Some formatting for Buck Mountain Ranch in the Ranching for Wildlife hunt code table was unclear at the time of publication.

The correct information is:
Season dates Oct. 9–13 and Dec. 17–22 for either-sex elk hunting on Buck Mountain Ranch have the same hunt code: E-E-003-W1-R.

To prevent confusion, the hunt code should have been listed ONCE in the table and included both seasons, instead of being listed twice.

HYBRID DRAW

9

A clarification to the Hybrid Draw has been added since publication.

The clarification is:
An asterisk (*) next to a hunt code means that those particular hunts had a low number of available licenses in previous years and may not have licenses available for the Hybrid Draw in 2019.

The online version of the brochure has been updated with this correction.

HYBRID DRAW
DEER, ELK, PRONGHORN

To expand quality opportunities to big-game hunters, the Colorado Parks and Wildlife Commission offers a "Hybrid" drawing for select elk, deer, pronghorn and bear licenses.

The purpose of the draw is to give hunters additional opportunity to draw a license for some of the state's premier deer, elk, pronghorn and bear hunting areas.

Hunters who normally would not have enough preference points to draw these licenses now have a slight chance to draw a small number of the most coveted licenses through this process. Nonresident caps apply. (Units with low numbers of available licenses may not have any remaining for the Hybrid Drawing.)

HUNTER QUALIFICATIONS
 Qualified hunters wishing to participate in the Hybrid Draw must meet the following criteria and choose from the hunt codes listed at right as their first choice on their application:

- Hunters must have a minimum of five preference points for the species they wish to hunt to participate in the Hybrid Drawing.
- Hunters must apply individually; group applications are not accepted.
- Hunt codes that contain a W are searching for Wildlife properties. These hunts are for Colorado residents only.

HOW IT WORKS
 In hunt codes that require 19 or more resident preference points to draw (listed on a 3-year average ending with the 2009 drawing), up to 20 percent of the available licenses may be issued through a random drawing. Qualified resident and nonresident hunters who select applicable hunt codes (listed at right) and have at least five preference points for that species will automatically enter the Hybrid Drawing.

- These hunt codes must be entered as your first choice on your application.
- Winning applicants in the Hybrid Drawing will be selected randomly.
- Hunters who successfully draw a license in the Hybrid Drawing lose all of their preference points for that species. Unsuccessful applicants will be awarded one point.

WHAT'S NEW: 2019 REGULATION CHANGES & NEW INFORMATION

- ▶ **FUTURE GENERATIONS ACT PASSED THE 2018 STATE LEGISLATURE:** Thank you to all of the hunters and anglers who helped support the Future Generations Act and Colorado Parks and Wildlife. This act is a huge step for funding wildlife conservation. You'll see some changes for 2019, including a small fee increase for resident licenses and the Wildlife Education Fund. **See table below and find the full 2018/2019 fee comparison chart online: cpw.state.co.us/feechanges**
- ▶ **APPLICATION FEE INCREASE:** The application processing fee will be \$7 for residents and \$9 for nonresidents in 2019. The fees are based on the cost of processing in-state and out-of-state applications.
- ▶ **THE APPLICATION AND CORRECTION DEADLINE HAS CHANGED:** Draw applications and any corrections to the applications must be submitted by **8 P.M. MT on APRIL 2** instead of midnight.
- ▶ **ALL APPLICANTS, INCLUDING YOUTH, MUST PURCHASE A QUALIFYING LICENSE TO APPLY FOR THE BIG GAME DRAW:** Qualifying licenses are spring turkey, annual small game, annual resident combination small game/fishing and veteran's lifetime resident combination small game/fishing. Licenses must be valid for the current license year, April 1, 2019–March 31, 2020.
All qualifying licenses can be purchased starting March 1. Applicants must purchase a qualifying license even if applying for a preference point as a first-choice option. *Online draw applications will not be accessible until you purchase your qualifying license.* Go online for more details: cpw.state.co.us/feechanges
- ▶ **MOOSE, ROCKY MOUNTAIN BIGHORN SHEEP AND MOUNTAIN GOAT NOW HAVE A PREFERENCE AND WEIGHTED POINT FEE:** Draw applicants who are unsuccessful in drawing their first choice hunt, or who apply for a preference point hunt code as their first choice, will be charged a \$50 resident or \$100 non-resident preference point fee for Rocky Mountain bighorn sheep, mountain goat and moose. The fee is waived for youth, resident lifetime license holders and residents who are in the military on active duty outside Colorado.
 Applicants will have the option to **OPT IN** or **OPT OUT** of paying the preference point fee while filling out their draw application(s). If they **OPT OUT**, they will not be charged the fee and will **NOT** acquire a preference or weighted point for 2019. This includes applicants who apply for a preference point hunt code as their first choice. **All other big-game species no longer have a preference point fee.** *See pages 3 and page 18 for more details on preference points.*
- ▶ **PENALTIES FOR MISSING THE PAYMENT DEADLINE:** If you're successful in the draw but don't pay for your license by the payment deadline, your license will be surrendered, and you will lose both the license and any preference points you used to draw it. **THE PAYMENT DEADLINE IS FINAL: June 21.**
- ▶ **CHECK YOUR ONLINE ACCOUNT EARLY AND OFTEN:** Make sure your credit card information is up to date, as well as your phone number, mailing address, email address and other contact information. Be sure to check your information after the draw, too, for draw results, preference point levels and payments.
- ▶ **HUNTERS WHO ARE SUCCESSFUL IN THE DRAW NOW HAVE THE OPTION TO REVERSE THEIR LICENSE INSTEAD OF RETURN IT:** If you successfully get a license through the draw and your hunting plans change, you can now call CPW at 303-297-1192 to reverse your license instead of return it. You won't have to submit the refund paperwork or pay the \$15 refund fee if you call by **5 P.M. MT on JUNE 14** to request a reversal. After this deadline, the refund process will be the same as usual. *See page 16 for reversal and refund process details.*
- ▶ **MANDATORY CHRONIC WASTING DISEASE (CWD) TESTING IN SELECT GMUs:** In 2019, CPW will require mandatory submission of CWD test samples (heads) from all deer harvested during any of the rifle seasons from select GMUs. Hunters that harvest a deer in the specified hunt codes (all of the plains GMUs and some GMUs west of I-25) will be required to submit their deer head to a CPW submission site for testing. There will be no charge for mandatory testing.
 All deer harvested with a Season Choice license are also included in mandatory testing, regardless of the season the deer was harvested. Get more information about where and how to submit a CWD sample at cpw.state.co.us/cwd. *Also see page 12 of this brochure for more about CWD.*
- ▶ **VOLUNTARY CWD TESTING FEE WAIVED FOR SELECT GMUs:** In 2019, testing fees for voluntary submissions will be waived for all deer harvested (e.g. for archery, muzzleloader seasons) within the same GMUs that are selected for mandatory testing. All other GMUs will have a voluntary testing fee of \$25. *See page 20 for a list of the mandatory GMUs.*
- ▶ **BOUNDARY CHANGES TO UNITS 3, 56, 57, 58, 86, 301, 581 & 691:** GMUs 56, 57, 58, 86, 581 and 691 now use the Arkansas River as a boundary, rather than Hwy. 50. Moffat CR 158 is no longer open for public travel and has been removed from describing GMU 3 and 301 boundaries. *See pages 61–64 for detailed boundary descriptions.*
- ▶ **NO PREFERENCE POINT RESTRICTION FOR PRIVATE-LAND-ONLY YOUTH OUT-REACH LICENSES:** Starting in 2019, private-land-only hunts available for youth outreach licenses will no longer require 6 or more preference points to hunt.
- ▶ **RANCHING FOR WILDLIFE CHANGES:** Check the hunt tables carefully for multiple changes to RFW properties, hunt codes and dates. *Deer: page 20; Elk: page 37; Pronghorn: page 50; Moose: page 53; Bear: page 56.*
- ▶ **CARCASS TAG INFORMATION:** See page 15 for important information on signing your license and signing/detaching your carcass tag.
- ▶ **NONRESIDENT BEAR LICENSE FEE REDUCED TO \$100:** Nonresident bear licenses still have the \$1.50 Wildlife Education Fund and \$0.25 search-and-rescue fees. *See license fee table on page 3.*

NONRESIDENT LICENSE ALLOCATIONS

Nonresident allocations are determined by the average number of preference points a Colorado resident needed to draw a specific license during a 3-year period that ended with the 2009 drawing. (Units with low numbers of available licenses may not have any remaining for nonresidents after resident licenses are drawn.)

1. For elk and deer hunt codes that required six or more points for a Colorado resident to draw, up to 20 percent may go to nonresidents. These hunts are designated in unit tables by a + under the SEX column.
2. For hunt codes that required fewer than six points for a Colorado resident to draw an elk or deer license, up to 35 percent may go to nonresidents.
3. Nonresident allocations may increase if licenses remain after all Colorado resident first choices have been drawn for that hunt code.
4. License allocations do not apply to private-land-only and Ranching for Wildlife licenses.
5. In a group of applications made up of both residents and nonresidents, all nonresidents in the group will count against the nonresident allocation.

LANDOWNER PREFERENCE PROGRAM (LPP)

FOR LANDOWNERS:

1. Deer, elk and pronghorn licenses (*in units that are totally limited for all rifle licenses*) are allocated to deeded landowners who own at least 160 contiguous acres of private agricultural land. (Further qualifications apply: cpw.state.co.us/bg/landowner)
2. Landowner preference quotas are:
 - ▶ **GMUs WEST OF I-25:** 10 percent of the quota of public licenses may be issued as a voucher valid for a specific hunt code. An additional 10 percent of the public quota may be issued as a private-land-only voucher.
 - ▶ **GMUs EAST OF I-25:** 15 percent of the quota of public licenses may be issued as a voucher valid for a specific hunt code. An additional 10 percent of the public quota may be issued as a private-land-only voucher and may only be transferred to a youth or an immediate family member.
3. LPP applications are drawn just before CPW's public limited drawing. Successful landowners receive a voucher for each winning hunt code. Landowners will be notified at the same time as public applicants.

4. The deadline to register for 2019 has passed. Registrations for 2020 may be submitted through Dec. 1, 2019, at the web address listed below right. Registrations are valid for up to five years.

FOR HUNTERS:

1. The landowner or designated land manager must transfer the voucher directly to the hunter. A voucher that has been transferred by any person who is not the landowner or designated land manager is void. A voucher that is brokered for another person is void. A hunting license obtained for use with a void voucher is also void. No person shall broker a voucher on behalf of any landowner or person, or use or possess any brokered voucher.
2. The transfer of the voucher occurs when the hunter's name is written on the voucher, or the landowner or designated land manager hands (or mails) the voucher to the hunter.
3. Landowner vouchers may be transferred one time only.
4. If a hunter cannot use a voucher, the voucher becomes **VOID**. The voucher **CANNOT** be reprinted or transferred to another hunter, even if the voucher has not been redeemed for a license.

