Section 2. Election of Officers of the Board. The Secretary shall keep a true and complete record of the preceding, including all votes and resolutions presented at these meetings, in a book to be kept for that purpose. The Secretary shall be custodian of the records and of the seal, if any, of the Association, and shall affix the same, if the Association so has a seal, to documents, the execution of which is duly authorized. The Secretary shall give or cause to be given all notices required by law, the Declaration, the Restrictive Covenants or these Bylaws. The Secretary shall also perform such other duties as may be prescribed by the Board of Directors or the President. With the Treasurer, the Secretary shall sign, make and endorse in the name of the Association all checks, drafts, warrants, and orders for the payment of money and shall pay out and dispose of same and receipt therefore, under the direction of the President or the Board of Directors.

ARTICLE EIGHT

Liability and Indemnification of Officers and Directors

Section 1. Indemnification.

1.1 Definitions. For purposes of this Section 1:

(a) References to the "Association" shall include any domestic or foreign predecessor entity of the Association in a merger, consolidation or other transaction in which the liabilities of the predecessor are transferred to the Association by operation of law and in any other transaction in which the Association assumes the liabilities of the predecessor but does not specifically exclude liabilities that are the subject matter of this Section.

(b) "Indemnitee" means (a) any present or former Director, advisory director, or officer of the Association, (b) any person who, while serving in any of the capacities referred to in clause (a) hereof served at the Association's request as a director, officer, partner, venturer, proprietor, trustee, employee, agent or similar functionary of another foreign or domestic corporation, partnership, joint venture, trust, employee benefit plan or other enterprise, and (c) any person nominated or designated by (or pursuant to authority granted by) the Board of Directors or any committee thereof to serve in any of the capacities referred to in clauses (a) or (b) hereof.

(c) "Official Capacity" means (a) when used with respect to a Director, the office of Director of the Association, and (b) when used with respect to a person other than a Director, the elective or appointive office of the Association held by such person or the employment or agency relationship undertaken by such person at the request of or on behalf of the Association, but in each case does not include service for any other foreign or domestic corporation or any partnership, joint venture, sole proprietorship, trust, employee benefit plan or any other enterprise.

(d) "Proceeding" means any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative, arbitratative or investigative, any appeal in such an action, suit or proceeding, and any inquiry or investigation that could lead to such an action, suit or proceeding.

1.2 Indemnification. The Association shall indemnify an Indemnitee who was, is, or is threatened to be named defendant, respondent or witness in a Proceeding by reason, in whole or in part, of such person serving or having served or having been nominated or designated to serve, in any of the capacities referred to in Subparagraph 1.1 (b) above, against any judgments, penalties, (including excise and similar taxes), fines, settlements, and reasonable expenses actually incurred by the person in connection with the Proceeding if it is determined, in the manner described in Paragraph 1.3 below, that the person (1) conducted himself or herself in good faith, (2) reasonably believed, in

the case of conduct in his or her Official Capacity, that his or her conduct was in the Association's best interests, and in all other cases, that his or her conduct was at least not opposed to the Association's best interest, and (3) in the case of any criminal Proceeding, had no reasonable cause to believe his or her conduct was unlawful; provided, however, that if the person is found liable to the Association or is found liable on the basis that personal benefit was improperly received by him or her, the indemnification (i) shall be limited to reasonable expenses actually incurred by the person in connection with the Proceeding and (ii) shall not be made in respect of any Proceeding in which the person shall have been found liable for willful or intentional misconduct in the performance of his or her duty to the Association. The termination of a Proceeding by judgment order, settlement or conviction, or on a plea of nolo contendere or its equivalent is not of itself determinative that the person did not meet the requirements for indemnification set forth above. A person shall be deemed to have been found liable in respect of any claim, use or matter only after the person shall have been so adjudged by a court of competent jurisdiction after exhaustion of all appeals therefrom. Notwithstanding any other provision of this Section, the Association shall pay or reimburse expenses incurred by an Indemnitee in connection with his appearance as a witness or other participant in a Proceeding at the time when he or she is not a named defendant or respondent in the Proceeding. Reasonable expenses shall include, without limitation, all court costs and all fees and disbursements of attorneys for the Indemnitee.

