Country living at its' best!

Large, very well-maintained home on almost 57 acres, just minutes to Choteau. Home has an appealing open floor plan with soaring ceilings, a handsome brick fireplace, kitchen with newer flooring, two bedrooms, offering generously-sized closets, two bathrooms and laundry on the main level. The bright basement has three more bedrooms (non-egress) with another bathroom, a family room area, storage and a wood stove. The yard boasts mature landscaping with big trees and a lawn kept green with a sprinkler system. Garage is two car attached and heated. No covenants, so bring your chickens and horses. Choteau is a charming, small town in an area offering abundant hunting and fishing nearby.
