## FIXTURES CHECKLIST D

Directions on HOW TO USE: It is often unclear what constitutes a fixture which remains with the Property versus personal property which does not remain with the Property. To avoid disputes, Seller shall have the right to remove all items on the checklist below that are left blank THE ITEMS ON THE CHECKLIST BELOW THAT ARE CHECKED OR MARKED SHALL REMAIN WITH THE PROPERTY. All items remaining with Property shall include remotes and/or all accessories necessary for use. Unless otherwise indicated, if an item is left blank, the Seller may remove all of that item from the Property. For example, if "Refrigerator" is left blank. Seller may remove all Refrigerators on the Property. This checklist is intended to supersede the common law of fixtures with regard to the items below. The common law of fixtures shall apply to all items not on this checklist. Seller shall remove all items left blank below prior to closing or the transfer of possession, whichever is later. Seller shall lose the right to remove those items not timely removed. In removing items, Seller shall use reasonable care to prevent and repair damage to the area where the item was removed. Birdhouses

Clarification Regarding Multiple Items. Items identified above as remaining with Property where Seller is actually taking one or more of such items shall be identified below. For example, if "Refrigerator" is marked as staying with the Property, but Seller is taking the extra refrigerator in the basement, the extra refrigerator and its location shall be described below. This section shall control over any conflicting or inconsistent provisions contained elsewhere herein.

Items Needing Repair. The following items remaining with Property are in need of repair or replacement:
