

Surveyor's Note

Original survey lines and/or corners shown herein are approximate, unless otherwise noted. Any acreage shown for the original survey is also approximate and should not be relied upon as officially appraised quantities. A diligent searcher was made for original corners if they fell along the bounds of this property or within the property, and those found have been shown herein. A precise locative survey of the original survey lines and corners is a time consuming project, not within the scope of this survey, and are subject to approval by the General Land Office of Texas. The possibility of access across within the original survey's shown herein is not addressed by this survey.

This plot represents a boundary survey only. Some assessments and utilities have been shown, but there may be others recorded or unrecorded that may exist. Always use the Texas One Call System or www.texas811.org, before performing any excavations. Record information for adjoining land owners shown herein for the best information purposes only.

SD XXXXXX – Denotes Subdivision Road Name per 9-1-1 requirements.

Basia of Bearings

Bearing Basis herein is Texas State Plane Coordinate System, Reference Frame North American Datum 1983 (NAD83) (EPOCH 2010.00000), as determined from Global Navigation Satellite System (GNSS) survey equipment, by State Virtual Reference System (VRS) network and/or Real Time Kinematic (RTK). Distances shown herein are shown as grid Texas State Plane Coordinate System distances.

I, Jason McMillan, Registered Professional Land Surveyor of Texas, do hereby state that this plot represents an actual survey made under my direction to the best of my knowledge and ability, this the 7th day of June, 2019.