5. Annual bag limits still apply. Be sure you can legally have the license before acquiring a landowner voucher. List A, B or C is printed on the voucher. See pages 15, 19, 33 and 48 for details.
6. The transfer of a voucher by a landowner or designated land manager must include permission to access and hunt all of the registered land for which the voucher was awarded, and for the entire season for which the voucher was awarded, without discrimination among hunters entering the land. Restrictions are not allowed, except for manner of access (*i.e. foot, horseback, vehicle*) reasonably necessary to prevent damage to land.
7. The voucher must be taken to a sales agent or CPW location in person to be redeemed for a proper and valid license **PRIOR** to hunting. The appropriate license fees are paid at that time.
8. A list of landowners is **NOT** available from Colorado Parks and Wildlife.

YOUTH HUNTING

ELK, DEER & PRONGHORN OPPORTUNITIES FOR HUNTERS AGES 12–17

BIG GAME HUNTING RULES FOR YOUTH

YOUTH EXPANDED HUNTING OPPORTUNITIES

CPW expanded youth hunting by giving kids more opportunities to harvest big-game animals.

Youth may now pursue antlerless deer or elk during any rifle season open to antlerless hunts in valid GMUs (see pages 8–9). Youth hunts are no longer restricted to late seasons as in previous years.

Youth may also still hunt pronghorn does during December.

HOW TO PARTICIPATE

1. Youth must be ages 12–17 (see age requirements at right) and meet hunter education requirements.
2. Youth must have an unfilled limited antlerless deer, antlerless elk or either-sex elk license after their original season ends. Then they may participate in any open rifle antlerless deer or elk hunt that begins after the last day of the season listed on their original license. (*Does not include Ranching for Wildlife.*) Youth may hunt in the areas specified on the maps (pages 8–9), and must hunt the same species listed on their original license.
3. Youth with an unfilled either-sex elk license must take the original license to a CPW location to have it converted to an antlerless license before hunting any extended seasons.
4. Youth hunters 12–15 years old *must* be accompanied by a mentor who is 18 or older and also meets hunter education requirements. Youth and mentors must be able to see and hear each other while hunting. Mentors can hunt only if they have a current license valid for the same units and dates the youth will be hunting.

5. Youth must follow all applicable regulations for any hunts and units they select during the extended season, including season dates and geographic restrictions.
6. Antlered licenses, over-the-counter licenses and either-sex plains rifle elk licenses may not be converted for extended youth hunting.

AGE REQUIREMENTS

1. Youth ages 12–17 are offered reduced-cost licenses for deer, elk and pronghorn.
2. At age 11, youth may buy or apply for a license if they will turn 12 before the end of season on the license. Youth cannot hunt with the license until they turn 12.
3. Youth who get their original license when they are 17 and later turn 18 may participate in the extended season hunt. Youth hunting rules still apply, even though the hunter is 18 while hunting.
4. Youth must be 12–17 at time of purchase to buy a youth unlimited or leftover license.
5. In order to receive a reduced-cost license and/or youth preference in the draw, youth must be 17 or younger at the time of application.

YOUTH DRAW PREFERENCE

1. A minimum of 15 percent of limited licenses for doe pronghorn, antlerless and either-sex deer and antlerless elk for each GMU shall be available for youth ages 12–17 who meet hunter education requirements. These licenses are available by drawing for all seasons and methods of take — including early and late rifle seasons. Licenses not drawn by youth are available to the public. (*The Air Force Academy unit and Ranching for Wildlife hunts are excluded from this.*)
2. Group applications are not accepted.
3. If youth enter more than one hunt code on their application, all hunt codes must qualify for youth preference.

YOUTH OUTREACH LICENSES

Youth Outreach licenses are offered for deer, elk and pronghorn to qualified organizations sponsoring youth hunting activities. Application procedures are on the CPW website, cpw.state.co.us/youthoutreachlicense.

YOUTH DEER & ELK HUNTS IN 2019

1 CHOOSE YOUR SPECIES

Youth may hunt antlerless deer or elk in extended seasons. Youth may hunt only the species that is on their original license. "Antlerless" means female deer (does) and elk (cows), as well as young males of both species with antlers less than 5 inches long.

2 CHOOSE WHEN TO HUNT

If a youth does not fill their original limited antlerless deer, antlerless elk or either-sex elk license (see "Purchasing and Converting Licenses" to the right) — whether it's for archery, muzzleloader or rifle hunting — they may continue to hunt during any of the rifle seasons listed in this brochure, except for Ranching for Wildlife. They must hunt within areas specified on the maps on page 8, and there must be an antlerless hunt going on in the unit and season they wish to hunt.

3 PLAN AHEAD

To hunt deer or elk in the extended season, youth must buy a limited antlerless deer, antlerless elk or either-sex elk license. If they don't fill their tag during the original season, they will be able to continue hunting in certain areas of the state. Look at the maps on page 8 to make sure you purchase the original deer or elk license within the area you intend to hunt during the extended season.

4 FOLLOW THE RULES

When participating in the extended season, youth **MUST** follow all the rules of hunting during the rifle season, including wearing blaze orange or pink and using a method of take allowed in rifle season. Youth must also follow all unit restrictions where they choose to hunt in the extended season, including any private-land-only designations and any unit boundary restrictions.

YOUTH EXTENDED SEASON EXPLAINED ONLINE

A complete list of available hunts for the youth extended season and the corresponding units.

PURCHASING & CONVERTING LICENSES

- ▶ Youth must purchase their original license through the draw or from the leftover licenses list.
- ▶ Either-sex elk licenses must be converted to an antlerless license at a CPW office if the original license is unfilled and the youth wishes to continue hunting an antlerless animal.
- ▶ Over-the-counter archery licenses, OTC whitetail licenses, antlered licenses and either-sex plains rifle elk licenses may NOT be converted to participate in the extended season.

DEER EXTENDED SEASON: YOUTH

WHERE TO HUNT DEER & ELK

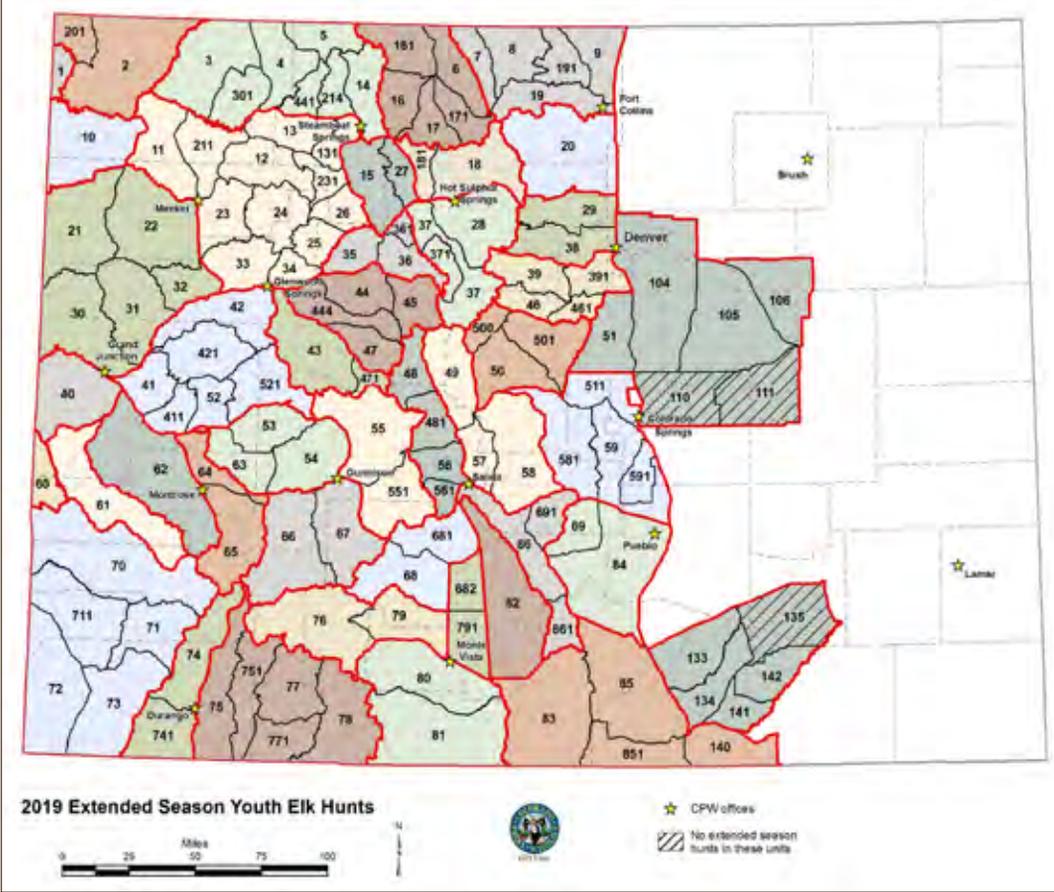

- ▶ Youth may hunt in any area on the map within the red boundary that also contains the unit for which they purchased their original license. (*Units with lines through them and blank, white areas are not open to extended-season hunting.*)
- ▶ Youth may only hunt the extended season when an open antlerless rifle hunt is going on in the unit they choose to hunt.
- ▶ Unfilled antlered elk and deer licenses may not be used to participate in the program. Limited either-sex elk licenses must be converted to antlerless licenses at a CPW office, and are only valid to hunt and take antlerless elk after doing so.

FOR EXAMPLE:

- An original license is purchased in the draw for a youth to hunt either-sex elk in unit 49 during archery season.
- The youth does not harvest during archery season and takes the tag to a CPW office to convert it to antlerless.
- The youth, accompanied by a mentor, may continue to hunt during any of the rifle seasons listed in this brochure for units 49, 57 or 58, as long as there is an antlerless season in progress in the unit the youth wants to hunt.

Look at the rifle elk tables in this brochure to find these hunts, or look at the list of acceptable hunts online at cpw.state.co.us/youthhunting.

- If the youth wishes to continue hunting in unit 49, he or she may hunt Oct. 19-27, Nov. 2-10 or Nov. 13-17. He or she may also hunt in units 57 or 58 from Oct. 12-16, Oct. 19-27, Nov. 2-10, Nov. 13-17 or on private land only during the late season Sept. 30-Jan. 31, 2020.
- *Why Sept. 30? The original archery season (Aug. 31-Sept. 29) must be over before the youth can begin hunting the late rifle season.*
- During the extended season, the youth may use any method of take allowed during rifle season. See page 13.

