A Board of Directors of three (3) to five (5) members shall be elected by the lot owners, except for the initial Board.

The initial Directors of the Association consisting of one to five members shall be appointed by the Declarant or their assigns and thereafter the Board of Directors shall be elected by the lot owners. The initial Directors shall be responsible for calling the first meeting of the Property Owners' Association on or before January 31, 2006 and shall be responsible for the mailing of the written notice of the lot assessment which is due and payable on February 28, 2006. The meeting shall be held in Rockbridge County, Virginia, at a suitable place to be designated by the initial Board of Directors. At said meeting, the owners shall by a majority vote, determine whether or not the Association shall be a corporation, an unincorporated association, or other legal entity, and shall elect a Board of Directors and such officers as that may determine necessary, depending on the legal entity which they have selected.

(4) The Duties and Responsibilities of the Property Owners' Association shall include, but not be limited to the following:

(A) Maintain Property Owners' Association, periodically elect officers and directors, and establish and collect fees and dues.

(B) Maintain Financial Records

(C) Administer the upkeep and improvements to the Long View Meadows Subdivision.

ARTICLE III COVENANT FOR MAINTENANCE ASSESSMENT

(1) Each owner of a Lot within Long View Meadows that borders or has access from the private road system shall pay an assessment for the reasonable construction, use, maintenance, and expansion of the roads. All assessments, including any pro-rate share of said assessments, shall be collected by and paid beginning the calendar year of January 1, 2005 through December 31, 2005. The initial annual amount to be paid is \$200. All assessments shall be due and owing on the first day of January of each year and if unpaid shall be a lien upon the property against which each assessment is made. The Long View Meadows Property Owners' Association and its assigns shall have the right to take appropriate legal action to collect any assessment, together with interest, properly assessed under this contract.

(2) Any assessment made on a property pursuant to this paragraph, including a late fee of Five Dollars, interest at the rate of Ten Percent per annum from the date of delinquency, and reasonable attorney's fees incurred in the collection thereof, shall constitute a lien on this property until paid. This lien is expressly inferior and subordinate to any mortgage liens presently or hereafter encumbering the property affected by these protective covenants. During

December of each year, beginning December, 2005 said Association shall notify each Lot Owner, in writing, as to the amount of the Lot Assessment which shall be due and payable in January of the following year. In the event of a resale or transfer of one or more Lots in said subdivision, this obligation shall run with the land and become the obligation of the new Owner(s) even though it may have been assessed to a prior owner.

(3) If the owner of any Lot is in default in the payment of any assessments, including interest and costs of collection, in addition to any other means of collection, the Property Owners' Association may bring an action at law against the owner personally obligated to pay same.

(4) In exchange for the Declarant's agreement to install and maintain said roadways and rights of way until three quarters of the Lots have been conveyed the Declarant shall be forever exempt from the payment of said annual assessments and road maintenance fees as to all Lots now owned or later required by the Declarant. In the event that the Declarant should reacquire real estate through purchase at a foreclosure sale or through settlement of an Owner's default in any contract, note or deed of trust that the Owner should be obligated to pay the Declarant, Declarant shall not be required to pay any past due assessment that the previous owner may have owed the Association, nor shall the Declarant be required in the future to contribute to the maintenance of the roadways.

(5) Each Lot Owner, by acceptance of a Deed thereto, acknowledges that the roads and rights of way are private in nature and shall not be maintained by the Virginia Department of Transportation or other public agency and that the maintenance and improvement thereof shall be the mutual obligation of the Landowners in the subdivision abutting said roads unless and until taken over by Virginia Department of Highways.
