If such instruments and documents are not delivered, or if the Board of Directors determines, in its sole discretion, that such vote was not properly authorized, the vote submitted for such Tract shall be deemed to be an abstention.

**7.2 Turnover.**

**7.2.1** At any time after commencement of operations of the POA, at Declarant's sole discretion, the Owners may be required to take over the management of the POA and relieve Declarant of all duties associated therewith (the "Turnover"). In the event the Owners fail to elect a new Board of Directors by the Turnover date, Declarant may, but shall not be obliged to, appoint three (3) or more Owners to serve as an interim Board of Directors until such time as the Owners elect a new Board of Directors. Turnover of the POA shall occur on the Turnover Date specified in the Turnover Notice, whether or not a new Board of Directors is elected by the Owners by the Turnover date, and whether or not an interim Board of Directors is appointed by Declarant.
- 7.2.4 The POA shall at all times from and after Turnover indemnify and hold Declarant, its officers and partners, harmless from and against any and all liability, claims or damages of every kind, arising either out of the operation of the POA or the development and operation of the Subdivision, whether before or after such Turnover, including, without limitation, the Common Areas. Additionally, Declarant, its officers and partners, shall not be held liable in any way in its role in enforcing or failing to enforce any of the Protective Covenants, in protecting its rights or in carrying out any of its duties or obligations. This indemnification by the POA of Declarant shall include the POA's payment of any and all expenses incurred by Declarant, its officers and partners, including the payment of any and all legal expenses, court costs, and all other costs associated with the protection and / or defense of Declarant, its officers and partners, in any legal actions or proceedings or any other action of any kind.
- 7.2.5 Upon written request made by Declarant to the POA, which request may be made at any time after the date hereof, the POA shall obtain and maintain in effect at all times, at the POA's expense, Commercial General Liability Insurance with limits of liability, reasonably acceptable to Declarant, but not less than \$1,000,000.00 per occurrence and \$2,000,000.00 aggregate single limit. Such insurance:

The POA shall not cancel any insurance policy obtained in accordance herewith without giving Declarant at least thirty (30) days prior written notice. The POA shall maintain such liability insurance until the later of (a) the date all of the Common Areas are turned over to the POA, (b) the date management of the POA has been turned over to the Owners, or (c) the date Declarant no longer owns any interest in any part of the Subdivision.

- 7.3.2 The annual and special assessments, and reserve fund assessments together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time the assessment fell due. The personal obligation for delinquent assessments shall pass to any successors or assigns in title.

**7.4 Purpose of Assessments.** The assessments levied by the POA shall be used to promote the recreation, health, safety, and welfare of the residents and Owners of the Property, for the improvement and maintenance of the Common Areas, for expenses associated with the maintenance of the Wildlife Management Program as authorized by the Declarant or by the POA, for the enforcement of the Protective Covenants, and for the general and administrative expenses of the POA. These expenses may include, without limitation, payment of taxes and insurance, construction, repair or replacement of Common Areas and Improvements thereon, cost of maintaining facilities, wildlife censusing and other activities according to the Wildlife Management Program, cost of trash and debris clean up, street and lot cleaning, cost of professional or other outside services, and labor, equipment, materials, outside management and supervision necessary to carry out its authorized functions. **7.5 Annual Assessment.** Until adjusted in accordance herewith, the maximum annual assessment shall be as follows:

- Class A Members: \$100 per individual Tract owned
- Class B Members: \$100 per individual Tract owned

**7.5.2** The Board of Directors may fix the Class A annual assessment at an amount less than the maximum Class A annual assessment, but not in excess of the maximum Class A annual assessment, as such maximum Class A annual assessment may be increased from time to time as provided for above.

**7.5.3** The Board of Directors shall fix the amount of Class A annual assessment against each Tract at least ten (10) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto.