PRONGHORN LATE SEASON: YOUTH

WHERE TO HUNT PRONGHORN

- ▶ Youth must be ages 12–17.
- ▶ Youth must have an unfilled pronghorn doe or either-sex license for a season anywhere in the state that has ended. If so, then they may participate in any Dec. pronghorn doe season in the following units:
110, 111, 112, 113, 114, 115, 116, 117, 118, 119, 120, 121, 122, 123, 124, 125, 126, 127, 128, 129, 130, 132, 133, 134, 135, 136, 137, 138, 139, 140, 141, 143, 144, 145, 146 or 147.
- ▶ Youth with an unfilled either-sex pronghorn license must bring that license to a CPW office to have it converted to a doe license before hunting in a Dec. season.
Youth with doe licenses do not need to convert those licenses, the original license is valid for an extended hunt.
- ▶ Unfilled pronghorn buck licenses may not be used to participate in this program.
- ▶ Youth must comply with all regulations that apply to the Dec. season they hunt.

HYBRID DRAW DEER, ELK, PRONGHORN

NOTE: There are no qualifying Hybrid Draw hunts for bear in 2019.

To expand quality opportunities to big-game hunters, the Colorado Parks and Wildlife Commission offers a “hybrid” drawing for select elk, deer, pronghorn and bear licenses.

The purpose of the draw is to give hunters additional opportunity to draw a license for some of the state’s premier deer, elk, pronghorn and bear hunting areas.

Hunters who normally would not have enough preference points to draw these licenses now have a slight chance to draw a small number of the most coveted licenses through this process. Nonresident caps apply.

HUNTER QUALIFICATIONS

Qualified hunters wishing to participate in the Hybrid Draw must meet the following criteria and choose from the hunt codes listed at right as their first choice on their application.

1. Hunters must have a minimum of five preference points for the species they wish to hunt to participate in the Hybrid Drawing.
2. Hunters must apply individually; group applications are not accepted.
3. Hunt codes that contain a W are Ranching for Wildlife properties. These hunts are for Colorado residents only.

HOW IT WORKS

In hunt codes that require 10 or more resident preference points to draw (based on a 3-year average ending with the 2009 drawing), up to 20 percent of the available licenses may be issued through a random drawing.

Qualified resident and nonresident hunters who select applicable hunt codes (listed at right) and have at least five preference points for that species will automatically enter the Hybrid Drawing.

- ▶ These hunt codes must be entered as your first choice on your application.
- ▶ Winning applicants in the Hybrid Drawing will be selected randomly.
- ▶ Hunters who successfully draw a license in the Hybrid Drawing lose all of their preference points for that species. Unsuccessful applicants will be awarded one point.

Please be aware that hunt codes with an asterisk (*) had a low number of available licenses in previous years and may not have licenses available for the Hybrid Draw in 2019.

GENERAL INFORMATION

FIELD INFORMATION & REFERENCE: TOOLS, TIPS & RESOURCES FOR HUNTING COLORADO

BIG GAME SPECIES IDENTIFICATION

1 ID FIRST, TRIGGER FINGER SECOND.

Take as much time as is necessary to identify an animal before you shoot. Use your binoculars, not your rifle scope, to make a positive ID on an animal. Then put your finger on the trigger.

2 STUDY THE BODY.

There are telltale ways to tell different animals apart. Don't just look at an animal's antlers, study the entire head and body of an animal before you shoot. This will help distinguish elk from moose and mule deer from whitetails.

3 WATCH FOR BABIES.

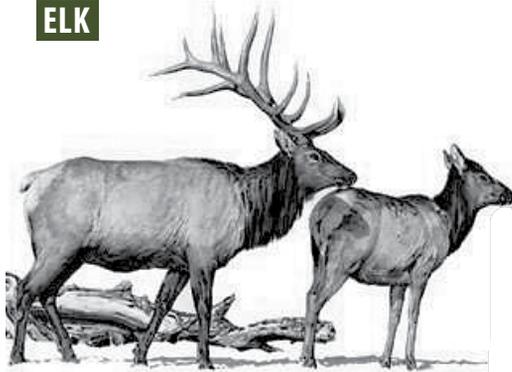

When hunting elk or moose, be careful not to mistake a moose calf for a cow elk. Young moose have a reddish coat, similar to an elk. Also, it is illegal to kill a bear that has cubs with it. Bear cubs younger than a year old cannot be harvested.

4 MAKE A MISTAKE?

Accidents happen. If you've shot the wrong species of animal in the field, don't panic. Call the local district wildlife manager or the CPW office nearest to you listed at the front of this brochure. Admitting a mistake is a hunter's most responsible plan of action.

ATTENTION! Moose can be found in the same habitat as elk in Colorado. Elk hunters must know the difference between the two species to avoid accidentally killing a moose.

ELK

TRAITS

- **BODY:** reddish, lighter brown, darker legs
- **NECK:** chestnut brown
- **SNOUT:** slender
- **RUMP:** pale yellow
- **BULLS:** antlers aren't palmated and have obvious brow tines coming off main beam

MOOSE

TRAITS

- **BODY:** black or dark brown with paler gray legs and belly
- **NECK:** large bell (beard) on throat
- **SNOUT:** overhanging, bulbous nose
- **BULLS:** palmated antlers with tines

ATTENTION! It is quite common to find both mule deer and white-tailed deer in the same areas, especially on the Eastern Plains. Since both types of deer have the same general body shape and size, hunters can look for a few key differences to make a positive identification. The primary telltale characteristic a hunter should look for is the tail.

MULE DEER

TRAITS

- **TAIL:** rope-like tail with black tip
- **ANTLERS:** fork and then fork again, usually very evenly, on older males
- **EARS:** large in proportion to head on both bucks and does
- **GAIT:** stiff-legged bounce, tail held down
- **RANGE:** statewide; in mountain shrubs, foothills, communities

WHITE-TAILED DEER

TRAITS

- **TAIL:** broad and brown with white fringe; all white when tail is up
- **ANTLERS:** consist of one main beam with three to five tines pointing upward
- **EARS:** smaller in proportion to head
- **GAIT:** move with a graceful lope, flag-like tail often held up
- **RANGE:** common on Eastern Plains; in streamside woodland areas; cropland along rivers

PRONGHORN

BUCK TRAITS

- **HORNS:** Prominent, with prong or point between the base and tip
- **FACE:** Black cheek patch

DOE TRAITS

- **HORNS:** May have horns less than 5 inches
- **FACE:** No black cheek patch
- **FAWNS** of either sex are considered does

BEAR

TRAITS

- **COAT:** Adults have long, thick hair; yearlings may have thin, bleached-looking hair
- **EARS:** Small ears and a large head usually indicates a large bear
- **FACE:** Narrow face and long noses are a trait of young bears that are not yet adults

LEGAL BIG-GAME HUNTING HOURS

Legal hunting hours for big game are one-half hour before sunrise to one-half hour after sunset, unless specifically restricted.

The sunrise/sunset chart below lists times for Denver. Subtract 1 minute from opening and closing time for each 12 1/2 miles east of Denver. Add 1 minute to opening and closing time for each 12 1/2 miles west of Denver.

(These changes assume that each degree of longitude equals 50 miles and a change of 1 degree of longitude equals a 4-minute change in sunrise and sunset times.)

GET THE LEAD OUT

SEE THE CDHPE PUBLIC HEALTH STATEMENT:
www.colorado.gov/pacific/cdphe/lead-in-wild-game

From the field to the table, ensuring your next harvest is safe for your family is important. Switching from lead bullets may be an option that's right for you. Science tells us that ingesting lead can cause potential health problems over time. Risks are low for most people; however, you can also:

1. Use lead-free shot or bullets.
2. Choose a firearm with lower-velocity bullets, so the bullet fragments don't scatter as far into the wound. Liberally trim and discard meat damaged by the bullet when you process an animal.
3. Clean your meat grinder between each animal. Lead is soft and can go through your grinder, contaminating an entire batch of ground meat. If you don't grind the meat yourself, speak with your commercial processor about their equipment cleaning process between animals.
4. Avoid eating game meat from animals harvested with lead bullets if you are pregnant. Children younger than 6 should also avoid it.

HUNT PROGRAMS

SHED ANTLER COLLECTION CLOSURE

- **WEST OF I-25, PUBLIC LANDS:** The public lands west of I-25 are open to collecting shed antlers or horns from May 1–Dec. 31 **ONLY**, except in GMUs 54, 55, 66, 67 and 551, where collecting antlers or horns is further restricted to between legal sunset and 10:00 a.m., May 1–May 15. Possession of antlers or horns on public lands west of I-25 from Jan. 1–April 30, is prohibited.
- **WEST OF I-25, PRIVATE LANDS:** On private lands west of I-25, any person may, with lawful access, collect shed antlers or horns at any time.
- **EAST OF I-25, PUBLIC AND PRIVATE LANDS:** On any lands east of I-25, any person may, with lawful access, collect shed antlers or horns at any time.

NOTE: Public land management agencies may have additional restrictions on use of public lands and removal of shed antlers. Refer to land manager restrictions prior to shed hunting.

RANCHING FOR WILDLIFE (RFW)

Public Ranching for Wildlife licenses are available only to Colorado residents by drawing. Licenses are valid only for the season and ranch specified.

RFW landowners must provide free access to hunters who draw a public license for their ranch. By applying for a RFW license, hunters allow CPW to provide applicant information to the ranch.

Hunting rules differ for each ranch. Read ranch rules on the CPW website at cpw.state.co.us/rfw before applying.

GUIDES AND OUTFITTERS

Guides and outfitters must be registered, bonded and insured in Colorado. They also need permits to operate on public land and must register with the Office of Outfitter Registration, 1560 Broadway, Suite 1340, Denver, CO 80202; 303-894-7778; www.dora.state.co.us/outfitters.

Legal, legitimate outfitters operate around the state and can provide invaluable resources for your hunting trip. Verify an outfitter's registration by contacting the above office or Colorado Outfitters Association online at coloradooutfitters.org.

DREAM HUNT LICENSES

Deer, elk, pronghorn, mountain lion and bear licenses are available to hunters ages 12–21 with a terminal illness or life-threatening disease or injury.

Requested dates for hunting events must occur between Aug. 15 and Jan. 31 each year. Licenses are now offered in units with at least one hunt code that requires 10 or more resident preference points to draw (excluding Ranching for Wildlife).

