### Brokers Comments

The C Milliron Ranch is located three miles northeast of Bridgeport in Morrill County, Nebraska.

This productive combination farm and ranch consists of 1,040 deeded acres with 176 acres of water rights. There are 85 acres under a six tower Valley pivot along the county road (CR 103). The remaining irrigated acreage

is comprised of three small flood irrigated fields. The irrigation water is provided by the Northport Irrigation District and has a large canal running through the property from north to south. The pasture is well watered via three windmills and fences are in good condition. Improvements on the ranch consist of an older ranch house, a small cabin, a shop and a loafing shed. The ranch is set in the foot hills of the North Platte River valley and it enjoys good mule deer hunting.
