IRRIGATION

Property is located in People's Ditch Company. According to People's Ditch, for the 2019 crop year, the ditch delivery system is open from May 1st – September 1st. The cost of water for the property is equivalent to \$15 per irrigated acre, which is payable to People's Ditch by January in a given crop year. The additional water use charge for the property is \$55 per acre foot of delivered water from People's Ditch. Ditch water is delivered to the property via a 20 HP electric lift pump. According to People's Ditch, there are no additional assessments and restrictions for water use. The property does have any water shares or stock.

For supplemental water, the property has two (2) irrigation well. One (1) 60HP electric irrigation well, and a 640' deep well that was drilled in 2016 equipped with 100HP gear head and a diesel engine. The estimated combined flow for these wells was approx. 1,308 GPM as reported via pump test report dated 7/3/19.

SGMA

The Sustainable Groundwater Management Act passed in 2014, and requires groundwater basins to be sustainable by 2040 and requires Groundwater Sustainability Plans (GSP) by 2020. GSP(s) may limit the amount of well water pumped. For more information go to <https://water.ca.gov/Programs/Groundwater-Management/SGMA-Groundwater-Management>

SOILS

Other components with different ratings may occur in each map unit. The ratings for all components, regardless the aggregated rating of the map unit, can be viewed by generating the equivalent report from the Soil Reports tab in Web Soil Survey or from the Soil Data Mart site. On-site investigation may be needed to validate these interpretations and to confirm the identity of the soil on a given site.

TECH AG FINANCIAL GROUP, INC.

Tech Ag Financial Group was founded in the spring of 2001 with the purpose of helping Central Valley growers compete in today's global market. The Group takes a dynamic approach by drawing upon almost a century of family farming experience and Ag-business expertise to help growers remain profitable in a constantly changing economic environment.

Locally owned, with offices in Bakersfield and Buttonwillow, California, our staff includes Ag-business professionals, accredited land consultants, and loan officers with an extensive knowledge base for the successful completion and management of real estate investment opportunities across a wide range of agricultural commodities.

At Tech Ag Financial Group, we can assist our clients in a wide variety of Ag-related areas including real estate brokerage, investment, tenant sourcing, leasing agreements, and crop production financing and operating lines of credit.