Before a license is issued, hunters must obtain written permission from the landowner to hunt on private land. Sponsoring organizations must request licenses in writing and document the life-threatening or terminal condition, hunting experience, logistical considerations, hunt location and dates. Submit requests to CPW, Hunter Outreach Coordinator, 6060 Broadway, Denver, CO 80216.

HUNTER SURVEYS HELP ASSESS HARVEST

CPW conducts big-game harvest surveys each year to estimate harvest, hunter numbers and recreation days.

Deer, elk and pronghorn hunters may receive a phone call or email, asking to take part in a survey. This includes questions such as: where you hunted, if you harvested an animal, if you were satisfied with your experience and if you saw overcrowding from other hunters.

Only randomly selected hunters can participate. Participation is not required, but responding — even if you didn't hunt or harvest — is an important part of setting future seasons and license numbers.

If contacted, you can take the survey online at colobgharvest.com, or call the toll-free phone number 1-855-924-4278.

The survey runs 24 hours daily, Oct. through mid-Feb. See the CPW website for details: cpw.state.co.us

CHRONIC WASTING DISEASE (CWD)

1 WHAT IS IT?

Chronic wasting disease (CWD) is a fatal neurological disease that attacks the brains of deer, elk and moose. It causes animals to become emaciated, display abnormal behavior and eventually die. Infected animals often show no signs of illness.

2 WHERE IS IT?

The map in the back of this brochure highlights game management units in red where CWD has been detected (page 65). CWD has been found in several regions in Colorado, as well as other states and provinces. For deer, infection rates tend to be highest in prime-aged mature bucks.

3 MANDATORY TESTING 2019

In 2019, CPW will require mandatory submission of CWD test samples (heads) from all deer harvested during rifle seasons from select GMUs to better evaluate the prevalence of CWD in herds. There will be no charge for mandatory testing. Find the GMUs and hunt codes selected for mandatory testing on pages 20–29.

4 VOLUNTARY CWD TESTING

If a hunter is not selected for mandatory testing but wants to know whether their harvested deer, elk or moose has CWD, they can submit their animal and pay a testing fee of \$25. Voluntary submissions are accepted annually statewide. In 2019, testing fees for voluntary submissions will be waived for all deer harvested within the same GMUs selected for mandatory testing (pages 20–29).

IMPORTANT PUBLIC HEALTH MESSAGE

Disease in humans resulting from CWD exposure has not been reported to date. However, public health officials cannot determine there is no risk from eating meat from infected animals. Consequently, officials recommend that people avoid exposure to CWD-infected animals. Please see the Colorado Department of Public Health and Environment website (www.colorado.gov/pacific/cdphe/prion-diseases) for the most current recommendations on carcass testing and other preventive measures.

To minimize exposure to CWD and other diseases of potential concern, Colorado Parks and Wildlife (CPW) and state public health officials advise hunters not to shoot, handle or consume any deer, elk or moose that is acting abnormally or appears to be sick. When field-dressing game, wear rubber gloves and minimize the use of a bone saw to cut through the brain or spinal cord (backbone). Minimize contact with brain or spinal cord tissues, eyes, spleen or lymph nodes. Always wash hands and utensils thoroughly after dressing and processing game meat.

HUNT SMART, STAY SAFE

MARK YOUR HARVEST SITE WITH YOUR GPS

Hunters who have GPS units are encouraged to mark the location of their harvest in the field. This is especially important for hunters who harvest a bear or moose, as these species require mandatory testing (see pages 52 and 56 for details).

During mandatory inspections, hunters will be asked to give a location of their harvest. Having GPS coordinates makes reporting simple and precise. Use your GPS to set a waypoint where you harvest an animal, and save the UTM or longitude and latitude coordinates. Bring that information to record on the check report form during harvest inspections.

HERD MANAGEMENT

YOUR INPUT WANTED!

Approximately every 10 years, each big-game population undergoes a Herd Management Plan review process during which CPW updates management objectives for that herd. These plans set objectives for population size and the ratio of males to females. Management objectives influence decisions about how many licenses of each type can be made available in any given year.

CPW appreciates hearing from all interests to help guide decisions about how big-game populations are managed. Please do not miss these important opportunities to have your voice heard.

Each Herd Management Plan covers specific Game Management Units (GMUs) and are published on the CPW website. When a Herd Management Plan is being updated, it is announced on CPW's webpage. You can also receive notices by signing up for the CPW eNews email list from our webpage. Every plan update allows for public comment and review.

HERD MANAGEMENT PLAN INFO: cpw.state.co.us/hmp

TURN IN POACHERS (TIP_S) PROGRAM

The TIPs program awards licenses and preference points to eligible persons that report the illegal take, possession or willful destruction of big game or turkey that results in a person being charged for the illegal take, possession or willful destruction of big game or turkey. Advise the charging officer of your interest in a TIPs award. Go to cpw.state.co.us/bg/tips for the criteria to qualify for a preference point or license, or contact CPW for details at 303-297-1192.

EAR TAGS, RADIO COLLARS

If you shoot a big-game animal with a collar or ear tag, report the number, color, harvest location and date to CPW, and return the radio collars.

HUNT SMART, STAY SAFE

OFF-HIGHWAY VEHICLES (OHV)

All off-highway vehicles operated in Colorado on public lands or traveling on an OHV-designated route must have a valid Colorado OHV registration or a Colorado OHV permit (except on private property).

Registrations/permits are \$25.25, valid April 1–March 31. OHV Permits (applicable for nonresidents and street legal/plated vehicles) are available online at cpw.state.co.us/bg/ohvpermit, at CPW locations and authorized sales agents. Questions, call 303-791-1920. Renewal registrations are available online and at CPW locations. New registrations and transfers must be done in person or by mail. Visit cpw.state.co.us for details.

Contact each public land management agency for their current motor vehicle-use rules, regulations, agency maps and game retrieval specifications and hours. Most areas do not allow off-trail game retrieval with any motorized vehicle. If you witness or observe a violation of OHV misuse on public lands, please report it to any law enforcement officer in that area.

ACCIDENTAL KILL

Accidental kill is unintentionally killing wildlife not due to carelessness or negligence. You must report big-game animals accidentally killed to a CPW office (listed on inside front cover) before continuing to hunt and as soon as practical. Before contacting CPW, field dress the animal. CPW evaluates the circumstances, including shots fired, species and number of animals present, firearms, ammunition, etc. Big game accidentally killed does not count toward annual bag limits.

CERTIFIED HAY MUST BE MARKED

Hay, straw and mulch are illegal on federal land and CPW property unless certified free of noxious weeds. Hay must be clearly marked by certifying agency. People who transport these materials on public roads crossing CPW property are exempt. For a list of weed-free forage, contact Colorado Dept. of Agriculture, 303-239-4149; Forest Service or BLM; or go to: colorado.gov/pacific/agconservation/weedfreeforage

HUNTERS USING HORSES

If you are bringing a horse into Colorado from out of state, you must contact a veterinarian to get a Certificate of Health Inspection no more than 30 days before. Horses need a Coggins blood test for equine infectious anemia within a year before coming to Colorado. Call the Colorado State Veterinarian's office, 303-869-9130. Residents: Horses may require brand inspection before transportation. Call the brand inspector, 303-869-9160.

- a. Hand-held bows, including compound bows, must use arrows with a broadhead having a minimum of 7/8-inch outside diameter (width) and a minimum of two steel cutting edges. Each cutting edge must be in same plane for entire length of cutting surface.

8. CALLS

- a. Mechanical calls are legal, including mouth calls.
- b. Electronic calls, such as amplified audio players or smartphone apps, are prohibited for big-game hunting.

ILLEGAL ACTIVITIES

If convicted of these felony violations, you can face a lifetime license suspension:

1. **FELONY OFFENSE:** To kill and abandon big game. It is illegal to remove only the hide, antlers or other trophy parts and leave the carcass in the field.
2. **FELONY OFFENSE:** To sell, buy or offer to sell or buy big game.
3. **FELONY OFFENSE:** To solicit someone to illegally kill big game for commercial gain or provide outfitting services without required registration.

IT IS ALSO AGAINST THE LAW TO:

4. Have a loaded (in the chamber) rifle or shotgun in or on any motor vehicle. Muzzleloading rifles are considered unloaded if the percussion cap or shotshell primer is removed, or if the powder is removed from flashpan. It is illegal for anyone to have a loaded electronic-ignition muzzleloader in or on a motor vehicle unless the chamber is unloaded or the battery is disconnected and removed from its compartment.
5. Carry firearms (except handguns) on an OHV during deer, elk, pronghorn and bear seasons unless they are unloaded in the chamber and magazine. Firearms (except handguns) and bows carried on an OHV must be fully enclosed in a hard or soft case. Scabbards or cases with open ends or sides are prohibited. This does not apply to landowners or their agents who carry a firearm on an OHV to take depreddating wildlife on property they own or lease.
6. Establish a permanent structure or plant vegetation on CPW-owned land or waters. Only portable blinds and tree stands for big-game hunting can be erected on CPW land, and no more than 30 days prior to the season during which they will be used. No nails can be driven into trees. Man-made materials for blinds or stands must be removed within 10 days after the season they are used in ends. The owner's Customer Identification (CID) number and dates of use must be visible on outside of portable blinds or underside of tree stands. Placement of blinds or stands does not reserve them for personal use; they may be used on first-come, first-served basis.
7. Hunt carelessly or discharge a firearm or release an arrow disregarding human life or property.
8. Operate or ride a snowmobile with a firearm unless it's completely unloaded and cased, or with a bow unless it's unstrung or cased. Compound bows must be cased, not unstrung.
9. Shoot from or use a motor vehicle, motorcycle, off-highway vehicle, snowmobile or aircraft to hunt, intercept, chase, harass or drive wildlife.
10. Use aircraft to hunt, to direct hunters on the ground or to hunt the same day or day after a flight was made to find wildlife.
11. Use the Internet or other computer-assisted remote technology while hunting or fishing. This includes unmanned or remote-control drones used to look for wildlife. Hunters and anglers must be physically present in the immediate vicinity while hunting and fishing.
12. Hunt under the influence of alcohol or controlled substances.
13. Use artificial light as an aid in hunting.
14. Use poison, drugs or explosives to hunt or harass wildlife.
15. Fail to extinguish a campfire.
16. Fail to make a reasonable attempt to track and kill animals you wound or may have wounded. It is against the law to pursue wounded wildlife that goes on private property without first obtaining permission from landowner or person in charge.
17. Fail to reasonably dress, care for and prepare edible wildlife meat for human consumption. At a minimum, the four quarters, tenderloins and backstraps are edible meat. Internal organs are not considered edible meat.
18. Hunt with rifles, handguns or shotguns firing a single slug, or archery equipment within an area 50 feet on each side of the center line of any state highway or municipal or county road, as designated by the county.
19. Discharge any firearm or release an arrow from, upon or across any public road.