**7.5.4** In no event will the maximum Class B annual assessments stated above be altered or adjusted.

**7.6 Special Assessments.**

**7.6.1** In addition to the annual assessments authorized above, the Board of Directors may levy special assessments from time to time for the purpose of defraying the cost of any construction, reconstruction, repair or replacement of any Improvements upon or which are part of the Common Areas, the cost of maintaining the Wildlife Management Program, the cost of acquisition, repair or replacement of any fixtures and personal property used by or benefiting the POA or the Subdivision, and for carrying out any other purposes of the POA as stated herein or in the POA's organizational documents, as they may be amended from time to time. In order for the Board of Directors to levy a special assessment in accordance herewith, such special assessment must be approved by a vote of more than two thirds (2/3) of the votes that may be cast by the POA members represented in person or by proxy at a meeting duly called for such purpose.

**7.6.2** The Property Owners Association shall establish assessments to create a reserve fund for the maintenance of streets and other improvements within the subdivision.

**7.6.3** The amount of the annual reserve fund assessment shall be in an amount which will insure the maintenance, repair and upkeep of the streets and other improvements during their anticipated useful life and prior to obsolescence, and replacement.

**7.7 Notice and Quorum for any Action Authorized Under Sections 7.5 and 7.6.** Written notice of any meeting called for the purpose of taking any action authorized under Sections 7.5 and 7.6 above shall be sent to all POA members not less than ten (10) days and not more than sixty (60) days in advance of such a meeting. At the first such meeting called, the presence of POA members or proxies entitled to cast more than fifty percent (50%) of all votes of the POA membership shall constitute a quorum. If the required quorum is not present, another meeting may be called by the same notice requirement, and the required quorum at the subsequent meeting shall be forty percent (40%) of all votes of the POA membership. No such subsequent meeting shall be held more than ninety (90) days following the preceding meeting.

**7.8 Uniform Rate of Assessment.** Any and all dues of the POA or special assessments must be fixed at a uniform rate for all Tracts owned by Class A Members, and a uniform rate for all Tracts owned by Class B Members, and may be collected on a monthly or quarterly basis in lieu of annually. This decision may be made by Declarant until Turnover occurs, and thereafter may be made by the Board of Directors.

**7.9 Date of Commencement of Annual Assessments.** The annual assessment period shall be a calendar year. Annual assessments and the Reserve fund assessment shall not commence until January 1, 2017, the "Assessment Commencement Date". With respect to the initial sale of a Tract occurring after the Assessment Commencement Date, the buyer may be assessed at the closing of such sale for a prorated amount of the annual assessment attributable to such Tract as if such Tract had been assessed at the Class A annual assessment rate at all times during such annual assessment period, such prorated amount to be determined based upon the number of days remaining in such annual assessment period after such closing.

**7.10 Assessment Due Date.** All assessments, whether annual, special, or reserve fund shall be due and payable in advance upon receipt of the bill for such assessment sent by the POA.

**7.11 Certification Regarding Assessments.** The POA shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the POA setting forth whether the assessments on a specified Tract have been paid. A properly executed certificate of the POA as to the status of assessments on a Tract is binding upon the POA as of the date of its issuance.

days after the date it is due. The POA may bring an action at law against the Owner personally obligated to pay the same, may foreclose the POA's lien against such Owner's Tract, and / or exercise any and all other rights and remedies it may have hereunder, or under Texas law, to enforce an Owner's obligations hereunder. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Tract.

**7.13 Subordination of the Lien to Mortgage.** The POA's lien to secure payment of the assessments provided for herein shall be subordinate to mortgage, deed of trust, or home equity liens of record. The sale or transfer of any Tract shall not affect the assessment lien. No sale or transfer shall relieve such Tract from liability for any assessments thereafter becoming due or from the lien thereof.

**7.14 Exempt Property.** All Common Areas and other portions of the Property, if any, which are dedicated to public authorities, shall be exempt from assessments.

**7.15 No Assessment for Initial Construction.** Assessments shall not be levied for the initial construction of the Roadways, the initial construction and installation of the main electric and telephone lines and facilities serving the Subdivision along the Roadways, the initial construction of the initial entryway Improvements to the Subdivision, or the initial construction of any drainage channels or culverts to be constructed with respect to the initial development of the Subdivision.

