This is residential property that backs up to commercial property and it may have commercial possibilities. It can also be purchased as rental property as there are two dwellings on the lot and room to build more. This has been rental property for many years. This house does need a lot of remodeling work on the inside. There is also a nice garage apartment on the lot, that is occupied. There is a one-car garage below it and it also has a laundry and storage space. Just over one half acre and it backs up to a commercial property, on South Jackson, that is for sale.

Directions: From the intersection of South Jackson (U.S. 69 S.) and Kelly, east on Kelly for 200', to property on the right.
