If you are looking for the perfect country getaway this is it! Less than an hour from Katy Mills this secluded ranch on a private road is a short trip from Houston where you can spend a quiet weekend in the country. The back porch or the fire pit area are the perfect place to unwind, where the only thing you will hear is the rustling of the oak trees and an occasional turkey gobble as you watch the sunset, the deer and turkey.

The entire property is accessible by Ranger and features two stocked ponds ready for fishing. The spacious house is pristine, in excellent condition and features both back and front porches that stretch the length of the house. The property also has a studio, two barns, a Ranger shed with carport, and a set of working pens. The property is ag exempt and there are five cows on the property that would love to stay.
