Lots shall be kept clean and in a neat and orderly condition and free of rubbish, debris or unsightly growth including grass over six inches (6") high. No trash or refuse shall be allowed to accumulate and remain on any lot. Trash shall be kept only in sanitary containers located in appropriate areas screened or concealed from public view. Firewood must be neatly stacked and no more than two (2) cords of wood may be stored on a Lot. Clotheslines are permitted only if enclosed by a privacy fence constructed in accordance with the requirements of Article III, Paragraph (8) of this Declaration. A written ten (10) day notice will be given to the Owner if any Lot is not properly maintained. The Declarant, the Declarant's successors and assigns, and/or the Association and their agents and representatives shall have the right to enter upon any Lot which fails to comply with this covenant for the purpose of cleaning, maintaining, restoring or repairing the Lot, the cost of which shall be billed to the Owner and which shall become a lien on the Lot if unpaid for more than thirty (30) days. If the exterior of the dwelling or other improvements or the landscape fails to meet with approval of the Committee, a written ten (10) day notice will be given to the Lot Owner. At the end of the ten (10) day period, if satisfactory arrangements to correct the deficiencies to the dwelling, other improvements and/or the landscaping have not been made with the Committee, corrective work will be contracted by the Declarant and/or the Association and be billed to the Lot Owner. If said bill is not paid within thirty (30) days, a lien may be filed against the Lot. Neither the Declarant, the Association nor any agency, employee or contractor thereof shall be liable (except for willful and gross negligence), for any damage, which may result from any such cleaning, maintenance, restoration, or repair.

Under extreme circumstances, that is circumstances under which the condition of the Lot and/or any residential dwelling or other improvements thereon pose a hazard to human health and safety and/or a residential dwelling is abandoned and/or deteriorated and/or uninhabitable and unsightly as reasonably determined by the Committee, the Owner of said Lot and improvements will be given, upon expiration of the initial ten (10) day notice, an additional fifteen (15) day written notice to make arrangements satisfactory to the Committee to correct the dangerous conditions existing on said Lot. In the event the Owner fails to correct the conditions or fails to make arrangements to correct the conditions to the satisfaction of the Committee, the Declarant, and their agents, successors, and assigns shall have the right to enter upon the Lot which fails to comply with this covenant for the purpose of correcting or repairing the dangerous condition which exists upon the Lot or demolishing any such improvements thereon as the Declarant or the Committee, in its sole discretion, deems appropriate, the cost of which shall be billed to the Lot Owner and will become a lien on the Lot if unpaid for

more than thirty (30) days. Neither the Committee, the Declarant, the Association, nor any agent, employee or contractor thereof shall be liable for damage, or other claims which may result from, or are associated with, any such repairing, maintenance, or demolition.

(21) Each lot shall have proper trash receptacles with lids or covers. All trash receptacles shall be kept inside or shall be kept in outdoor areas screened from view from roads, and Common Areas and shall be of such construction so as to prevent intrusion by animals.

(22) No farm animals, livestock, or poultry will be allowed within the Property, except that one horse may be kept on each lot, one acre or larger. Two (2) dogs and two (2) cats shall be permitted, provided they are not kept, bred or maintained for commercial purposes. When out-of-doors, pets must be either (i) fenced in, (ii) kept in a humane enclosure, approved by the Committee, or (iii) kept on leash. Owners are responsible for any and all cleaning after their animals. No pet shall be kept within the Property, which creates a public nuisance, and any such pet determined by the Association to be such a nuisance shall be removed therefrom within five (5) days of the date the Owner thereof is notified in writing of that decision.

(23) No ground fires shall be built or maintained on any Lot. Burning of trash within the Property is prohibited.

(24) No camping shall be permitted on any Lot, except such lots or tracts which may, from time to time, be set aside by Declarant or the Association, as courtesy camping areas, if any, for the benefit of all owners.

(25) General Contractor's signs and residential "For Sale" signs shall be permitted on improved Lots provided they are: (i) professionally prepared, (ii) not larger than 24" by 36" in size, (iii) staked to the ground, and (iv) in compliance with all rules and regulations of the Association as may from time to time be promulgated for issuance of a sign permit (the "Permit"). No sign of any kind may be posted (i) on a Lot prior to the issuance of a Permit, (ii) anywhere other than on the Lot described in the Permit, or (iii) on a Lot without a residence (or a residence under construction). A sign permitted by the Committee may remain on a Lot for a period of six (6) months from the date of issuance of the Permit. The Association shall have the right to remove any sign on any Lot if no Permit has been issued or if an issued Permit has expired. The Association may also issue rules and regulations limiting the number of Permits issued by the Committee at any time and from time to time to preserve the non-commercialization of the residential sections of the Subdivision. Lot owners who desire to sell their Lots and are unable to obtain a Permit may post a notice of the availability of a Lot for sale on the designated bulletin board at the Subdivision entry.

