To Whom it May Concern,

This email is to fulfill a request by Jodie Nobles, regarding waterline installation for her property off FM 1113.

Jason Jones, Jones – Heroy and Associates, Inc. is in the process of upgrading the Kempner WSC water system to include an 8" water line running along FM 1113. It will be approximately a year from now before the water line is installed. The water line will provide sufficient waterline capacity for Ms. Nobles to serve her subdivision. The attached map shows the proposed Phase 1 waterline along FM 1113.

If I can provide you with any additional information, please give me a call at 254-681-8042.

Thank you,

Delores
