Picture perfect log cabin with views to forever! Located just 8 miles west of Salida near Highway 50, this 3-bedroom home with year round access offers privacy with no covenants. Horses are permitted and the former horse barn could easily be converted back from storage. A separate barn with concrete floor and insulated ceiling makes a great workshop. The dramatic vaulted ceiling in the Great Room is complimented by a wood burning stove for chilly nights. Hot water baseboard heat with zones is located throughout. The main floor master bedroom has an attached 3/4 bath. An additional guest bath on the main floor features a claw foot soaking tub. The two downstairs bedrooms have access to a large family room - possible game room, hobby room, or work out room and a third bathroom. The kitchen features custom cabinets and a wood slab counter/bar top and opens to the dining area and Great Room. Cabins near Salida are rare to come by, call today for a showing!