(26) Discharging of firearms or fireworks within the Property is prohibited.

(27) Hunting within the Property is prohibited.

(28) Oil, gas, mineral exploration, or mining operations on any Lot are prohibited.

(29) Parking on the streets within the Property by Owners or their guests and invitees is prohibited (other than occasional periods of less than four hours). All vehicles must be parked in a garage or on the driveway of a Lot; provided however, that, neither the driveway, nor front or back yards of Lots shall be used (i) to park or store (temporarily or permanently) trucks, damaged, wrecked, or inoperable cars, buses machinery, equipment, trailers, airplanes, boats, recreational vehicles nor (ii) to store lumber, supplies or other materials. Recreational vehicles may, however, be stored in a completely enclosed garage, which complies with the provisions of Article III, Paragraph 7 of this Declaration. This covenant does not preclude an Owner from performing minor repairs upon such vehicles owned by him or her and located in his or her driveway for not more than two (2) consecutive days, nor shall this covenant preclude the temporary parking of such vehicles on any such Lot by invited guests and visitors of an Owner for periods not exceeding two (2) days.

(30) No outdoor mercury vapor light shall be erected on any lot. No other offensive outdoor lighting shall be permitted on any Lot if such lighting shines on any other lot in the subdivision and is objected to by any of the other owners in the Subdivision.

(31) No newspaper boxes or receptacles may be located or constructed on any Lot.

(32) All posted traffic signs within the Property must be obeyed. Violations of any posted traffic signs will subject violators to such fines as the Association shall prescribe.

(33) Personal entrances from any road outside the boundaries of the Property to any Lot are prohibited. Perimeter fences may not be cut or removed by any party except by Declarant or the Association.

(34) No construction activity other than work performed on the inside of a closed-in residential dwelling is permitted between the hours of 8PM and 8AM.

(35) No above ground pools larger than six (6) feet in diameter are permitted on any Lot.

(36) No exterior radio or television antenna, satellite dish, or other receiver or transmitting device or any similar exterior structure or apparatus may be erected or maintained on any Lot without prior written approval by the Committee.

(37) No tree with a diameter in excess of ten (10) inches, as measured two (2) feet above ground level may be removed from any Lot within twenty (20) feet of the front and rear lot lines and ten (10) feet of the side lot lines without consent of the

Committee; provided, that such consent shall not be withheld for removal of trees necessarily required for the construction of a residential dwelling on a Lot.

(38) The lease or rental of an improved Lot shall not be considered to be a violation of this Declaration provided that the lease (i) is for not less than the entire Lot and all the improvements thereon, (ii) is for a term of at least three (3) months, (iii) will not be occupied by more than four persons unless all are members of the same family and (iv) is otherwise in compliance with the Association's rules and regulations. All leases shall be required to be in writing, and, prior to the commencement of any such lease, the Owner shall provide the Association with copies of such lease. The Association may evict tenants upon reasonable notice for a major violation or repeated minor violations of the provisions of the Bylaws, the Association's rules and regulations, or this Declaration. Lessors must pay to the Association the then current maintenance fees as a condition of the lease of a Lot. Lessees shall have the right to use the Common Areas only after their application for such privilege is approved by the Association and the Lessor shall have paid the applicable maintenance fees. Any lessee, approved by the Association, shall in all respects be subject to the terms and conditions of this Declaration and the rules and regulations adopted hereunder, including without limitation, payment of all applicable fees.

(39) There is reserved for Declarant, the Association, and their assigns, a twenty-five (25) foot wide utility and drainage easement along the front and rear Lot lines of each Lot and a twenty (20) foot utility and drainage easement along the side Lot lines of each Lot (unless otherwise designated on a duly recorded subdivision plat of a portion of the Property) for the installation and maintenance of utilities and drainage facilities. Within these easements, no structure shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities or which may change, obstruct or retard the flow of water through drainage channels in such easements. No utility company or other authorized entity using the easements herein referred to shall be liable for any damage done by them or their assigns, agents, employees, or servants to shrubbery, trees, or flowers, or to other property of an Owner situated within any such easement. The easement area of each Lot shall be maintained by the Owner thereof except for those improvements for which a public authority or utility company assumes responsibility.

