## Opportunity to live and work in the heart of the Canyon

**Find an impeccably maintained home (or business) in downtown Wolf Creek, near Craig.** The home has so much to offer. Currently utilized as a comfortable single family home. With two separate entrances & separate living spaces, it could easily be restored back to a duplex or a tourist home with two separate units to rent nightly, so good income potential. With such key exposure, it would be an ideal business location or even live in one side & operate your business on the other side?! The possibilities are endless & so rare-to-find in this desirable tourist community in MT. Must see in person to appreciate.
