## Property Description

Get out of town and enjoy the star filled sky! This beautiful 2 story log home set outside of Indianola has about all you could ask for in a country home. Once you step foot onto this property, your mind will reel with all the memories to be made here. With nearly 80 acres of diverse timber and a large pond, there are endless recreational possibilities. The well maintained home is a post and beam construction, featuring a stunning stone fireplace, oak hardwood floors, and a cozy loft for relaxing. An upstairs master provides a view overlooking the crop field, and a prime lookout for deer and turkey that frequent the property. Out back, an insulated shop provides storage for all the farm toys or projects one can dream up. Features include concrete floors, plenty of power outlets, and 2 powered doors. Whether you see yourself settled in a treestand this fall, fishing around the pond or kicking your feet up around the fire pit, this property may be the one you're searching for.