During the time the Board of Directors of the POA has the authority to appoint the members of the ARC, the Board of Directors shall have the exclusive right and power at any time, and from time to time, to create and fill vacancies on the ARC. The ARC shall have the right from time to time to file instruments in the Official Public Records of Gillespie County, Texas, designating its current composition.

**9.3 Goal of the ARC.** The goal of the ARC is to encourage the construction of Improvements of good architectural design, aesthetic quality, location on the site, and proper size compatible and in harmony with Declarant's conceptual plan for the Subdivision, other Improvements and the natural surroundings, including, without limitation, natural vegetation and topography. Improvements should be planned and designed with particular attention to site location, size, scale, building density, design

and aesthetic appearance, and the use of such materials as will, in the judgment of the ARC, create an attractive and harmonious blend with existing Improvements and the natural surroundings, including, without limitation, natural vegetation and topography. The ARC may disapprove the construction or design of an Improvement, or the location of an Improvement, on purely aesthetic grounds where, in its judgment, such disapproval is required to protect the continuity of design or values of the Subdivision and of other Owners, or to preserve the serenity and natural beauty of any surroundings. Prior judgments regarding such matters of site location, design or aesthetics shall not be deemed binding upon the ARC if the ARC feels that the repetition of such matters will have an adverse effect on the Subdivision.

**9.4 ARC Approval Required.** No Improvement shall be erected, constructed, placed, altered either by addition or deletion, maintained or permitted to remain on any Tract until plans and specifications, including a site plan, in such form and detail as the ARC may deem necessary, shall have been submitted to and approved in writing by the ARC. Without limiting the general application of the preceding sentence to all Improvements, including exterior lighting, no external lighting shall be placed, altered either by addition or subtraction, installed, maintained or permitted to remain on a Tract until the type, location and other elements and characteristics of such lighting has been approved in writing by the ARC. The ARC shall have the power to employ professional consultants to assist it in discharging its duties, with the costs and fees of such professional consultants to be paid by the POA. The decision of the ARC shall be final, conclusive, and binding upon the applicant.

**9.5 Procedures.** The ARC may, but is not obligated to, establish and publish from time to time reasonable administrative procedures and separate building guidelines covering Improvements.

**9.6 Design Submittal.** The Owner must submit design plans, which must adequately reflect to the ARC the true design quality of the proposed work and the location of the Improvement on such Owner's Tract. Preliminary design plans ("Preliminary Plans") shall be submitted and approved by the ARC prior to submission of final design plans and specifications ("Final Plans"). The Preliminary Plans shall consist of preliminary or conceptual plans and specifications of front elevation, and side elevation on corner lots, materials specifications, and the positioning of the Improvement upon the Tract. The Final Plans shall be submitted in complete form in duplicate and shall include:

(A) A floor plan

(B) All elevations of any proposed structure(s) including walls, pools, pool buildings, barns, guest houses, pens, etc., roof height, exterior lighting plans, specifications of materials, colors, textures and shapes, and

(C) A site plan showing the general location of all proposed and existing Improvements and identifying any trees to be cut in connection with the proposed work.

All exterior measurements and dimensions must be shown, at a scale of ¼ inch = 1 foot minimum. Descriptions of materials and finishes must be clearly indicated.

**9.7 Basis of Approval.** Approval of preliminary design plans and final plans and specifications shall be based upon the following:

- (A) The architectural design.
- (B) The location of the Improvement on the site, including, without limitation, the location of the Improvement in relation to the natural surroundings including, without limitation, natural vegetation and topography, other Improvements on the Tract, and other Improvements on adjoining tracts and elsewhere in the Subdivision.
- (C) Harmony and conformity of the design with the surroundings both natural and built including, without limitation, natural vegetation and topography.
- (D) Adequacy of the design to conditions of the site.
- (E) Relation of finished grades and elevations to neighboring sites.
- (F) Relation of Improvements to Improvements on neighboring sites.
- (G) Conformity to specific and general intent of the Protective Covenants set forth in this Declaration.