HUNTER ORANGE & PINK

HUNTERS MUST WEAR FLUORESCENT ORANGE OR PINK

Law requires hunters to wear at least 500 square inches of **SOLID DAY-LIGHT FLUORESCENT ORANGE OR FLUORESCENT PINK** material on an outer garment above the waist while hunting deer, elk, pronghorn, bear or moose with any firearm license. A fluorescent orange or pink hat or head covering, visible from all directions, is also required.

This includes all muzzleloader hunters. It also includes archery hunters who hunt during rifle season. Archers hunting during a limited bear season, hunting with an archery bear, deer, elk, pronghorn or moose license, or licensed for private land hunting through the Ranching for Wildlife program do not have to wear fluorescent orange or pink, but should consider wearing it to increase safety while in the field.

Auction- and raffle-license holders do not have to wear orange or pink when hunting with archery equipment when no rifle seasons are open. If using a ground blind or pop-up blind, hunters should display orange or pink that is visible from all directions on the outside of the blind.

CAMOUFLAGE ORANGE OR PINK DOES NOT QUALIFY!

Mesh garments are legal but not recommended. CPW strongly recommends wearing daylight fluorescent orange or fluorescent pink clothes in the field, even if you're not hunting. Wearing orange or pink is for hunter safety, as big-game animals don't see these colors like we do. Movement, sound and smell are what give hunters away.

20. Party hunt (i.e. kill someone else's game or let someone kill yours).
21. Interfere with hunters. This includes distracting or frightening prey; causing prey to flee by using light or noise; chasing prey on foot or by vehicle; throwing objects; making movements; harassing hunters by using threats or actions; erecting barriers to deny access to hunting areas; intentionally injecting yourself into the line of fire. Violators face prosecution and may have to pay victim's damages and court costs.
22. For two or more people on the ground, in a vehicle or vessel to use electronic devices to communicate information that violates any wildlife law or regulation.
23. Use dogs.
24. Hunt big game over bait, whether or not the person hunting personally placed the bait. Bait means to put, expose, distribute or scatter salt, minerals, grain, animal parts or other food as an attraction for big game. Salt or mineral blocks used for normal agricultural purposes are not considered bait. Scent sticks that smell like food are illegal for bears.
25. Kill cubs or bears accompanied by one or more cubs. A cub is a bear less than a year old.
26. Hunt bears in their dens.
27. Have a carcass, hide, skull, claws or parts of bears or mountain lions without a valid hunting license or unless authorized by CPW.
28. Sell, trade, barter or offer to sell, trade or barter bear gall bladders or edible portions of bears.
29. Hunt on private land without first obtaining permission from landowner or person in charge.
30. Post, sign or indicate that public lands, not under an exclusive-control lease, are private.
31. Use State Land Board properties not leased and signed by CPW without permission of lessee.

BAG LIMITS

- LIMITED LICENSES:** You can submit only one application in the drawing per species, per license year.
- BAG LIMITS, LICENSE PURCHASES:** The bag and possession limit is the total number of animals you can legally take of each species. Big game taken in Jan. and Feb. seasons set as part of the previous license year's seasons fall under the previous year's bag and possession limit. When a license allows hunting in more than one unit, the unit in the hunt code determines the maximum number of licenses a hunter can obtain per year for that species.
- MOOSE:** The lifetime bag limit for bull moose is one, except for auction, raffle or special management licenses.
- COYOTES:** You can hunt coyotes without a small-game license during big-game seasons if you have an unfilled big-game license. You can hunt coyotes only in the same unit, season and manner of take as on your big-game license. Once you fill your big-game license, you must buy a small-game or furbearer license to hunt coyotes. Harvesting a coyote does not void your big-game license.

CARCASS TAGS

- You must attach a carcass tag to animals you harvest per instructions on tag. Tags must be signed, dated and detached from the license immediately upon harvest. *See image below for where to sign.*
- The carcass tag should be attached to the carcass (not to detached hides, horns, antlers or carried separately) immediately prior to and during transportation in any vehicle, or while in camp or at a residence or other place of storage. Tags must stay on until meat is processed and remain with meat until consumed.
- The carcass tag, when dated, signed and attached to the species lawfully taken or killed and lawfully in possession, authorizes the possession, use, storage, and transportation of the carcass, or any part thereof.
- It is illegal to sign or tear the tag before harvesting an animal.**
- Do not remove any parts of a license except the carcass tag after harvest. Doing so voids the license and you must buy a duplicate. **The upper part of the license must be kept by whoever harvested the animal.**
- If you lose, accidentally destroy or detach the tag, you must buy a duplicate from a CPW office before hunting and prove the loss, detachment or destruction was accidental.
- If you have a nonresident big game/fishing combo license, the fishing license is valid after the carcass tag is detached, as long as the rest of the license is intact.

- Review all information on your license and sign here as soon as you receive it.

Carcass tag portion of hunting license

- Detach and sign the carcass tag only **AFTER** harvesting your animal. You must then attach the tag to the carcass.

Hunting license

EVIDENCE OF SEX

- It is illegal to have or transport a big-game carcass without evidence of sex naturally attached. It is illegal to have only detached evidence of sex accompany the carcass. If you submit a deer or elk head for CWD testing, leave evidence of sex on the carcass.
 - EVIDENCE OF SEX IS:**
 - BUCK/BULL:** Head with antlers or horns attached to carcass; or testicle, scrotum or penis attached to carcass.
 - DOE/COW:** Head, udder (mammary) or vulva attached to carcass.
 - BLACK BEAR:** Male: testicles or penis. Female: vulva.
 - Heads detached from carcass are not adequate evidence of sex.
 - If a carcass is cut in pieces or deboned, evidence of sex needs to be attached to a quarter or another major part of carcass. All portions must be transported together.
 - Evidence of sex is not required if a donation certificate accompanies less than 20 pounds of meat or after the carcass is cut into processed meat, wrapped and frozen, or stored at licensee's home.
- TIP:** If you shoot a young buck or bull with antlers less than 5 inches long, it can be considered "antlerless." But what do you do about evidence of sex?
- Leave the head and antlers naturally attached to a portion of the carcass to prove it meets the requirement.
 - Leave the testicles attached to a portion of the carcass, and then you can detach the head or skull plate and carry it out with the antlers intact.

TRANSPORTING GAME

- You can be cited for illegally transporting game animals even if someone else made an error. When you transport carcasses or processed meat:
 - Carcasses must be properly tagged. You must meet evidence of sex and antler-point requirements. Hunters must keep their own license.
 - Carcass tags or donation certificates (*for 20 pounds of meat or less*) must accompany processed game meat.
- Carcass tags must be securely attached to carcass, not antlers or horns, or must accompany processed meat.
- To ship by commercial carrier, the license, photocopy of license, carcass tag or donation certificate must accompany carcass or processed meat.
- Hunters transporting game through national parks or monuments must follow federal regulations. Contact the National Park Service.
- Nonresident hunters should follow their home state regulations in place for transporting harvested deer, elk or moose back from a state known to have CWD.

DONATING GAME MEAT

Donation certificates are required for all game-meat donations. Certificates must show names, addresses and telephone numbers of donor and recipient; donor's hunting license number; species and amounts donated; date of kill; donor's signature. The certificate can be a simple note; no special form required. It must stay with the meat until completely consumed. Donor and recipient are subject to bag and possession limits. **NOTE:** A "like license" is a license for exactly the same species, sex, season and method of take as a donor's license.

- You can donate to someone **WITH** or **WITHOUT** a like license:
 - any amount of processed and packaged game meat, anywhere.
- You can donate to someone **WITHOUT** a like license:
 - up to 20 pounds of unprocessed meat, anywhere.
 - more than 20 pounds of unprocessed meat, only at recipient's home.
- You can donate to someone **WITH** a like license:
 - up to 20 pounds of unprocessed meat, anywhere.
 - more than 20 pounds of unprocessed meat, anywhere, only if:
 - recipient's license is unfilled, and
 - recipient's carcass tag is on the meat. This establishes recipient's claim to his/her portion of meat and voids his/her license. Donor's tag must remain with his/her portion.
 - the entire carcass, if:
 - recipient's license is unfilled, and
 - donor's carcass tag and recipient's like-license carcass tag is on the meat, voiding both licenses.

Read the step-by-step guide to creating your profile, or watch the how-to video online at cpw.state.co.us/cpwshop. Your Account Summary page will show your preference point levels, active products and orders.

► **EXISTING CPW CUSTOMERS: LOOK UP** your existing customer record: Go to cpw.state.co.us and click "Buy and Apply." Do **NOT** create a new profile or duplicate account. You'll need a **UNIQUE IDENTIFIER**, such as your driver's license or Customer Identification number (CID), and your **DATE OF BIRTH** to look up your account. The email in your profile will be used by CPW to send you draw results, payment verification and other notifications, so please be sure your contact information is kept current and accurate!

► **NEW CPW CUSTOMERS:** Visit cpw.state.co.us and click "Buy and Apply" to create an account. You can also call 1-800-244-5613 or go into any CPW office to get a CID number. You will then receive your Customer Identification number (CID). As required by law, if you're planning to go hunting or fishing, you'll need to enter some additional information, including your social security number. The email in your profile will be used by CPW to send you draw results, payment verification and other notifications, so please be sure your contact information is kept current and accurate!

► **APPLY FOR THE DRAW:** Online: cpw.state.co.us and click "Buy and Apply"; by phone: 800-244-5613. If you are ages 18–64, one 2019 (or lifetime) Habitat Stamp is required and will automatically be added to your qualifying license purchase, if applicable. When you submit your application, you will **ONLY** be charged the application processing fee per species. Your credit card information will be kept on file and **ONLY** charged the license fee if you receive a license from the draw. If you opt in to pay the new Rocky Mountain bighorn sheep, mountain goat and moose preference point fee, your credit card will be charged if you are unsuccessful in the draw.

