INTRODUCTION & OVERVIEW

Incredible views of Lake Henshaw, Palomar Mountain and the surrounding areas make this 11+ acre home site the perfect canvas to create your full-time residence or private weekend get-a-way. Situated on two legal lots with flexible A70 and A72 zoning, this serene Mesa Grande acreage is highly sought after and ripe with opportunity. Easily accessed off Highway 76 as well as Mesa Grande Rd, the property offers several home site options. An existing well and 10 thousand gallon holding tank are in place and septic approval is on file. Utilities are available in the immediate vicinity and paved, legal access to the property creates easy accessibility. The property corners are marked, and partial fencing is in place.

NATURAL SETTING

This home site is surrounded by thousands of acres of woodlands and grasslands – the foreground view to the north from the back patio is across miles of open space. Ancient oaks and rock formations in the general area give this site privacy and character. The surrounding area is sparsely populated with large ranches blending into a landscape of rolling hills and valleys. Wildlife is abundant in the area: deer and turkey, bobcats and fox roam freely, while raptors and other rare species of animals can still be found here because of the abundance of water and cover in this rural area.

AREA INFORMATION

Agriculture is still the dominant economic activity in the Santa Ysabel area. Horse and cattle ranches are the backdrop for the landscape of light residential development. Gaming and tourism are important financial contributors, signaling the transition from agriculture into a more varied and stable economic base in the immediate area. There are many fine restaurants and lodging accommodations in the surrounding area of this centrally, yet privately located property. This beautiful site is located a short distance off State Highway 76, with major shopping about 20 minutes driving time.

Recreation & Lifestyle

There are many recreational activities available in the area: the California Riding and Hiking Trail and the Pacific Crest Trail for riding, golfing at Warner's Ranch - which is presently undergoing a 50-million-dollar renovation, and Borrego Springs, hunting and fishing, dining, wine tasting along the nearby San Diego-Temecula wine country corridor, and a variety of other opportunities for each family member. The newly opened Santa Ysabel Open Space Preserve offers excellent riding trails connecting the Santa Ysabel, Wynola, and Julian communities. The famous Hale Observatory on Palomar Mountain is less than 30 minutes away.