**9.8 Variances.** Upon submission of a written request for same, the ARC may, from time to time, in its sole discretion, permit Owners to construct, erect, or install Improvements which are in variance from the Protective Covenants and architectural standards which are provided in this Declaration or those which may be promulgated in the future. In any case, such variances must, in the ARC's sole discretion, blend effectively with the general architectural style and design of the Subdivision and must not detrimentally affect the integrity of the Subdivision or harmony with the natural surroundings. Neither the Declarant nor the POA nor the ARC nor any member of the Board of Directors of the POA or the ARC, shall be liable to any Owner for claims, causes of action or damages arising out of the grant of any variance to an Owner. Each request for a variance submitted hereunder shall be reviewed separately and apart from other such requests and the grant of a variance to any Owner shall not constitute a waiver of the ARC's right to strictly enforce the Protective Covenants and architectural standards provided hereunder, against any other Owner.

**9.9 Issuance of Building Permit.** Upon approval of final submittals, a building permit will be issued and construction may begin. All such permits must be prominently displayed at the job site. Construction of an Improvement shall be completed within eighteen (18) months after the issuance of the building permit and must be completed

in accordance with the Final Plans as approved by the ARC. Any changes to the Final Plans must be approved in writing by the ARC prior to the implementation of such changes. The ARC or a representative of the ARC may conduct regular inspections of the construction.

**9.10 Failure of the ARC to Act.** If the ARC fails to approve or to disapprove the Final Plans or to reject them as being inadequate within thirty (30) days after submittal thereof, it shall be conclusively presumed that such ARC has approved such Final Plans. If the Final Plans are not sufficiently complete or are otherwise inadequate, the ARC may reject them as being inadequate or may approve or disapprove part, conditionally or unconditionally, and reject the balance.

**9.11 Limitation of Liability.** Neither the Declarant nor the ARC nor any of the members of the ARC nor the POA, nor the Board of Directors of the POA or the ARC, shall be liable in damages or otherwise to anyone submitting plans and specifications for approval, to any Owner or to any other person or entity, by reason of the exercise of or the failure of the ARC to exercise any of its rights and powers hereunder, including without limitation:

- (A) The approval or disapproval of any plans and specifications.
- (B) The approval or disapproval of any variances.
- (C) The failure to take action with respect to any plans and specifications or the construction of any Improvements on any Tract.
- (D) The construction or performance of any work on any Tract, whether or not pursuant to any approved plans or specifications.

Review and approvals by the ARC are for the purposes of the protection and maintenance of the aesthetic and ecological quality of the Property and not for the purposes of determining the adequacy of the engineering, structural integrity, quality of construction, soundness of construction, safety of plans or construction, code compliance, compliance with any other laws, rules and regulations applicable to the Improvements or the construction, or any other matters involving the plans, specifications or construction of the Improvements (the "Construction Matters"). Consequently, and without limiting the generality of the foregoing provisions of this section, neither the Declarant nor the ARC nor any member of the ARC nor the POA nor the Board of Directors of the POA or the ARC, shall be liable in damages or otherwise to anyone for any causes of action, claims, debts, demands, losses, costs, damages, expenses, obligations, or other liabilities arising out of or in any way related to any Construction Matters.

**ARTICLE 10**  
**TERM**

The Protective Covenants set forth in this Declaration are made and adopted to run with the land and shall be binding upon the undersigned and all parties and persons claiming through and under them until January 1, 2040, at which time said Protective Covenants shall be automatically extended for successive periods of ten (10) years unless and until an instrument executed by Owners of at least two thirds (2/3) of the Lots has been recorded agreeing to terminate said Protective Covenants in whole or in part, provided that, if Declarant owns any interest in the Property at the time, the Protective Covenants may only be terminated if the Declarant joins in executing such instrument; and further, such termination in whole or in part has been consented to by the City of Fredericksburg.

