

# Mount Storm Lake

*Mount Storm, WV*

Mount Storm Lake is a 1200-acre lake located in Grant County. It is accessible from US Rt 50 to WV 42 to WV 93. A boat ramp is located near the dam. The lake is used for fishing, jet skiing, scuba diving and wind surfing. Boating is permitted with unlimited horse power as the lake contains no wake, speed zones, and/or other restricted areas. Mount Storm supports largemouth and smallmouth bass as well as numerous channel catfish. Hybrid striped bass and walleye are also present. Each May the station has a black bass fishing tournament that is open to the public.