► **GROUP APPLICATIONS: THE GROUP LEADER MUST APPLY FIRST.** All group members must enter the same person as the leader in order to go through the draw as a group. See more details on page 18 and get the step-by-step group application guide online: cpw.state.co.us/cpwshop

REFUNDS, REISSUES, EXCHANGES

1. Check our website for the most current information: cpw.state.co.us/refunds
2. Application fees, the \$10 Habitat Stamp fee, qualifying licenses, and preference point fees are nonrefundable.
3. If you drew a license you would like to return, payment for the license is still required first. You can then return it for a refund or preference point restoration. You must relinquish your license and carcass tag at least **30 days before opening day of the season for which the license is valid.** License must be accompanied by a completed request form obtained at a CPW location or the website. Most refunds are subject to a \$15 processing fee. Preference points are reinstated to a pre-draw level, you do **NOT** receive an additional preference point for 2019.
Requests must be postmarked at least **30 days** before the season starts. If there isn't enough time to request a form, mail your license and carcass tag with a letter to CPW. It must be postmarked 30 days before the season for which the license is valid starts and mailed to CPW, attn: Refund Office, 6060 Broadway, Denver, CO 80216. A license cannot be recovered once it has been returned to CPW along with a refund or preference point restoration request form.
4. Once there are fewer than 30 days until the season starts, refunds or preference point restorations are limited to extreme medical circumstances of the licensee, death of the licensee or death of the licensee's immediate family member, members of the U.S. military whose service prevented them from requesting a refund or reinstatement on time, or jury duty which overlaps with the season dates on the license.
These requests must be accompanied by evidence that the license has not been used, **AND** the circumstances that precluded the licensee from being able to make their request 30 days or more from season start.
5. All license exchanges will be charged a fee of fifty percent of the cost of the original license, not to exceed \$25. Exchanged licenses cannot be refunded. Read the full exchange policy here: cpw.state.co.us/lcpolicy
6. Limited licenses that are returned may be available for purchase on the leftover license sales list: cpw.state.co.us/leftover

NEW REVERSALS: BY 5 P.M. MT ON JUNE 14

- Hunters who are successful in the draw but whose hunting plans have changed can now call CPW at 303-297-1192 to have their license reversed instead of returning it through the process described above.
- Hunters will not have to submit the refund paperwork or pay the \$15 refund fee if they call to request a reversal by the deadline of 5 p.m. MT on June 14. After this deadline, the refund process will be the same as usual (see above).
- Once a license is reversed, the process cannot be undone.
- Reversed licenses will be made available for reissue.

HOW TO READ HUNT CODES

HUNT CODES CONTAIN A LOT OF INFORMATION.

Learning how to read hunt codes can ensure that you apply for the right hunt in the limited license drawing each year. Here's a quick how-to:

- 1. THE FIRST LETTER** of the code designates the species: **D=deer; E=elk; A=pronghorn; M=moose; B=bear**
- 2. THE SECOND LETTER** of the code designates the sex of the animal you want to hunt: **M=male; F=female; E=either sex**
- 3. THE THIRD PART (THREE NUMBERS)** designates the unit you want to hunt: **001=Unit 1; 201=Unit 201; etc.** If more than one unit is valid, only the lowest unit number will appear.
- 4. THE FOURTH PART (A LETTER AND A NUMBER)** indicates hunt dates. For example: **01=first season; 02=second season; 03=third season; etc.** P is for private-land-only hunts, followed by the season number: **P1, P2, P3, P4 and P5. E1=early season; L1=late season; K2, K3=youth-only hunts.** There are also **Ws** or **Js** for Ranching for Wildlife, and **S** for a split unit or season choice license.

NOTE: Be aware that the zero (0) in the hunt units and the letter "O" in the season section look very similar!

- 5. THE LAST LETTER** in the hunt code indicates what manner of take the license is valid for: **A=archery; M=muzzleloader; R=rifle and associated methods**

HOW TO READ HUNT CODE TABLES

HUNT TABLES SHOW THE LIMITED LICENSES AVAILABLE.

These are available through the draw or as leftover licenses. (Some hunt tables on pages 58–59 in the bear section include hunt codes for over-the-counter licenses. These are not available through the draw.)

- 1. THE TITLE** above each table indicates the method of take for the hunt codes within that table. Start here to find the method of take you wish to use. Tables are color coded the same throughout the brochure.
- 2. THE UNIT COLUMN** is where you will look next to locate the game management unit you wish to hunt. Please read the unit tables carefully. Some licenses are valid in one unit only, while others are valid in multiple units.
- 3. THE VALID UNIT** column will also display information for each hunt and whether it is private land or has other restrictions. If a hunt is labeled as private land, you should get permission from a landowner in that unit before you apply for that license. Here's how to tell where you can hunt:
 - ▶ If the hunt code for a certain unit is also valid in additional units, the **VALID UNITS** column will list all the units where you can hunt with that same license.
 - ▶ If a unit has the same hunt details and hunt codes as another unit, the chart will read **"SEE UNIT ___."** Look up the unit referred to for the correct hunt codes for your hunt.
- 4. THE DATES** column lists the applicable season dates when the license is valid. Please look at the rows carefully, as each unit may have multiple hunt dates.
- 5. THE SEX** column indicates which sex of animal can be hunted for that specific hunt code. Please read the information carefully because the sex of an animal that is hunt-able in a unit may have changed from previous years.
- 6. THE HUNT CODE** column displays the code you will use to apply for the license you desire. Read the information carefully, as there are many possible hunt codes associated with each unit, and they may have changed since the last time you hunted. Please see section above on how to read hunt codes.
- 7. THE LIST** column displays what type of license you are buying. There are opportunities to purchase more than one license during the year, as long as the licenses meet the requirements of being List A, B or C. For details, see How to Get More Than One License sections under the big-game species you'd like to hunt in the following brochure pages. When applying in the draw, **DO NOT** include the list letter on the application. You may submit only one application per species, per year.

OTHER HUNT TABLE SYMBOLS

- 1. A SQUARE BULLET (■)** in the **UNIT** column indicates there is a special note about that unit, displayed below the hunt code information (as shown with unit 12 above).
- 2. A PLUS (+)** in the **SEX** column indicates hunt codes for which an average of at least six preference points are needed for a resident to draw that license. This is only an average and does not guarantee a license will be drawn. These calculations are based on a 3-year period ending with the 2009 drawing.

HOW PREFERENCE & WEIGHTED POINTS WORK

PREFERENCE POINT HUNT CODE

Specific preference-point hunt codes are listed at the beginning of each species section in this brochure.

Entering this hunt code as a first choice on your application automatically awards you a point if you **OPT IN** to pay the preference point fee. If you **OPT OUT** of paying the preference point fee, you will not be charged the fee and you will **NOT** be awarded a preference or weighted point for 2019.

You can choose other hunt codes as your second, third or fourth choices. **Do not submit a separate application for preference points, or both applications will be disqualified.**

NEW If only applying for a point and you opt in to purchase a preference or weighted point, the credit card you keep on file in your CPW account will be charged \$50 (resident) or \$100 (nonresident) for moose, Rocky Mountain bighorn sheep and mountain goat. The application fee, \$10 Habitat Stamp fee (if applicable) and qualifying licenses are nonrefundable.

Hunters will have the option to opt out of purchasing a preference or weighted point (and will not be charged the preference point fee or acquire a preference point for these species) when filling out their draw application(s).

- 1. ONE PREFERENCE POINT IS AWARDED** to hunters who apply properly and are unsuccessful in drawing a license for a first-choice hunt code for big-game species in this brochure. You may apply for a preference point as your first-choice hunt code.
- 2. YOUTH** can apply for a point if they turn 12 in 2019.
- 3. IF YOU ARE ISSUED A FIRST-CHOICE LICENSE**, all accumulated preference points for that species become void and return to zero.
- 4. POINTS ACCUMULATE** until you draw a first-choice license. If an applicant fails to apply for a species or has not purchased a license for that same species during any given 10-year period, all accumulated preference points for that species become void.
- 5. PRIORITY** goes to those with the most points, except when the license quota or nonresident cap would be exceeded.
- 6. GROUP APPLICATION** priority is based on the member with the fewest points. *See section at right.*
- 7. SECOND-, third-, fourth-choice, over-the-counter and leftover licenses** don't use or generate points.

NEW 8. MOOSE, ROCKY MOUNTAIN BIGHORN SHEEP AND MOUNTAIN GOAT PREFERENCE AND WEIGHTED POINT FEE. If you apply for a preference point hunt code as your first choice or are unsuccessful in drawing your first choice hunt, you'll now be charged a \$50 resident or \$100 nonresident preference point fee. The fee is waived for youth, resident lifetime license holders and residents who are in the military on active duty outside Colorado.

You'll have the option to **OPT IN** or **OPT OUT** of paying the preference point fee while filling out your draw application(s). If you **OPT OUT**, you will not be charged the fee and will **NOT** acquire a preference or weighted point for 2019. This includes if you apply for a preference point hunt code as your first choice.

The preference point fee no longer applies to deer, elk, pronghorn, bear or desert bighorn sheep.

- 9. WEIGHTED PREFERENCE** increases your probability of drawing a moose, Rocky Mountain bighorn sheep or mountain goat license. It is calculated by converting your application number into a random draw number, then dividing that new number by the number of weighted points you have, plus one. This generates your draw order number. Applications are sorted by lowest draw order number to highest, with the lowest numbers drawing first. You can have a maximum of three points for each of these species. If you have three and you fail to draw a first-choice license, you receive weighted preference for these species, **NEW** for which you must pay the preference point fee.

- 10. CURRENT PREFERENCE POINT LEVELS** will be listed in your CPW account: Go to cpw.state.co.us and click "Buy and Apply."
- 11. PREFERENCE POINTS ARE NOT TRANSFERABLE.** Points are awarded for specific species, not for hunt codes, sex, unit(s), season(s) or method of take.
- 12. ACTIVE DUTY U.S. MILITARY** stationed in Colorado or who claim Colorado as their home of residence and are deployed outside the U.S. are eligible, when they return home, to apply for preference points for any limited license drawings they missed while deployed. Applications will be available at the end of July.

HOW TO APPLY AS A GROUP

- 1. GROUP HUNTS:** Group applications for any number of people are accepted for all big-game species in this brochure except moose. Group applications entering the draw for deer, elk, pronghorn and bear licenses have priority based on the group member with the **FEWEST** preference points. Group members must apply for the same species, hunt code, unit, geographic restrictions, season and method of take for each choice, but may apply for a different sex. All group members must have the same hunt code choices on their applications (other than sex). Each member must list the same first-choice hunt code and the same second-, third- and/or fourth-choice hunt-codes. These choices **MUST** be in the same order on all group applications. If anyone in the group makes an application error, such as providing false proof of residency, everyone in the group is disqualified.
- 2. CHOOSE A LEADER:** One person must be the group leader. **THE GROUP LEADER MUST APPLY FIRST**, by selecting "I am a group leader" on the application, prior to other group members submitting their applications. If the leader has no CID, they can create their profile online or call CPW to create one. If there are differences in the number or order of hunt codes on the applications, the leader's choices are used.
- 3. ENTER LEADER CID NUMBER ON ALL APPLICATIONS:** All group members must select "I am hunting in a group," and enter the group leader's CID number in the Group ID box to be entered as a group. *All group members must use the same person as the leader.*
- 4. HOW GROUPS ARE AWARDED LICENSES:** Groups are assigned a number. If that number is selected in the draw, everyone in the group gets a license. If the group is selected and there aren't enough licenses for everyone, the group will not get licenses. If the group includes resident and nonresident applicants and the nonresident cap has been met, the group will not get licenses. Group applications are not accepted for the leftover draw. Group members who choose the leftover draw will go through as individuals.
- 5. PREFERENCE POINTS, REFUNDS, NOTICES:** If everyone in the group is successful for their first choice, they all get a license and their preference points drop to zero. If unsuccessful for their first choice, everyone gets a point. Licenses and notifications are sent to each individual.