**ARTICLE 11**  
**ENFORCEMENT**

**11.1 Right of Enforcement.** Declarant, its successors or assigns, the POA, its successors or assigns, or any Owner, shall have the right to enforce, by proceedings at law or in equity, the terms, provisions, covenants, conditions, and restrictions of this Declaration. Failure of Declarant or the POA to take any action upon any breach or default shall not be deemed a waiver of their right to take action upon any subsequent breach or default. Declarant, for itself, its successors or assigns, reserves the right to enforce this Declaration, though it may have previously sold and conveyed all Tracts controlled hereby. The reservation by Declarant or the POA of this right of enforcement shall not create a duty or obligation of any kind to enforce same, and neither Declarant nor the POA shall be subjected to any claim, demand, or cause of action from any Owner by virtue of not enforcing any term, provision, covenant, condition or restriction herein contained, provided, the Property Owners Association shall enforce the provisions relating to setting and collecting assessments.

**11.2 Declarant and POA Right to Self Help.**

**11.2.1** The Declarant and POA shall have the authority to employ self-help to enforce compliance with any provision of this Declaration. Upon the occurrence of a default or other violation of this Declaration, the Declarant or the POA may provide notice to the defaulting Owner of the matter of noncompliance, the action necessary to cure the noncompliance, and the date by which the noncompliance shall be cured. Such notice shall be sent in accordance with paragraph 11.2.2 below. In the event the Owner fails to cure the matter of noncompliance within the required time, the POA may take action to cure the matter of noncompliance.

- 11.2.2 Notice of default or other violation of this Declaration and of the Declarant's or POA's intent to act pursuant to this provision shall be in the form and in the manner as required by Article 17. In the event of continuing noncompliance, a second notice, at least thirty (30) days subsequent to the date of the mailing of the first notice, shall be sent to the non-complying Owner. Not sooner than sixty (60) days after the date of the mailing of the first notice, the Declarant or the POA may send a third notice (the "Notice of Intent to Remedy") to the non-complying Owner of the Declarant's or POA's intent to remedy the non-complying condition. The Notice of Intent to Remedy shall be sent by United States Certified Mail, return receipt requested, and shall otherwise conform to Article 17. In the event the non-complying condition is not cured within ten (10) days after the date of the Notice of Intent to Remedy, the Declarant or the POA may commence actions to remedy the non-complying condition at the sole expense of the non-complying Owner, unless the Owner has requested a hearing pursuant to paragraph B.12.b of the Bylaws of the POA and the exercise of the self help remedy by the POA pursuant to Article 11.3 shall be abated until the conclusion of the hearing.
- 11.2.3 In the event that the Declarant or the POA acts to remedy a non-complying condition in accordance herewith, all sums incurred by the Declarant or the POA in connection therewith, including attorneys' fees, shall be charged against the Owner, and shall be payable by the Owner upon demand. If such sums are not paid within ten (10) days after demand for payment is made, such sums shall bear interest at a rate equal to the lesser of:
- (A) twelve percent (12%) per annum
  - (B) the highest legal rate permitted by law
- to be charged the Owner and, unless otherwise provided herein, shall be secured by the assessment lien provided for herein against all Tracts owned by such Owner. In addition, the Declarant or the POA may exercise any and all other rights and remedies that may be available hereunder, or under Texas law, to enforce an Owner's obligations hereunder.
- 11.3 Penalties. The POA shall have the right to establish penalties, including fines, for violation of the Protective Covenants contained in this Declaration.