IV. COMPLIANCE WITH PROVISIONS OF DECLARATION, BYLAWS AND RULES AND REGULATIONS

(1) Each Owner shall comply strictly with the provisions of these covenants and restrictions, the Declarations, the Bylaws, the Rules and Regulations and the decisions of the Association, adopted pursuant thereto and as the same may be lawfully amended from time to time. Failure and refusal after written notice to comply with any of the same shall be ground for (i) imposing fines, (ii) suspending voting rights or rights to use Recreational Facilities and Common Areas or, (iii) an action to recover sums due for damages or injunctive relief or both, and for reimbursement of all costs and attorney's

fees incurred in connection therewith and interest on all of such amounts at the highest lawful rate. Enforcement of these covenants and restrictions may be by any person or persons owning a Lot, by the Association or the Committee (through any of its members) or by the Delarant, against any person or persons violation or attempting to violate any covenant or restriction herein contained.

(2) The Association may levy a charge of \$10.00 per day against any Owner who is determined by the Association to be in violation of any of these covenants and restrictions. The Owner shall be notified in writing of the determination of the Association and the nature of the violation and shall be given ten (10) days from date of notification within which to correct such violation(s) or establish to the Committee's satisfaction that no violation exists. If the violation is not corrected within said ten (10) day period, the per day charge shall be assessed against the Owner beginning with the date of notification and shall accrue until such correction.

(3) Each and every Owner covenants and promises to pay to the Association, when due, any and all dues and fees assessed by the Association. Any dues and fees not paid within fifteen (15) days of their due date shall be in default and shall be subject to a late fee of fifteen dollars (\$15.00) or such other or additional amounts as may be set by the Association and permitted by applicable law. Each and every Owner covenants and agrees that the Association and its successors and assigns shall have a lien upon their Lot(s), inferior only to the lien for taxes and any duly recorded mortgages, to secure the payment of any dues and fees in default and any reasonable court costs and attorney's fees incurred in connection with the collection of same, and such lien shall be evidenced by the filing of a statement by the Association in the Public Records of Blanco County, Texas, as applicable, attesting to such default.

(4) No sale, transfer, lease or disposition of any Lot shall be consummated unless and until the name and address of the purchaser or transferee has been provided to the Association. The original Owner of a Lot shall remain liable for all fees and assessments hereunder until the new owner's name is entered into the Association's records.

(5) Violation of, or failure to comply with, the covenants and restrictions contained herein shall not affect the validity of any mortgage, bona fide lien or other similar security instrument which may be then existing on the Lot. Invalidation of any one of the covenants or restrictions contained herein, or any portion thereof, by a judgment or court order shall not affect any of the other covenants or restrictions herein contained, which shall remain in full force and effect. In the event any portion of this Declaration conflicts with mandatory provisions of any ordinance or regulation, promulgated by any governmental agency, which may have jurisdiction over the Property, then such governmental requirement shall control. Any deed or legal instrument (except mortgages or other similar security agreements) purporting to convey, transfer, or assign any interest in a Lot shall contain appropriate language to subject the land within such conveyance, transfer or assignment to these covenants and restrictions.

(6) This Declaration and the covenants and restrictions herein shall constitute covenants running with the land and shall be binding upon all persons and entities acquiring any Lot, whether by purchase, descent, devise, gift or otherwise, and each person or entity, by the acceptance of title to a Lot, shall thereby agree and covenant to abide by and perform all of the covenants and restrictions set forth herein.

(7) In addition to the covenants, restrictions and reservations stated above, the Property shall be subject to (i) a water assessment of \$1500.00 per Lot for the purpose of installing a central water system to bring water to the Lots, and (ii) a sewage tap fee of \$3900.00, per Lot for the purpose of installing a central sewer system to dispose of sewage from the Lots. The water assessment shall be due and payable to the Declarant, or its assigns on or before six (6) months after the Lot is conveyed by Rockin J Ranch, Ltd., a Texas Limited Partnership. The sewage tap fee shall be due and payable at the owner's request following completion of construction of the central sewage system and approval thereof by applicable governmental authorities. The payment of both the water assessment and the sewage fee shall be secured by a lien on the Lot which can be judicially foreclosed after it is 30 days delinquent. In case of foreclosure, all costs of suit, including reasonable attorney's fees, shall be paid by the Owner.

IN WITNESS WHEREOF, the Declarant has caused this instrument to be executed on the 28th day of September 2004.

Section 1. To provide for the acquisition, construction, management, maintenance and care of the Association's property.

Section 2. To provide for and assist in maintenance, preservation and architectural control of the Property and to promote the health, safety and welfare of the Owners and residents of the Property.

Section 3. To borrow money (if necessary) and to acquire (by gift, purchase, or otherwise), own, hold, improve, build upon, operate, maintain, convey, sell, lease, transfer, dedicate for public use or otherwise dispose of real or personal property in connection with the

affairs of the Association, subject to the terms and provisions of, and limitations and prohibitions within, the Texas Non-profit Corporation Act.
