Prime 400 ft Missouri River frontage on a rare, oversized 5.49 acre lot

Cozy, 1b/1b log cabin boasting charm and style. Enjoy as a single family residence with easy commute to Great Falls and Helena. Sellers have offered it as a nightly rental, so you have the advantage of staying in it when you want it AND making income from it, when you are not there! Win-win! This is such a handsome home with generous chinking and old-world-look logs. Metal roof, beautiful old fir doors and trim, antique lighting. Don't be fooled, the home was built in about 1999, so you have modern systems and construction, but the great feel of old! There is county approval for four bedroom home.
