Property Description

Creekside Ranch Home Site

APN 285-090-81-00

22957 Tombill Rd., Ramona, CA 92065

INTRODUCTION & OVERVIEW

Beautiful 15.99 acre offering on the outskirts of Ramona. The Creekside Ranch area is conveniently located yet tucked away, affording an ideal convergence of country living and convenience. Light residential development, paved roads and scenic views make this setting highly desirable. Abundant, designated open space ensures preservation of the native chaparral and wildlife. A seasonal creek runs through the property, adding tranquility and character. Approximately 1 acre of buildable space, with power on-site and water available. Drill a well or install a water meter, or both.

NATURAL SETTING

Topographically, the surrounding countryside is varied. Rolling hills frame the Ramona Valley, creating a unique micro-climate, recognized as being ideal for viticulture and agriculture in general. Wildlife is abundant in the area: deer and turkey roam freely, while raptors and other rare species of animals can still be found here because of the availability of water and cover in this area.

AREA INFORMATION

The Ramona Valley has come to be recognized for its unique climate, which lends itself to excellent grape production. Agriculture is still the dominant economic activity in the Ramona area. Vineyards, horse and cattle ranches are the backdrop for the landscape of light residential development. There are many fine restaurants and lodging accommodations in the surrounding area of this centrally, yet privately located property.

Recreation & Lifestyle

There are many recreational activities available in the area. Miles of hiking, biking and equestrian trails are located nearby. In addition, art galleries, shopping, golfing and dining at Ramona Oaks, and a variety of other opportunities for each family member can be easily accessed.
