Cabin in the Woods, Still Close to Town

Newly updated, 3012 sqft mountain home has 4 bedrooms & 3 baths. The recent renovations include new stainless steel appliances, new high quality carpet in den & master bedroom, updated light fixtures, a pellet stove in the living room, and new tile in the master bath. The living area is open and airy with the pellet stove and gas log insert sharing the handsome rock fireplace. Three bedrooms share a full bath upstairs and the master is located on the main floor. A half bath on the main floor is perfect for guests. There is also a detached 3+ car garage and work shop. 80% of the garage is insulated and heated with thermostats in two rooms and a third room for storage. The exterior of the home has been well cared for and was recently oiled. There is a great fenced run and set up for dogs and the yard is perfect for outdoor enjoyment with 3 covered redwood decks, and a sweet gazebo for picnics; enjoy the views and pristine mountain air.
