, Koi pond and covered pavilion. Whether entertaining friends or clients or simply enjoying family, the patio and pool area seems to always be the favorite late evening spot to gather. To everyone's enjoyment, as the sun is setting in the west wildlife begins to casually feed within view of all who have nestled into their favorite patio/poolside recliner.

The land is cross fenced and has slightly less than one mile of pipe fencing along Bostik Road. There are four ponds in various pastures. Other improvements include a 5 bay metallic shop/equipment barn with roll-up doors and one bath on a concrete slab, a tin barn with hayloft, equipment storage, cattle pens and 2 water wells round out the improvements.

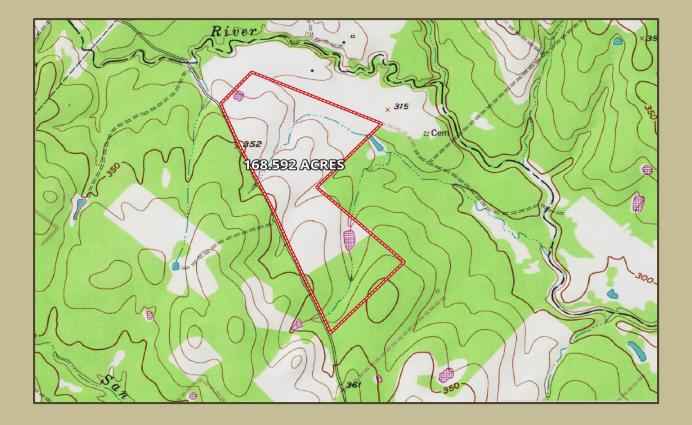

The Cardiff Ranch has a lot to offer!!

## Information About Brokerage Services

Texas law requires all real estate license holders to give the following information about brokerage services to prospective buyers, tenants, sellers and landlords.

#### TYPES OF REAL ESTATE LICENSE HOLDERS:

- . A BROKER is responsible for all brokerage activities, including acts performed by sales agents sponsored by the broker.
- A SALES AGENT must be sponsored by a broker and works with clients on behalf of the broker.

### A BROKER'S MINIMUM DUTIES REQUIRED BY LAW (A client is the person or party that the broker represents):

- . Put the interests of the client above all others, including the broker's own interests;
- Inform the client of any material information about the property or transaction received by the broker;
- Answer the client's questions and present any offer to or counter-offer from the client; and
- . Treat all parties to a real estate transaction honestly and fairly.

#### A LICENSE HOLDER CAN REPRESENT A PARTY IN A REAL ESTATE TRANSACTION:

AS AGENT FOR OWNER (SELLER/LANDLORD): The broker becomes the property owner's agent through an agreement with the owner, usually in a written listing to sell or property management agreement. An owner's agent must perform the broker's minimum duties above and must inform the owner of any material information about the property or transaction known by the agent, including information disclosed to the agent or subagent by the buyer or buyer's agent.

AS AGENT FOR BUYER/TENANT: The broker becomes the buyer/tenant's agent by agreeing to represent the buyer, usually through a written representation agreement. A buyer's agent must perform the broker's minimum duties above and must inform the buyer of any material information about the property or transaction known by the agent, including information disclosed to the agent by the seller or seller's agent.

AS AGENT FOR BOTH - INTERMEDIARY: To act as an intermediary between the parties the broker must first obtain the written agreement of *each party* to the transaction. The written agreement must state who will pay the broker and, in conspicuous bold or underlined print, set forth the broker's obligations as an intermediary. A broker who acts as an intermediary:

- Must treat all parties to the transaction impartially and fairly;
- May, with the parties' written consent, appoint a different license holder associated with the broker to each party (owner and buyer) to communicate with, provide opinions and advice to, and carry out the instructions of each party to the transaction.
  - Must not, unless specifically authorized in writing to do so by the party, disclose:
  - that the owner will accept a price less than the written asking price;
  - that the buyer/tenant will pay a price greater than the price submitted in a written offer; and
  - any confidential information or any other information that a party specifically instructs the broker in writing not to disclose, unless required to do so by law.

AS SUBAGENT: A license holder acts as a subagent when aiding a buyer in a transaction without an agreement to represent the buyer. A subagent can assist the buyer but does not represent the buyer and must place the interests of the owner first.

#### TO AVOID DISPUTES, ALL AGREEMENTS BETWEEN YOU AND A BROKER SHOULD BE IN WRITING AND CLEARLY ESTABLISH:

- The broker's duties and responsibilities to you, and your obligations under the representation agreement.
- Who will pay the broker for services provided to you, when payment will be made and how the payment will be calculated.

LICENSE HOLDER CONTACT INFORMATION: This notice is being provided for information purposes. It does not create an obligation for you to use the broker's services. Please acknowledge receipt of this notice below and retain a copy for your records.