1.3 Determinations. The determination required in paragraph 1.2 above that an Indemnitee has satisfied the prescribed conduct and belief standards must be made by a majority vote of a quorum consisting of Directors who at the time of the vote are not named defendants or respondents in the Proceeding, (2) if such a quorum cannot be obtained, by a majority vote of a committee of the Board of Directors, designated to act in the matter by a majority vote of all Directors, consisting solely of two or more Directors who at the time of the vote are not named defendants or respondents in the Proceeding, (3) by special legal counsel selected by the Board of Directors or a committee of the Board by vote as set forth in clause (1) or (2) of this sentence, or, if such a quorum cannot be obtained and such a committee cannot be established, by a majority vote of all Directors, or (4) by the Members in a vote that excludes the vote of the Directors who are named defendants or respondents in the Proceeding. The determination as to reasonableness of expenses must be made in the same manner as the determination that the person has satisfied the prescribed conduct and belief standards, except that if the determination that the person has satisfied the prescribed conduct and belief standards is made by special legal counsel, the determination as to reasonableness of expenses must be made by the Board of Directors or a committee of the Board by vote as set forth in clause (1) or (2) of the immediately preceding sentence or, if such a quorum cannot be obtained and such a committee cannot be established, by a majority vote of all Directors.

1.4 Advancement of Expenses. Reasonable expenses incurred by an Indemnitee who was, is or is threatened to be made a named defendant or respondent in a Proceeding shall be paid or reimbursed by the Association, in advance of the final disposition of the Proceeding and without any of the determinations specified in Paragraph 1.3 above, after the Association receives a written affirmation by the Indemnitee of his or her good faith belief that he or she has met the standard of conduct necessary for indemnification under Paragraph 1.2 above and a written undertaking by or on behalf of such Director to repay the amount paid or reimbursed if it is ultimately determined that he or she has not met those requirements. The written undertaking described in the immediately preceding

sentence to repay the amount paid or reimbursed to him or her by the Association must be an unlimited general obligation of the Indemnitee but need not be secured, and it may be accepted without reference to financial ability to make repayment.

1.5 Insurance and Other Indemnification. The Association may purchase and maintain insurance or establish and maintain another arrangement on behalf of any Indemnitee against or in respect of any liability asserted against him or her and incurred by him or her, both as to action in his or her Official Capacity and as to action in any other capacity, whether or not the Association would have the power to indemnify him or her against that liability under these Bylaws or by statute. If the insurance or other arrangement is with a person or entity that is not regularly engaged in the business of providing insurance coverage, the insurance or arrangement may provide for payment of a liability with respect to which the Association would not have the power to indemnify the person only if including coverage for the additional liability has been approved by the Members of the Association. Without limiting the power of the Association to purchase, procure, establish or maintain any kind of insurance or other arrangement, the Association may, for the benefit of Indemnitee, (1) create a trust fund; (2) establish any form of self-insurance; (3) secure its indemnity obligation by grant of a security interest or other lien on the assets of the Association; or (4) establish a letter of credit, guaranty or surety arrangement. The insurance or other arrangement may be purchased, procured, maintained or established within the Association or with any insurer or other person deemed appropriate by the Board of Directors regardless of whether all or part of the stock or other securities or the insurer or other person are owned in whole or part by the Association, In the absence of fraud, the judgment of the Board of Directors as to the terms and conditions of the insurance or other arrangement and the identity of the insurer or other person participating in an arrangement shall be conclusive, and the insurance or arrangement shall not be voidable and shall not subject the Directors approving the insurance or arrangements to liability, on any ground, regardless of whether Directors participating in the approval are beneficiaries of the insurance or arrangement.

1.6. Report to Members. Any indemnification of or advancement of expenses to an Indemnitee in accordance with this Section or the provisions of any statute shall be reported in writing to the Members with or before the notice or waiver of notice of the next Members' meeting or with or before the next submission to Members of a consent to action without a meeting and, in any case, within the 12-month period immediately following the date of the indemnification or advance.