## **ARTICLE 12**

### **ASSESSMENT LIEN/NONJUDICIAL FORECLOSURE**

- 12.1 **Special Deed of Trust.** To secure the payment of assessments, reimbursements, and other amounts owed to the POA by an Owner hereunder, and to ensure compliance with the applicable Protective Covenants set forth herein, each Owner, upon acceptance of his or her deed to a Tract governed by this Declaration, conveys the Tract to the Trustee hereinafter named, in trust, for so long as these Protective

Covenants shall remain in effect, such conveyance operating as a Special Deed of Trust. If an Owner fails to tender payment of any assessments, reimbursements, or other amounts owed to the POA when due, or if an Owner fails to perform any of the obligations under or maintain any condition required by this Declaration, the POA, in accordance with Article 11 above, may perform those obligations, advance whatever funds may be required, and then be reimbursed by the Owner on demand for any sums so advanced, including attorneys' fees, plus interest on those sums from the dates of payment at a rate equal to the lesser of:

(A) twelve percent (12%) per annum

(B) the highest legal rate permitted by law

The sum to be reimbursed shall be secured by this Special Deed of Trust.

**12.2 Failure to Pay.** If the Owner fails to pay the POA for any assessments, reimbursements or other amounts owed by such Owner to the POA, and such failure continues after the POA shall give the Owner notice of the failure and the time within which it must be cured, as may be required by law, then the POA, as the Beneficiary of this Special Deed of Trust, may:

12.2.1 Request the trustee appointed herein, or such Trustee's successor, to foreclose the liens created herein, in which the POA shall give notice of the foreclosure sale as provided by Section 51.002 et. seq. and Section 209.009 et. seq. of the Texas Property Code then in effect or any successor statute thereto,

12.2.2 Obtain a court order for expedited foreclosure under Section 209.0092 of the Texas Property Code, and

12.2.3 Purchase the Tract at any foreclosure sale by offering the highest bid and then have the bid credited to the amounts owed to the POA.

**12.3 Foreclosure.** If requested by the POA to foreclose this lien, the Trustee shall:

12.3.1 Either personally or by agent give notice of the foreclosure sale as required by Section 51.002 et. seq. and Section 209.009 et. seq. of the Texas Property Code then in effect or any successor statute thereto,

12.3.2 Sell and convey the Tract to the highest bidder for cash with a general warranty binding the Owner, subject to prior liens and to other exceptions to conveyance and warranty, and

12.3.3 From the proceeds of the sale, pay, in this order:

1. Expenses of foreclosure, including a commission to Trustee of five percent (5%) of the successful bid.
2. To the POA, the full amount owed, including attorneys' fees, and other charges due and unpaid.

3. Any amounts required by law to be paid before payment to the Owner.
4. To the Owner, any remaining balance.

**12.4 Appointment of Trustee.** Carroll J. Bryla, Attorney at Law, is appointed Trustee for the purpose of this Article 12. The POA, as beneficiary, may appoint a substitute or successor Trustee, succeeding to all rights and responsibilities of the Trustee appointed herein, by filing an appropriate Designation of Substitute Trustee among the Official Public Records of Gillespie County, Texas.

**12.5 Tenancy-At-Sufferance.** From and after any foreclosure under this Article 12, the occupants of such Tract shall be required to pay a reasonable rent for the use of such Tract and such occupancy shall constitute a tenancy-at-sufferance. The purchaser at such foreclosure shall be entitled to the appointment of a receiver to collect such rents and, further, shall be entitled to sue for recovery of possession of such Tract by forcible detainer without further notice.

**12.6 Compliance with Property Code.** It is intended that the provisions of this Section shall comply with the provisions of the Texas Property Code including, without limitation, Section 51.002, as such provisions may be amended from time to time. Likewise, it is the intent of the Declarant that all collection efforts be in strict compliance with the requirements of Texas Property Code Chapter 209, et seq., as same may be amended hereafter, which such amendments shall be applicable hereto. The President of the POA, acting without joinder of any Owner or mortgagee of any Owner, may, by amendment to this Declaration filed in the office of the County Clerk of Gillespie County, Texas, amend the provisions hereof so as to comply with said amendments to said Section 51.002 and / or Chapter 209.

**12.7 Priority of Lien.** Any liens created by this Declaration shall be superior to all other liens and charges against any Lot covered hereby, except only for tax liens and all sums secured by a first-priority mortgage, deed of trust, or home equity liens of record.

