Brokers Comments

This 40 acre parcel is a rare opportunity to own a fully developed hunting property in the North Platte River Valley just three miles south of Morrill, Nebraska and adjacent to the Kiowa Wildlife Refuge. The property has many wildlife habitat improvements established to attract a wide variety of wildlife species

including geese, ducks, pheasants and deer. The improvements include a spring fed pond and 12 acres planted with three hundred planted trees and shrubs. The property has a perimeter fence as well as crossing fencing, all in excellent condition. A great home site is located on a high point of the property near power and paved road. This location offers a panoramic view of the valley to the south and Laramie Peak in Wyoming to the west .
