USDA FSA maps are for FSA Program administration only. This map does not represent a legal survey or reflect actual ownership; rather it depicts the information provided directly from the producer and/or the 2009 USDA rectified imagery for Ohio. The producer accepts the data "as is" and assumes all risks associated with it. The USDA Farm Service Agency assumes no responsibility for actual or consequential damage incurred as a result of any user's reliance on this data outside of FSA Programs.

Welland identifiers do not represent the size, shape or specific determination of the area. Refer to your original determination (CPA-026 and attached maps) for exact welland boundaries and determinations. For contact NRC.

All of the below are true unless otherwise indicated:

All crops=Non-Irrigated
All crops used for grain
Wheat=SRW
Corn=Yellow
Soybeans=COM
