Offered for \$475,000

3421 Deer Hollow Run SW | Rockdale County, GA | 30094

- Luxury Home!
- Beautiful Property!
- Great Location !!!

Enjoy the pool, hot tub, waterfall features and the back yard. From your trek deck you can see how expansive and flat the backyard is - even room for a garden. The interior of the home is almost 7,000 sq. ft with vast room sizes and living spaces for family and friends. Follow the driveway down to the culdesac - the perfect place for kids to ride their bikes. The garage with it's epoxy floor has room for 2 cars plus storage space for bikes etc. and has an exterior door so you do not have to open the garage door each time you want to go outside. And if this garage does not have enough room for you, you can store items in the workshop with role up door down stairs.
