The Association shall be governed by the majority of the lot owners. A Board of Directors of three (3) to five (5) members shall be elected by the lot owners.

The initial Directors of the Association consisting of one to five members shall be appointed by the Declarant or their assigns and thereafter the Board of Directors shall be elected by the lot owners. The meeting shall be held in Hampshire County, West Virginia, at a suitable place to be designated by the initial Board of Directors. At said meeting the said owners shall, by majority vote, form the said Association's legal entity as they deem advisable and shall elect a Board of Directors and or officers of said Association.

ARTICLE III
COVENANT FOR MAINTENANCE ASSESSMENT

1. The Declarant shall assess initially, for each Lot, ONE HUNDRED DOLLARS (\$100.00) per year for the use, upkeep and maintenance of the rights-of-ways within Deer Ridge Estates subdivision; and the access right of way to the Common Area located on the South Branch of the Potomac River subject to any increase as provided hereinafter.

2. Any assessment made pursuant to this paragraph, including a late fee of Five Dollars (\$5.00), interest at the rate of ten percent (10%) per annum from the date of delinquency, and reasonable attorney's fees incurred in the collection thereof, shall constitute a lien on this property until paid. The lien is expressly inferior and subordinate to any mortgage liens presently or hereafter encumbering the property affected by these protective covenants. This assessment may not be increased by more than a percentage increase greater than the Cost of Living Index (Urban) as published by the Department of Interior, Bureau of Standards. The owner of each lot, by acceptance of a deed thereto, automatically becomes a member of the Property Owners Association and is deemed to covenant and agree to pay One Hundred Dollars (\$100.00) per lot per year, beginning January 1, 1988, and to pay annually thereafter to the Property Owners Association, to be created as herein set forth, an amount determined by the positive vote of owners of at least two-thirds (2/3) of the lots in said subdivision as necessary for the purpose of maintaining and improving rights-of-ways, roadways shown on the subdivision plat, the common area and the right-of-way from said subdivision to and from the common area. Beginning the winter of each year hereafter said Association shall notify each lot owner in writing, as to the amount of the lot assessment which shall be due and payable by the lot owner to the Deer Ridge Estate Lot Owners Association. In the event of a resale or transfer of one or more parcels in said subdivision, this obligation shall run with the land and become the obligation of the new owner(s) even though it may have been assessed to a prior owner. In the event of a transfer by judicial sale or sale

under Deed of Trust, any past due and unpaid road maintenance fees shall be paid by the party forcing the sale of the lot, or be paid by the new purchaser. This section does not apply to Declarant should they reacquire title through judicial sale, deed of trust sale, or by voluntary sale from Owner. See Paragraph no. 4 below.

3. If the owner of any Lot is in default in the payment of any assessments, including interest and costs of collection, in addition to any other means of collection, the Property Owners Association may bring an action at law against the owner personally obligated to pay same and may also sell the lot involved at a public auction after advertisement once a week for two (2) successive weeks, in a newspaper having general circulation in Hampshire County, and after thirty (30) days written notice mailed to the last known address of said owner. Cost of sale, including reasonable and necessary attorney fees, advertising costs, auctioneering fees, recording fees, and other necessarily incurred costs shall be paid from the proceeds of sale before the payment of amount involved. Or, if the owner chooses to pay the assessments before sale of the property, the costs incurred to date of owner's payment of the assessment shall be collected from the owner as a condition precedent to cancellation of the sale.

4. In exchange for Declarants' agreement to install and maintain said roadways and rights-of-way until September 1, 1987, the Declarant shall be forever exempt from the payment of said annual assessments and maintenance fees and assessment fees as to all presently owned by or later reacquired by the Declarant. In the event the Declarant should reacquire real estate through purchase at a foreclosure sale or through settlement of Owner's default in any contract, note or deed of trust that Owner should be obliged to pay the Declarant, Declarant shall not be required to pay any past due Assessments that the previous Owner may have owed the Association, nor shall Declarant be required in the future to contribute to the maintenance of the roadways.

5. 1 If any one owner owns two or more adjoining lots, only one assessment shall be payable so long as two or more adjoining lots are so owned, and only one house is built by said owner of said lots. If any of said lots is hereafter sold or conveyed or improved by an additional dwelling, it shall be subject to separate assessment of \$100.00. Nothing herein shall be deemed to alter the "one vote per one lot owned" rule which is established in Article II, paragraph 2 above.