WHAT LICENSE DID YOU DRAW?

Can't wait to see what license you get in the mail? All big-game licenses will be mailed **JUNE 15-30**, but if you'd rather not wait to find out what you drew, you can find out through your online account:

- **GO ONLINE.** Log in to your account during the week of June 3-7: Go to cpw.state.co.us and click "Buy and Apply."
- **VIEW YOUR DRAW RESULTS.** You will be able to see your draw results for the last several years, information on the species you've applied for, if you were successful or not, the license you'll be mailed and your preference point levels.

NOTE: If you like surprises and prefer to wait until you receive your license in the mail, make sure you open it immediately and verify that all information is correct and that you are familiar with all of the restrictions related to the species and unit(s) you will be hunting.

Be sure to then sign your license if everything is correct; see page 15 for information on licenses and carcass tags.

SEASON CHOICE LICENSES

ARCHERY, MUZZLELOADER, RIFLE

- ▶ Season Choice licenses are available for hunting deer in units specified in the table at right.
- ▶ Hunters may use these licenses to hunt in any or all of the seasons in the specified units until their tag is filled.
- ▶ All season restrictions — including dates and method of take — apply to these hunts. Hunters must adhere to the dates listed in this table for each method of take.

NEW ▶ **NOTE:** All deer harvested with a Season Choice license are also included in CWD mandatory testing, regardless of the season the deer was harvested. Get more information about where and how to submit a CWD sample at cpw.state.co.us/cwd. Also see page 12 of this brochure for more about CWD.

NOTE: Even though season choice hunt codes end with an R, rifles can only be used during the rifle dates in the table.

WHITETAIL ONLY: OVER-THE-COUNTER LICENSES

LATE RIFLE SEASON

► **NEW NOTE:** All deer harvested with a white-tail-only limited rifle license (*hunt code table on page 31*) are also included in CWD mandatory testing. Get more information about where and how to submit a CWD sample at cpw.state.co.us/cwd. Also see page 12 of this brochure for more about CWD.

WHAT CAN I EXPECT?

These over-the-counter licenses provide an opportunity to hunt white-tailed deer in a portion of the state where mule deer are the primary species of management interest.

This means there are few white-tailed deer in the area, and hunters can expect to see more mule deer than white-tailed deer when hunting in these GMUs.

WHERE ARE THE WHITETAILS FOUND IN THIS SEASON?

White-tailed deer in these GMUs can be most commonly found along lower-elevation river bottoms.

Hunters should focus on these areas to improve their chances of finding white-tailed deer. Much of the white-tailed deer habitat is located on private lands where permission is required prior to hunting.

WHAT METHOD OF TAKE CAN I USE?

The license is valid for any legal method of take. However, because this is a rifle season, hunters are required to follow blaze orange or pink requirements (*see page 14*), regardless of the type of weapon used.

Some public properties prohibit the use of rifles and/or muzzleloaders. Check property regulations to determine what types of weapons are legal before going afield.

WHAT IS THE BEST WAY TO IDENTIFY A WHITE-TAILED DEER?

The best way to tell the difference between a white-tailed deer and a mule deer is the tail.

White-tailed deer tails are broad and brown from top to bottom with a white fringe. Mule deer have a white rump patch and tail, with a black tip on the tail.

See chart at right for further comparison.

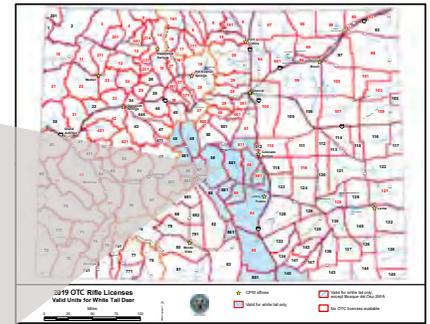

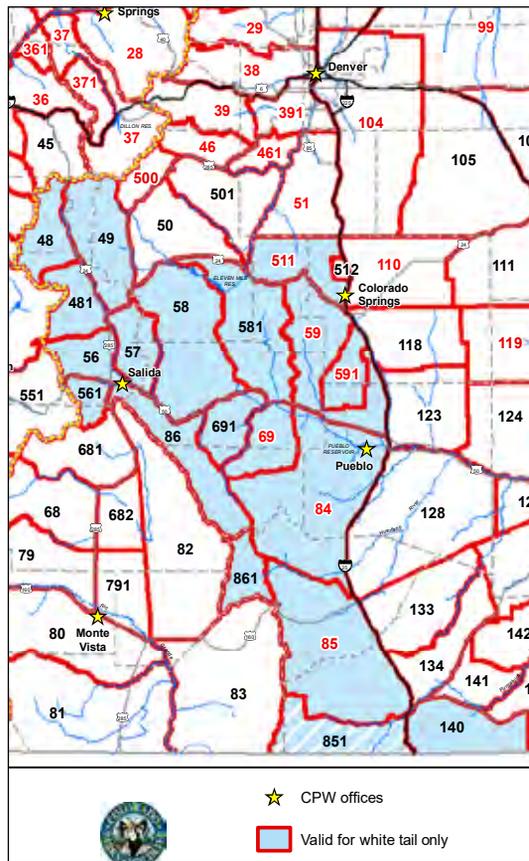

CAN'T I JUST LOOK AT THE ANTLERS?

Antlers differ between the species, but are not a reliable distinguishing characteristic between white-tailed deer and mule deer.

WHAT IF I SHOOT A MULE DEER ACCIDENTALLY?

Hunters must be certain of their target to avoid killing a mule deer with a whitetail-only license.

However, accidents happen. Please report any mistaken kills immediately to the nearest CPW office (*listed on the inside front cover of this brochure*) or the District Wildlife Manager in the area. See the "Accidental Kill" section on page 12 for more details.

LICENSES: Either Sex

DATES: Dec. 1–31

LIST: B

VALID UNITS:

48, 49, 56, 57, 58, 59, 69, 84, 85, 86, 140, 481, 511, 561, 581, 591, 691, 851 *except Bosque del Oso SWA, 861*

These licenses are sold only at CPW offices and state parks that sell hunting licenses. Hunters will receive more information about whitetail identification when a license is purchased. These are unlimited in number and **go on sale starting at 9 a.m. AUG 8.**

Unit numbers in red indicate chronic wasting disease (CWD) has been detected in that unit.

ATTENTION HUNTERS:

Whitetails are at low-density populations in this area and are mostly found on private land.

IDENTIFYING WHITETAIL VS. MULE DEER

WHITE-TAILED DEER

- **PRIMARY CHARACTERISTIC — THE TAIL:** The first thing to look for is the tail. It's broad and brown with white fringe, all white when tail is up
- **ANTLERS:** consist of one main beam with three to five tines pointing upward. *Caution:* Mule deer with small antlers may appear to have a similar antler formation.
- **EARS:** smaller in proportion to head
- **GAIT:** a graceful lope, flag-like tail often held up
- **RANGE:** common on Eastern Plains, in streamside wooded areas and cropland along rivers

MULE DEER

- **TAIL:** rope-like tail with black tip
- **ANTLERS:** fork and fork again — often very evenly — on older males
- **EARS:** large in proportion to head on both bucks and does
- **GAIT:** stiff-legged bounce, tail held down
- **RANGE:** statewide, in mountain shrubs, foothills, communities

TABLE SYMBOLS

- ▶ **A PLUS (+)** in the SEX column is for hunt codes for which an average of at least six preference points are needed for a Colorado resident to draw that license. This is only an average and does not guarantee a license will be drawn. Calculated on a 3-year period ending with the 2009 drawing.

DEFINITIONS

- ▶ **SPECIES IDENTIFICATION PAGE.** See page 10.
- ▶ **BULL (ANTLERED):** A male animal with antlers at least 5 inches long. See "Antler Point Restrictions" to the right.
- ▶ **COW (ANTLERLESS):** A female animal with no antlers. Antlerless can also mean a young male with antlers less than 5 inches.
- ▶ **EITHER SEX:** A legal bull or cow.

PREFERENCE POINTS

To apply for a point, enter **E-P-999-99-P** as your first-choice hunt code on your application.

You can gain a preference point as a first choice on your application to use another year. You can use your second through fourth choices on the same application to apply for a license. Submit only one application per species, per year.

NEW All big game species, except for moose, Rocky Mountain bighorn sheep and mountain goat, no longer have a preference point fee. The application fee, \$10 Habitat Stamp and qualifying licenses are nonrefundable. For more, see "How Preference Points Work" on page 18.

TAXIDERMMY

If you leave the head of your harvest with its antlers at a taxidermist, you are encouraged to get a receipt from the taxidermist — with date delivered and a description of the antlers — before you take the carcass home or to a commercial processor.

HANDLING ANTLERS IN CAMP

Head or skull plate, with both antlers naturally attached, must accompany the carcass of bulls in camp or in transit, even when the scrotum or testicles are used as evidence of sex.

HOW TO GET MORE THAN ONE ELK LICENSE

PRESERVE. CONSERVE. ENJOY.
LEAVE NO TRACE

Hunting is a great American pastime that helped shape many of our first public lands. **THE LEAVE NO TRACE PRINCIPLES** tell how to minimize your impact while hunting:

- 1. PLAN AHEAD AND PREPARE:** Get permission to hunt private land, respect road closures, leave gates as found.
- 2. TRAVEL AND CAMP ON DURABLE SURFACES:** Good campsites are found, not made.
- 3. DISPOSE OF WASTE PROPERLY:** Pack it in, pack it out.
- 4. LEAVE WHAT YOU FIND:** Sight-in firearms away from hunting areas, do not use signs for target practice.
- 5. MINIMIZE CAMPFIRE IMPACTS:** Use an established fire ring or fire pan, and don't put trash in the fire pit.
- 6. RESPECT WILDLIFE:** Never feed wild animals, store your camp food and trash securely.
- 7. BE CONSIDERATE TO OTHER VISITORS:** Be aware of the direction you shoot and be courteous to others you see.