### **ARTICLE 13** **PARTIAL INVALIDITY**

The invalidation of any of the Protective Covenants in this Declaration, by judgment, court order, operation of law or otherwise, shall in no way affect the validity of any of the other terms, provisions, covenants, conditions or restrictions hereof, which shall remain in full force and effect.

**ARTICLE 14**  
**AMENDMENT**

Except as otherwise provided herein, as long as the Declarant owns any interest in the Property, the Declarant and the Owners, but expressly excluding their respective mortgagees, if any, of at least two thirds (2/3) of the Tracts may amend this Declaration by executing and filing an instrument containing such amendment, in the office of the County Clerk of Gillespie County, Texas. Except as otherwise provided herein, from and after the date that the Declarant no longer owns any interest in the property, the Owners, but expressly excluding their respective mortgagees, if any, of at least two thirds (2/3) of the Tracts may amend this Declaration, except for the terms and conditions of any loan or assessments due to the Declarant by the POA, by executing and filing an instrument containing such amendment, in the office of the County Clerk of Gillespie County, Texas.

No portion of the Association documents pertaining to the maintenance of the private streets and alleys and assessments therefor may be amended without the written consent of the City of Fredericksburg.

14.1 Notwithstanding anything to the contrary, the Declarant shall have the right at any time, at its sole discretion and without any joinder or consent of any other party, to amend this Declaration for the purposes of correcting any error, ambiguity or inconsistency appearing herein or for any reason whatsoever deemed necessary for the benefit of the overall development as determined by the Declarant, in its sole discretion. Said amendment shall be effective upon filing of the instrument containing such amendment in the office of the County Clerk of Gillespie County, Texas.

14.2 Any amendment of this Declaration under paragraph 14.1 or 14.2 which would circumvent or violate the Subdivision Ordinance of the City of Fredericksburg shall not be effective unless consented to by the City of Fredericksburg

**ARTICLE 15**  
**WAIVER AND LACHES**

The obligation to abide by the provisions contained in this Declaration shall be deemed to be of a continuing and continual basis. Each and every day an Owner allows a condition to exist on such Owner's Tract which is not in compliance with the requirements contained herein shall constitute a separate and individual violation hereof and shall give rise to a new cause of action for such breach. The intended effect and express purpose of this provision shall be that every Owner, by accepting title to a Tract, hereby waives the affirmative defenses of the statute of limitations, waiver and laches with respect to

covenant violations. Noncompliant conditions shall be allowed to exist on a Tract only upon the Owner obtaining a written variance in accordance with the applicable provisions herein. Failure of the Declarant, the POA, the ARC, or of any Owner to enforce the terms of this Declaration shall in no event be deemed a waiver of the right to do so thereafter.

**ARTICLE 16**  
**ASSESSMENTS BY AWARD OR JUDICIAL DECREE**

In the event arbitration or litigation is necessary to enforce any provision contained within this Declaration, any and all awards granted by the arbitrator, or damages, penalties, fees, costs, and / or any other charges awarded in the decree shall also constitute an assessment, which shall likewise run with the land, and which shall be secured by the lien created in Article 12 herein.

**ARTICLE 17**  
**NOTICE BY POA**

Whenever written notice or demand to an Owner is permitted or required hereunder, such notice shall be given by mailing of such notice by certified mail, return receipt requested, to such Owner at the address of such Owner appearing on the records of the POA, unless such Owner has given written notice to the POA of a different address, in which event such notice shall be sent to the Owner at the address so designated. Notice shall conclusively be deemed to have been given by the POA on the date such notice is deposited in the United States Mail, properly addressed, whether received by the addressee or not.