1.7 Entitlement. The indemnification provided by this Section shall (1) not be deemed exclusive of, or to preclude, any other rights to which those seeking indemnification may at any time be entitled under the Association's Articles of Incorporation, any law, agreement or vote of Members or disinterested Directors, or otherwise (2) continue as to a person who has ceased to be in the capacity by reason of which he or she was an Indemnitee with respect to matters arising during the period he or she was in such capacity, and (3) inure to the benefit of the heirs, executors and administrators of such a person.

1.8 Severability. The provisions of this Section are intended to comply with Article 1396-2.22A of the Texas Non-Profit Corporation Act. To the extent that any provision of this Section authorizes or requires indemnification or the advancement of expenses contrary to such statute or the Articles of Incorporation, the Association's power to indemnify or advance expenses under such provision shall be

limited to that permitted by such statute and the Articles of Incorporation and any Incorporation shall not affect the validity of any other provision of this Section.

1.9 Effect of Amendment. No amendment, modification or repeal of this Section or any provision hereof shall in any manner terminate, reduce or impair the right of any past, present or future Indemnitee to be indemnified by the Association, nor the obligation for the Association to indemnify any such Indemnitee, under and in accordance with the provisions of this Section as in effect immediately prior to such amendment, modification or repeal with respect to claims rising from or relating to matters occurring, in whole or in part, prior to such amendment, modification or repeal, regardless of when such claims may arise or be asserted.

1.10 Statutory Changes. In the event the indemnification provided by this Section is more restrictive than the provisions of indemnification allowed by Article 1396-2.22A of the Texas Non-Profit Corporation Act, then those persons seeking indemnification shall be indemnified to the full extent permitted by Article 1396-2.22A of the Texas Non-Profit Corporation Act, as if may exist from time to time.

Section 2. Interested Directors and Officers.

2.1. If paragraph 2.2 below is satisfied, no contract or transaction between the Association and any of its Directors or officers (or any other corporation, partnership, association or other organization in which any of them directly or indirectly has a financial interest) shall be void or voidable solely because of this relationship or because of the presence or participation of such Director or officer at the meeting of the Board or committee authorizing such contract or transaction, or because such person's votes are counted for such purpose.

2.2 Paragraph 2.1 above will apply only if:

(a) The contract or transaction is fair to the Association as of the time it is authorized or ratified by the Board of Directors, a committee of the Board, or the Members; or

(b) The material facts as to the relationship or interest of each such Director or officer as to the contract or transaction are known or disclosed:

(i) to the Members entitled to vote thereon and they nevertheless in good faith authorize or ratify the contract by a majority vote of the Members present;
or

(ii) to the Board of Directors and it nevertheless in good faith authorizes or ratifies the contract or transaction by a majority of the disinterested Directors present, each such interested Director to be counted in determining whether a quorum is present but not in calculating the majority necessary to carry the vote.

2.3 The provisions contained in paragraphs 2.1 and 2.2 above may not be construed to invalidate a contract or transaction which would be valid in the absence of such provisions.

ARTICLE NINE Common Expenses and Assessments

Section 1. Determination of Common Expenses and Assessments.

1.1 Fiscal Year. The fiscal year of the Association shall consist of the twelve (12) month period which shall be designated by the Board of Directors.

1.2 Preparation and Approval of Budget. At least thirty (30) days before the end of each fiscal year the Board of Directors shall adopt a budget for the Association containing an estimate of the total amount which it considers necessary to pay the cost of common utility services (i.e., water and sewer, gas, and electricity), electrical service, maintenance, management, operation, repair and replacement of Improvements to the Common Areas, and personal property owned by the Association (except in the case of fire loss), and the cost of wages, materials, insurance premiums, services, supplies and any other expenses that may be declared to be Common Expenses by these Bylaws, the Declaration or a resolution of the Board of Directors or Members, and which will be required during the ensuing fiscal year for the administration, operation, maintenance and repair of the Common Areas and the personal property owned by the Association, and the rendering to the Owners of all related services, such costs and expenses being referred to herein as the "Common Expenses". The budget may also include:

(a) The cost of the maintenance or repair of any Lot or Improvement thereon in the event such maintenance or repair is reasonably necessary, in the discretion of the Board of Directors,

- (i) because of the excessive use or damage caused by willful or negligent acts by a Lot Owner or his or her guests, invitees, licensees, agents, employees or patrons,
- (ii) to protect the Common Areas,
- (iii) to preserve the appearance or value of the Property or,
- (iv) to protect the interest of the general welfare of all Owners; provided, however, that no such special maintenance or repair shall be undertaken without a resolution by the Board of Directors or without reasonable written notice to the Owner of the Lots proposed to be maintained and provided further that the cost thereof shall be assessed against the Lots on which such maintenance or repair is performed and, when so assessed, a statement for the amount thereof shall be rendered promptly to the Owner of said Lots, at which time the assessment shall become due and payable and shall be a continuing lien and obligation of said Owner in all respects as provided in the Declaration; and

(b) Any amount necessary to discharge any lien or encumbrance levied against the Property or any portion thereof, which may, in the opinion of the Board of Directors, constitute a lien against the Association or any portion thereof.

1.3 Accounts. The Board shall establish no fewer than two (2) separate accounts (the "Maintenance Funds") into which shall be deposited all monies paid to the Association; and from which disbursement shall be made, as provided herein, in the performance of functions by the Association under the Declaration or these Bylaws. Each of the Maintenance Funds shall be

established as separate trust savings or trust checking accounts at a federally insured banking or lending institution. The Maintenance Funds shall include:

- (a) an Operating Fund for current expenses of the Association, and
- (b) a Capital Contribution Fund for replacements and repairs of the Common Properties and other Improvements within the Property to the extent necessary under the provisions of the Declaration and these Bylaws. The Board shall not commingle any amounts deposited into any of the Maintenance Funds.

All amounts deposited into the Operating Fund and the Capital Contribution Fund must be used solely for the common benefit of all of the Owners for purposes authorized by the Declaration and these Bylaws as they may be amended from time to time. Disbursements from the Capital Contribution Fund shall be made by the Board only for the respective purposes specified in this Article Eight, the Declaration and/or Restrictive Covenants. Disbursements from the Operating Fund shall be made by the Board for such purposes as are necessary for the discharge of this responsibilities herein and under the said Declaration and Restrictive Covenants for the common benefit of all the Lot Owners, other than those purposes for which disbursements from the Capital Contribution Fund are to be used. No provision in these Bylaws shall be construed in such a way as to permit the Association to use any assessments to abate any annoyance for nuisance emanating from outside the physical boundaries of the Property. No provisions contained herein shall limit, preclude or impair the establishment of other funds by the Association earmarked for specified purposes authorized by the Declaration and these Bylaws.

1.4 Notice of Budget. The Board of Directors shall send a copy of the budget, to each Lot Owner who has sent a written request to the Association for a copy of the budget, in reasonable itemized form which sets forth the amount of the Common Expenses payable by each Lot Owner, at least thirty (30) days prior to the beginning of the fiscal year to which the budget applies. Such budget shall constitute the basis for determining each Lot Owner's contribution for the Common Expenses of the Association.

1.5 Payment of Assessments. The payment and collection of the assessments made pursuant to the foregoing provisions shall be in accordance with the terms providing for the payment and collection of assessments in these Bylaws and in the Declaration including without limitation the right reserved to the Board to recover reasonable attorney's fees, interest and costs.

1.6 Effect of Failure to Prepare or Adopt Budget. The failure or delay of the Board of Directors to prepare or adopt the annual budget for any fiscal year shall not constitute a waiver or release in any manner of the Lot Owner's obligation to pay his allocable share of the assessments as herein provided, annual budget or adjusted budget. Each Lot Owner shall continue to pay the assessment at the then existing rate established for the previous fiscal period until the new annual or adjusted budget shall have been mailed or delivered.

