Bar America - Where Two Rivers Converge

Bar America is a desirable venue for natives and out-of-town guest to unwind with family and friends for intimate gatherings or to host their next private function. Wedding receptions, pre and post cocktail parties, corporate retreats and family reunions are just a few of the events that can take place at Bar America.

The details that were put into the handcrafted bar tops, custom-built wine racks to the natural tree trunk tables, are truly stunning. It's these details that make Bar America a unique, desired venue. It's the perfect "hidden jewel" in the Great Smoky Mountains.

The theme for Bar America represents the owner's vision of the 100 most famous and influential Americans from pre-revolutionary days through current times.

Portraits of the historic Americans are displayed throughout the first and third floor for guest viewing.

The second floor has been dedicated to the beautiful iconic, Marilyn Monroe and is decorated in tribute to her glamorous Hollywood style.

Chapel & Gazebo

The natural rustic beauty that surrounds the chapel, combined with the simple elegance of the building, makes it the ideal setting for marriage ceremonies. Stained glass windows give the chapel a traditional look, and wood floors and pews add plenty of charm.

Perfectly placed next to our chapel, our gazebo provides an idyllic outdoor setting to celebrate your new life together. It's a perfect spot for ceremonies, small receptions, cocktail hour and pre/post wedding functions. such as rehearsal dinners and/or post wedding brunch

Venue

150 person venue under construction

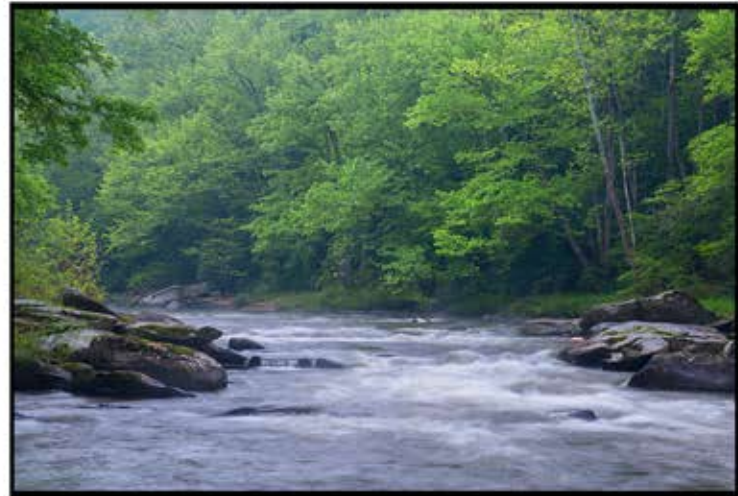

Farm and Petting Zoo

Majors Estate's Private Petting Zoo offers a variety of kid-friendly farm animals for viewing, petting and feeding. Our amazing animals are ready to socialize and are excited to meet you!

Certified Wildlife Habitat- Majors Estate's property provides the four basic habitat elements needed for wildlife to thrive: food, water, cover, and places to raise young.

Scenic Pigeon River and a Cave!

1.5 miles of riverfront footage on the Pigeon River, with perfect views and access along the property lines. The river is one of the many special features about our property. Its natural beauty and scenic setting make it a truly tranquil spot to relax and enjoy.

PROPERTY MAP

The estate has taken full advantage of the property's natural rustic beauty, making it the ideal backdrop for weddings, corporate retreats, extended family vacations and social gatherings. Designed into the natural slope of the land, the ceremony and reception sites provide unparalleled views and the perfect place for a memorable getaway.