**ARTICLE 18**  
**ASSIGNMENT BY THE DECLARANT**

Notwithstanding any provision in this Declaration to the contrary, the Declarant may in writing filed of record to this Declaration by volume and page number, expressly assign, in whole or in part, any of its privileges, exemptions, rights and duties under this Declaration to any other person or entity and may permit the participation, in whole or in part, by any other person or entity in any of its privileges, exemptions, rights and duties hereunder. Upon assignment by the Declarant of any or all of the Declarant's rights, the Declarant shall no longer be liable for performance of such assigned rights provided that

the assignee expressly assumes in the recorded assignment the obligations of the Declarant that are assigned.

**ARTICLE 19**  
**GOVERNMENTAL COMPLIANCE, ENFORCEMENT, AND**  
**DISCLOSURE**

The following protective covenants are adopted to comply with the Subdivision Ordinance of the City of Fredericksburg:

**(A.) Maintenance repair or capital improvement by governmental entity.**

1. Any maintenance, repair or capital improvement made to the Property or the facilities of the Property Owners Association by the City of Fredericksburg pursuant to its ordinances and as a result of nonperformance or negligence on the part of the Property Owners' Association, shall be assessed to the Property Owners' Association and paid by the Property Owners' Association within thirty (30) days of the date of notification.
2. If the Property Owners Association fails to pay within thirty (30) days, the cost of the maintenance, repair or capital improvement made by the City of Fredericksburg, the cost shall be divided between the various Property Owners Association members in proportion to the taxable value of their respective tracts, as shown by the current year valuation of the Gillespie Central Appraisal District.

**(B.) Enforcement authority of the City of Fredericksburg.**

1. All streets, gates, and other fire protection features, signage, and equipment are subject to periodic inspection by the City of Fredericksburg and must be repaired immediately if found to be in a condition of disrepair or inadequate for public access.
2. The City shall have the right to enter the Subdivision and disable, open, or remove any gate, device, or other feature that impedes or controls vehicle access at the sole expense of the Property Owners' Association.
3. Access within the Subdivision shall be provided for sanitation trucks.

**(C.) Acceptance of Common Areas by City**

1. The Articles of Incorporation and the Bylaws of the Property Owner's Association and the Declaration of Covenants, Conditions and Restrictions of the Admiral Heights Subdivision shall permit the Property Owner's Association to request the City of Fredericksburg to accept private streets and alleys and the associated property as public streets and right-of-way upon

written notice to all the Property Owner's Association members and to convey the same to the City of Fredericksburg upon the consent by written signatures of the owners of 75% of the tracts contained with the subdivision, provided however, the City is not obligated to accept the streets and alleys as public, notwithstanding the consent of the requisite number of tract owners.

2. The acceptance of streets and alleys is in the absolute discretion of the City of Fredericksburg. Should the City of Fredericksburg elect to accept the streets and alleys as public, the City may inspect the private streets and assess the Property Owners' Association or tract owners for the expense of needed repairs concurrent with the City of Fredericksburg's acceptance of the streets and alleys. The City of Fredericksburg will be the sole judgment of whether the repairs are needed or required. Additionally, the City of Fredericksburg may also require at the Property Owner's expense the removal of guard houses, access control devices, landscaping or other aesthetic amenities located within the street. The City may enforce this assessment pursuant to 19(A)(1) and 19(A)(2).

**(D.) Limitation of City Responsibility**

The tracts and the roadways are within a private subdivision. Certain services provided by the City of Fredericksburg, Texas, will not be provided on the private streets. Among the services that will not be provided are the following:

1. Routine police patrols;
2. Enforcement of traffic and parking ordinances and preparation of accident reports; and
3. Depending on the characteristics of the development, other services may not be provided.

**(E.) City Consent for Dissolution of Property Owners Association and Amendment**

1. The Property Owners Association may not be dissolved without the prior written consent of the City of Fredericksburg. No provision of the Articles of Incorporation and the Bylaws of the Homeowners' Association and the Declaration of Covenants, Conditions and Restrictions of the Admiral Heights Subdivision pertaining to the maintenance of private streets and alleys and assessments therefor may be amended without the written consent of the City of Fredericksburg.

**ARTICLE 20**