ARTICLE IV USE RESTRICTIONS

1. No signs or advertising of any nature shall be erected or maintained on any lot, except for sale or rental signs not to exceed six (6) square feet in area, except for directional and informational signs of Declarant.

2. No further subdivision is allowed of any lot.

3. No owner of any lot shall interfere with the natural drainage of surface water from such lot to the detriment of any other lot. Consequently, in the construction of a driveway into any lot, a twelve (12) inch diameter culvert, or larger if necessary, shall be used in constructing the driveway in order to alleviate blockage of natural drainage. No parking is permitted

542

upon any subdivision roads within the subdivision at any time and as part of the development of any lot, the Owner shall provide adequate off-road parking for owner and his guest(s).

4. Due to the unsightliness of junk vehicles on lots, no motor vehicle which does not have current license plates or an inspection sticker not more than six (6) months out of date shall be permitted on any lot. House trailers may not be placed on any lot within the subdivision, except that double wide mobile homes and modular homes are allowed within the subdivision. Temporary camping trailers may be placed on any lot.

5. No building of a temporary nature shall be erected or placed on any lot except those customarily erected in connection with building operations and in such cases, for a period not to exceed eight (8) months, provided however nothing shall be construed to prevent the owner from erecting tents on the lot and to camp overnight in said tents for a period of up to fifteen days.

6. Not more than one single family residence shall be erected on a lot. Residences shall contain a minimum of 480 feet, and seasonal cabins shall contain a minimum of 320 square feet of living area, excluding basement, garage, porch, carport, deck, and overhanging eaves. Seasonal cabins shall be placed 100 feet or more from the centerline of any roadway unless otherwise approved by Declarant or their assigns. All exterior construction must be completed and closed in within eight (8) months of the commencement of construction.

7. Each lot shall be used for residential/recreational purposes only, and any garage or outbuilding must conform generally in appearance and material with any dwelling on said lot.

Notwithstanding the prior paragraph, the following uses are permitted, subject to applicable state and local laws:

(a) Home occupations conducted by occupant.

(c) Not more than one (1) head of livestock per acre shall be permitted per lot, unless otherwise approved by the Board of Directors of the Property Owners Association.

8. The Owner shall maintain, repair and restore, as necessary, the exterior of any building or other improvements erected on any lot owned by him. Owners likewise agree to repair and restore promptly to its prior condition any part of a subdivision road damaged by equipment of Owner or his contractor enroute to or from Owner's lot. All lots improved or unimproved, must be maintained by the lot owner in a neat and orderly condition at all times. No garbage, trash or inoperative vehicle or other debris shall be permitted to accumulate or remain on any lot.

9. No building shall be erected closer than forty-five (45)

543

feet from the property line which adjoins the subdivision road, nor closer than twenty (20) feet to the side or rear property lines, with the exception that where two or more tracts are used together for the construction of one dwelling, then said twenty (20) foot setback shall apply only to the outside lines. However, where two or more lots are used together for construction of a dwellinghouse and where the twenty (20) foot setback rule is thus waived, the two or more lots which comprise the homestead shall thereafter be sold and conveyed as one unit, and may not be sold separately, but voting and membership rights shall not be affected.

10. All sanitation facilities constructed on any lot shall conform with the regulations of the West Virginia County Health Department.

11. No lot shall be used or maintained as a dumping ground for rubbish. Trash, garbage, or other waste must be kept in sanitary containers. All trash, garbage, fuel storage tanks, garden equipment, supplies and stored raw materials must be kept from view of the public. In the event any lot owner shall fail to discharge his aforesaid responsibilities in a manner satisfactory to the Board of Directors of the Property Owners Association, upon two-thirds (2/3) vote of the Board of Directors, and after fifteen (15) days notice to the owners of the Property, the Property Owners Association shall have the right, through its agents and employees, to enter upon said lot and perform necessary maintenance repairs (including mowing and removal of grass over 24" high in the form of hay), and restoration, or to remove any offending material or object. Such action shall not be deemed a trespass, and the cost of same when performed by the Association shall be added to and become a part of the assessment to which such lot is subject.