1.7 Capital Contribution Fund. The Board of Directors shall build up and maintain reasonable capital contributions for working capital, operations, contingencies and replacements. Extraordinary expenditures not originally included in the annual budget which may become necessary during the year shall be charged first against Capital Contribution Funds. If the Capital Contribution Funds are

inadequate for any reason including non-payment of any Lot Owner's assessment, such amounts shall be assessed against the Lot Owners equally, and which may be payable in a lump sum or in installments as the Board of Directors may determine. The Board of Directors shall serve notice of any such further assessment of all Lot Owners by a settlement in writing giving the amount and reason therefore, and such further assessment shall, unless otherwise specified in the notice, become effective with the next monthly payment. The payment and collection of the assessment made pursuant to the foregoing provisions shall be in accordance with the terms providing for payment and collection of assessments in these Bylaws and in the Declaration, including without limitations, the right to recovery of reasonable attorney's fees, interest and costs.

Section 2. Collection of Assessment. The Board of Directors may take prompt action to collect any assessments due from an Owner which remain unpaid for more than thirty (30) days from the date due for payment thereof.

Section 3. Delinquency and Acceleration. Any installment of an assessment provided for in these Bylaws shall become delinquent if not paid on the due date as established by the Board of Directors of the Association, pursuant to the provisions hereof or pursuant to the Declaration. With respect to each installment of an assessment not paid within thirty (30) days after its due date, the Board of Directors may, at its election, require the delinquent Lot Owner to pay a reasonable late charge, together with interest at the maximum rate permitted by law on such delinquent sums, calculated from the date of delinquency to and including the date full payment is received by the Association. If any installment of an Annual Assessment is not paid within thirty (30) days after its due date, the Board may mail a notice, by certified mail return receipt requested, to the Lot Owner and to each First Mortgagee of a Lot which has requested a copy of the notice. Such notice shall specify, in addition to any information required to be provided under the Declaration: (1) the fact that the assessment is delinquent; (2) the action required to cure the default; (3) a date, not less than thirty (30) days from the date the notice is mailed to the Lot Owner, by which such default must be cured; and (4) that failure to cure the default on or before the date specified in the notice may result in foreclosure by the Association against the Lot. If the delinquent installments of the assessments of whatever nature, and any charges thereon are not paid in full on or before the date specified in the notice, the Board at its option may declare all of the unpaid balance of the Annual Assessment for the then current fiscal year, attributable to the Lot Owner and his or its Lot(s) to be immediately due and payable without further demand and may enforce the collection of the full Annual Assessment and any other assessments and all charges thereon in any manner authorized by law, these Bylaws and the Declaration.

ARTICLE TEN

Joint Ownership

Membership may be held in the name of more than one person, corporation or other entity. In the event ownership is in more than one person, corporation or other entity, all of the Co-owners shall be entitled collectively to only the vote in the management of the affairs of the Association as set forth in the Articles of Incorporation, in the Declaration, and these Bylaws, and said vote may not be divided between Co-owners.

ARTICLE ELEVEN

Obligation of Members

In addition to other obligations and duties set out in the Declaration and these Bylaws, every Lot Owner shall:

- (a) Pay all assessments levied by the Association as due and as provided in the Declaration.
- (b) Maintain, repair and replace, at his own cost and expense, all portions of his Lot and Improvements thereon requiring maintenance, repair, or replacement, as set forth in the Declaration and in the Restrictive Covenant instrument applicable to his or her section or phase of the subdivision, and subject to the right of the Architectural Review Committee to approve or disapprove alterations.
- (c) Conform to and abide by the Rules and Bylaws in regard to the use of his Lot, any Improvements thereon, and the Common Areas which may be adopted in writing from time to time by the Board of Directors and the Association.

ARTICLE TWELVE

Any person who is a Lot Owner, upon written demand stating the purpose thereof, shall have the right to examine, in person or by agent or attorney, at any reasonable time or times, for any proper purpose, the books and records of account, minutes and records of the Members of the Association. Such person shall have the right to make extracts therefrom.

Section 8. Financial Records.
