## PROPERTY DESCRIPTION:

This 58 +/- acre Illinois hunting farm for sale is a one of a kind property in an ideal setting. The farm is very secluded and sits in the middle of a big block of big timber and agriculture. Some giant deer have been taken out of this area in the past. You will not be disappointed walking this property!

A tree-lined, private drive leads to a 3 bedroom, 1 bath cabin sit hidden just off the road and do not take away from hunting. The metal-sided cabin has been built in a spot that captures some amazing views from the kitchen and back porch and is around 65%-75% complete and everything is done up to code. Imagine enjoying evenings sitting on the back porch telling stories with family or friends!

The farm consists of 12-13 acres of CRP that makes around \$1500 a year. These CRP fields are scattered around the farm and have established food plots in each one for different stand sites for different winds. There are another 2-3 +/- acres of fields not in CRP that could be planted in alfalfa, tillable, more food plots, or would be perfect for horses. The remaining acreage is made up of mature white oak, red oak, walnut, and other hardwoods. There are miles of edge and lots of pinch points creating the perfect hunting farm.