The Center respects the tradition of hunting on public lands, expects hunters to abide by state game and hunting laws, and encourages hunters to adhere to the Leave No Trace ethic.

You can use your second through fourth choices on the same application to apply for a license. Submit only one application per species, per year.

NEW All big game species, except for moose, Rocky Mountain bighorn sheep and mountain goat, no longer have a preference point fee. The application fee, \$10 Habitat Stamp and qualifying licenses are nonrefundable. For more, see “How Preference Points Work” on page 18.

TIPS FOR SAFELY HANDLING GAME MEAT

- Most of the time, properly handled and prepared game meat poses no greater risk than domestic meat of causing or carrying disease that could make humans sick. Hunters are encouraged to contact their local public health department or CPW office for information on wildlife diseases where they plan to hunt. Public health officials recommend the following precautions when handling and preparing game meat:
1. Do not handle animals that are obviously sick or found dead. Report sick or dead animals you find to a CPW office near you.
 2. Keep game cool, clean and dry.
 3. Do not eat, drink or smoke while dressing game.

4. Use disposable gloves when cleaning game.
5. Wash your hands with soap and water or use alcohol wipes after dressing game.
6. Clean all tools and surfaces immediately after use. Use hot soapy water, then disinfect with a 10 percent chlorine bleach solution.
7. Cook game meat to an internal temperature of at least 165° F to kill disease organisms and parasites. Juices from adequately cooked game meat should be clear.
8. Do not eat any raw portions of wild game.
9. Do not feed raw wild game to domestic pets.

DON'T FORGET: You can exchange your moose license for a different method of take **within the same unit**. Take your tag to a CPW location before Sept. 7 to exchange it to hunt in a different season. *The exchange fee still applies.*

MOOSE SEASON DATES

- ▶ **ARCHERY** SEPT. 7–29
- ▶ **MUZZLELOADER** SEPT. 14–22
- ▶ **RIFLE** OCT. 1–14

NEED TO KNOW

▶ **NEW MOOSE, ROCKY MOUNTAIN BIGHORN SHEEP AND MOUNTAIN GOAT NOW HAVE A PREFERENCE AND WEIGHTED POINT FEE:**

Draw applicants who are unsuccessful in drawing their first choice hunt, or who apply for a preference point hunt code as their first choice, will be charged a \$50 resident or \$100 nonresident preference point fee for Rocky Mountain bighorn sheep, mountain goat and moose. Youth do not have to pay the preference point fee.

Applicants will have the option to **OPT IN** or **OPT OUT** of paying the preference point fee while filling out their draw application(s). If they **OPT OUT**, they will not be charged the fee and will **NOT** acquire a preference or weighted point for 2019. This includes applicants who apply for a preference point hunt code as their first choice. **All other big-game species no longer have a preference point fee.** See pages 3 and page 18 for more details on preference points.

▶ **NEW NEW RESIDENT MOOSE HUNTS IN GMUs 53, 54 & 63:** The new hunts are available for resident archery, muzzleloader and rifle seasons for bull moose. See pages 54–55.

▶ **UNITS 1, 20, 38, 44, 45, 53, 54, 55, 63, 65, 68, 74, 75, 79, 201, 551 & 681** have low-density moose populations, and currently there is very little harvest history for these hunts. Some moose habitat occurs on private land, so be sure to get landowner permission before hunting.

▶ **THE LIFETIME BAG LIMIT** for antlered moose is one. All licenses available by draw. If you've harvested a bull, you may not apply for an antlered or either-sex license.

DEFINITIONS

- ▶ **SPECIES IDENTIFICATION PAGE.** See page 10.
- ▶ **BULL (ANTLERED):** A male animal with antlers at least 5 inches long.
- ▶ **COW (ANTLERLESS):** A female with no antlers. "Antlerless" also means a young male with antlers less than 5 inches long.

MANDATORY MOOSE INSPECTIONS

1. **ALL MOOSE LICENSE HOLDERS** must complete and return a harvest questionnaire provided by CPW within 30 days after their hunting season ends. Anyone who does not complete and return it, including those who were unsuccessful or did not hunt, will not be eligible for a future moose license or point.
2. **ALL MOOSE MUST BE SUBMITTED IN PERSON FOR INSPECTION** within five working days of harvest. A mandatory report will be completed during inspection. Hunters must submit the head of antlerless moose or head of antlered moose with antlers attached to a CPW office during normal business hours.
3. **TOOTH EXTRACTION IS MANDATORY.** An incisor will be extracted and retained to determine age. Heads must be unfrozen for inspection.
4. **VOLUNTARY CWD TESTING.** During inspection, hunters may choose to have their moose tested for chronic wasting disease. Testing cost is \$25.

HOW TO GET MORE THAN ONE MOOSE LICENSE

ATTENTION: You may submit **ONLY ONE** application per species each year. Additional licenses for the same species must be obtained as leftovers, over-the-counter or special licenses issued by CPW.

PREFERENCE POINTS

- ▶ To apply for a point, enter **M-P-999-99-P** as your first-choice hunt code on your application. You can gain a preference point as a first choice on your application to use another year. You can use your second choice on the same application to apply for a license.

- NEW** ▶ **If you apply for a preference point hunt code as your first choice or are unsuccessful in drawing your first choice hunt, you'll now be automatically charged a \$50 resident or \$100 nonresident preference point fee.**
- ▶ **You'll have the option to OPT OUT of paying the preference point fee while filling out your draw application(s), and therefore will not be charged the fee and will NOT acquire a preference or weighted point for 2019. This includes if you apply for a preference point hunt code as your first choice.**

- ▶ If you apply for a point only, your credit card on file will be charged after the draw. The application fee, \$10 Habitat Stamp and qualifying licenses are nonrefundable. If your card can't be charged, you will get an email notification. If you don't pay by the payment deadline (June 21), you will forfeit your preference point for 2019.

MOOSE LICENSE DRAWS USE WEIGHTED PREFERENCE POINTS

There are three species of big-game animals that use the weighted preference point system to award licenses in Colorado: moose, Rocky Mountain bighorn sheep and mountain goat.

Weighted preference increases your probability of drawing and applies to both bull and cow licenses. Here's how it works:

Hunters can only accumulate up to three points for moose. If you have three preference points and you fail to draw a first-choice license, you will receive weighted preference.

Weighted preference is calculated by converting your application number into a different, random application number, then dividing that new application number by the number of weighted points you have, plus one. Individuals with three preference points and no weighted preference will have their application number divided by one.

This generates a new application number. Applications are sorted by this new number from lowest to highest, and low numbers for each hunt code are awarded licenses.

NEW Note that the preference point fee for Rocky Mountain bighorn sheep, mountain goat and moose applies to preference points and weighted points.

PREFERENCE POINTS

To apply for a point, enter **B-P-999-99-P** as your first-choice hunt code on your application.

You can gain a preference point as a first choice on your application to use another year. You can use your second through fourth choices on the same application to apply for a license. Submit only one application per species, per year.

NEW All big game species, except for moose, Rocky Mountain bighorn sheep and mountain goat, no longer have a preference point fee. The application fee, \$10 Habitat Stamp and qualifying licenses are nonrefundable. *For more, see “How Preference Points Work” on page 18.*

HOW TO GET MORE THAN ONE BEAR LICENSE

ATTENTION: You may submit **ONLY ONE** application per species each year. Additional licenses for the same species must be obtained as leftovers, over the counter or special licenses issued by CPW. Hunt tables on the following pages show whether each bear license is List A, B or C.

GET 1 LICENSE LIST A	A	▶ Check the hunt tables for List A licenses
GET UP TO 2 LIST B	A+B or B+B	▶ Private-land-only licenses ▶ Check the hunt code tables on the following pages for List B bear licenses.
GET ANY NUMBER LIST C IN ADDITION TO ANY LIST A OR B LICENSES	A+B+C+C... / B+B+C+C...	▶ Over-the-counter licenses for hunt code B-E-087-U6-R ▶ Game-damage, population-management or disease-management licenses ▶ Ranching for Wildlife licenses held for youths or hunters with mobility impairments ▶ One TIPs reward program license a year NEW ▶ Check the hunt code tables on the following pages for List C private-land-only bear licenses.

HOW TO GET THEM:

- ▶ **LIST A & B:** You may purchase **ONE** through the draw, or **ONE** or **BOTH** as leftover licenses, at sales agents, CPW locations or online while supplies last.
- ▶ **LIST C:** These are issued by CPW locations when available.
- ▶ **OVER-THE-COUNTER WITH CAPS:** Sold at sales agents, CPW locations and online. After the season opens, these are only sold at CPW locations.

RANCHING FOR WILDLIFE — LIMITED LICENSES (DRAW)

COLORADO RESIDENTS ONLY. Hunting rules differ for every ranch. All legal methods of take are permitted, except when specifically restricted. Read ranch rules at cpw.state.co.us/rfw before applying.

UNIT	DATES	SEX	HUNT CODE	LIST
BUFFALO HORN RANCH 11, 211	Oct. 2–16	Either	B-E-011-W1-R	A
TWIN PEAKS RANCH 85	Oct. 15–29	Either	B-E-085-W1-R	A

MANDATORY BEAR INSPECTION & SEALS

Hunters must personally present bears to a CPW office (*listed on the inside cover*) for a free inspection, check report and sealing within five working days after the kill.

Bear heads and hides must be unfrozen when presented for inspection. Seals must be attached to the hide until tanned.

Contact the nearest CPW office or CPW officer for inspection and sealing.

At inspection, CPW is authorized to extract and keep a premolar tooth. If the head and hide are frozen, CPW may keep them long enough to thaw so that a tooth can be removed. Hunters can help by making sure

the jaw is propped open with a stick before rigor sets in.

Bears cannot be taken out of Colorado until hide and skull are inspected and sealed. Having a bear hide without a seal after the five-day period is illegal, and the hide becomes state property.

To transport a bear or parts to a foreign country, you must first obtain CITES documents. Contact the U.S. Fish and Wildlife Service, 303-342-7430. Do not call the U.S. Fish and Wildlife Service about inspections or seals for bears.

NOTE: There are no archery or muzzleloader hunts for bear available in the draw: See pages 58–59 for over-the-counter licenses.

Map boundaries are approximate. The map is an aid to apply for the correct unit, NOT to be used in the field as an indicator of unit boundaries. See the unit descriptions on pages 61–64 for specific unit boundaries.
