LEAD-BASED PAINT DISCLOSURE

PURPOSE OF THIS STATEMENT: The information provided in this statement is required to be provided by all sellers of residential housing built before 1978. This statement is required by the Residential Lead-Based Hazard Reduction Act of 1992 (42 U.S.C. 4852d). 12175 Oelke Maybee **RE:** THE PROPERTY KNOWN AS (Street) THE RESIDENCE AT THIS ADDRESS WAS CONSTRUCTED AFTER JANUARY 1, 1978: (Seller must check one.) XYes ☐ No □ Unknown If Yes is checked, omit the rest of this Disclosure and sign below, otherwise, complete the following portion. **LEAD WARNING STATEMENT** Every Purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems and impaired memory. Lead poisoning also poses particular risk to pregnant women. The Seller of any interest in residential real property is required to provide the Purchaser with any information on lead-based paint hazards from risk assessments or inspections in the Seller's possession and notify the Purchaser of any known lead-based hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase. **SELLER'S DISCLOSURE** Presence of lead-based paint and/or lead-based paint hazards.