12. The Declarant reserves unto themselves or their assigns, easements for the installation, erection, maintenance, operation and replacement of telephone and electric light poles, conduits and related equipment, and/or sewer, gas, telephone, cable t. v., electric and water lines on, over and under a strip of land ten (10) feet wide along all property lines not serving as the centerline for rights-of-ways, and fifteen (15) feet along all the rights-of-ways, in addition to easements reserved by any other instrument duly recorded. Nothing herein shall be construed as creating any duty on Declarant to install or maintain any utility services however, as it is contemplated that actual installation will be made at the expense of the utility and/or the owners.

12.1 After two thirds of the lots in the Deer Ridge Estates subdivision shall have been sold to Owners, the Declarant agrees to convey title to the common area easement located on the South Branch of the Potomac River unto the Property Owners Association. The access road to and from the River shall be thirty in width; shall be maintained solely by the "Association" (unless Homer Feller, et als, or their assigns should choose to subdivide their real estate and increase the use of same in which case their lotowners shall contribute to the maintenance of the access road to the South branch of the Potomac River); may be gated at the option of the Association, and shall be used in common with Homer Feller, et als, their heirs and assigns.

13. Each lot owner shall have an unobstructed and the nonexclusive fifty foot right of ingress and egress to and from

The Lot Owners Association shall be solely responsible for maintenance of the subdivision roads, and the access road across adjoining tracts, provided however, Homer Feller et als their heirs and assigns shall have the right to obtain access to and from their adjoining real estate over the existing road located near the boundary line between lots nos. 49 and 50.

14. Reasonable cutting of wood or timber for personal use or for land clearing is permitted. However, no cutting of wood for commercial purposes is allowed.

15. The use of any motorcycle, dirt bike, all terrains vehicles, or other similar motorized conveyance within the subdivision is prohibited unless it is equipped with proper noise abatement equipment.

15.1 Lotowners, their guests and invitees, and heirs and assigns shall have the right to use the two common areas which are designated on the Plat of the subdivision.

16. Firearms shall not be discharged within five hundred (500) feet of any dwelling house. Nor shall they be discharged in such a manner that the trajectory of the projectile shall cross any of the subdivision roadways.

17. If any lot owner shall violate any of the covenants herein, it shall be lawful for any other person or persons owning any real estate situated in said subdivision to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such covenant, either to prevent him or them from so doing or to recover damages or other dues for such violation. Failure to enforce any provision herein contained shall in no way be deemed a waiver of the right to do so hereafter.

18. The Association, by vote of two-thirds (2/3) of its members, may make additional rules, covenants, and restrictions for the use of the Property, which together with the above, may be enforced by fines or other penalties.

ARTICLE V GENERAL PROVISIONS

1. Declarant reserves the right to replat, resubdivide and renumber any unsold lot or lots, and to add additional adjoining real estate to said subdivision. Nothing herein shall be construed to prevent Declarant from imposing additional covenants or restrictions on any unsold lot(s) or other real estate later added to and becoming a part of said subdivision.

2. In the event state, local government, and utility, cooperative, Declarant, or municipality requires the installation of a public utility system within the area of which this is a part, the grantee or grantees, by the acceptance of a deed, do hereby agree to pay their proportionate share for the cost and expense of the erection, maintenance and operation thereof as the same cost is to be determined by the appropriate authority.

545

3. All sewage disposal systems constructed on said lots shall conform to the regulations of the appropriate West Virginia Department of Health. Free standing toilets are also subject to the aforementioned requirements and shall not be constructed unless specific authority is first obtained from the Health Department, and then they may not be placed in open areas.

Any soil percolation test obtained by Owner shall be at his own expense.

5. The Association, or any Owner, shall have the right to enforce by any proceedings, at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Declarant or Association or by any Owner to enforce any provisions herein contained shall in no event be deemed a waiver of the right to do so thereafter.

6. The covenants, restrictions and other provisions of this Declaration shall run with and bind the land for a term of twenty (20) years from the date this Declaration is recorded, after which they shall be automatically extended for successive periods of ten (10) years. This Declaration may be amended during the first twenty (20) year period by an instrument signed by not less than ninety (90%) of the lot owners, and thereafter by an instrument signed by not less than seventy-five (75%) of the lot owners.

7. Invalidation of any of the covenants, restrictions or other provisions of this Declaration by judgment or Court Order shall in no wise affect any other provisions, which shall remain in full force and effect.
