

ROOF CERTIFICATION

CERTIFICATE

FIRE RATING/IMPACT RESISTANCE

Mfr's Ref. No. R8557

This certificate is issued for material manufactured by Mueller, Inc. Material traceable to the referenced invoice number bore a UL Classification Marking applied by Mueller, Inc. Mueller, Inc. is authorized under the Classification and Follow-Up Service of Underwriters Laboratories Inc. to furnish roofing systems materials Classified as to an External Fire Exposure Only and also Classified as to Impact Resistance, UL 2218, Class 4.

Only those products bearing the appropriate Classification Marking and the company's name, trade name, trademark, or other authorized identification should be considered as covered by UL's Classification Service and Follow-Up Service. The UL Classification Marking provides evidence of listing or labeling which may be required by installation codes or standards.
