WIRE FRAUD ALERT

This Notice is not intended to provide legal or professional advice.
If you have any questions, please consult with a lawyer.

All parties to a real estate transaction are targets for wire fraud and many have lost hundreds of thousands of dollars because they simply relied on the wire instructions received via email, without further verification. **If funds are to be wired in conjunction with this real estate transaction, we strongly recommend verbal verification of wire instructions through a known, trusted phone number prior to sending funds.**

In addition, the following non-exclusive self-protection strategies are recommended to minimize exposure to possible wire fraud.

- **NEVER RELY** on emails purporting to change wire instructions. Parties to a transaction rarely change wire instructions in the course of a transaction.
- **ALWAYS VERIFY** wire instructions, specifically the ABA routing number and account number, by calling the party who sent the instructions to you. **DO NOT** use the phone number provided in the email containing the instructions, use phone numbers you have called before or can otherwise verify. **Obtain the number of relevant parties to the transaction as soon as an escrow account is opened.** **DO NOT** send an email to verify as the email address may be incorrect or the email may be intercepted by the fraudster.
- **USE COMPLEX EMAIL PASSWORDS** that employ a combination of mixed case, numbers, and symbols. Make your passwords greater than eight (8) characters. Also, change your password often and do **NOT** reuse the same password for other online accounts.
- **USE MULTI-FACTOR AUTHENTICATION** for email accounts. Your email provider or IT staff may have specific instructions on how to implement this feature.

- ~~~ Declaration

3. **PROPERTY**

3.1 Generally. This Declaration applies to the Property described in Exhibit "A". The Property consists of the Lots, the Common Areas and property dedicated to the public.

4. **ASSOCIATION; MEMBERSHIP**

4.1 Schmidt Park Lot Owners Association. Declarant, as present owner of all of the Lots in the Property, shall form a non-profit corporation to be named "Schmidt Park Lot Owners Association" and referred to hereinafter as "Association".

4.2 Membership Appurtenant to Ownership. Every owner of a Lot in the Property shall be deemed to be a member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot and ownership of a Lot shall be the sole qualification for such membership. In the event that fee title to a Lot is transferred or otherwise conveyed, the membership in the Association which is appurtenant thereto shall automatically pass to such transferee, notwithstanding any failure of the transferor to endorse to his or her transferee any certificates or other evidences of such membership, if any. The foregoing is not intended to include Mortgagees or any other persons who hold an interest in a Lot merely as security for the performance of an obligation, and the giving of a security interest shall not terminate or otherwise affect an owner's membership in the Association. Notwithstanding any of the foregoing to the contrary, no owner, whether one or more persons, shall have more than one membership per Lot. Membership rights in the Association shall include all rights and restrictions imposed thereon as described in this Declaration or as may be promulgated by the Board of Directors.

4.3. Voting. Membership in the Association shall include the right to vote. The Association shall have two (2) classes of voting membership:

- (a) **Class "A".** Class "A" members shall be all owners, with the exception of Declarant, and shall be entitled to one (1) vote

for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be members. The vote for such Lot shall be divisible and exercised as the owners determine, but in no event shall more than one vote be cast with respect to the Lot.

(b) **Class "B".** The Class "B" members shall be the Declarant, which shall be entitled to three (3) votes for each Lot owned. The Class "B" membership shall cease and be converted to Class "A" membership upon the date (hereafter, the "Transfer Date") of the happening of either of the following events, whichever occurs earlier:

- i. the expiration of three (3) years after the date of this Declaration;
- ii. the date on which 100% of the Lots have been transferred by the Declarant;
- iii. the surrender by the Declarant of the authority to appoint directors and officers of the corporation.

4.4 Books and Records. The Association shall make available for inspection, upon request, during normal business hours or under other reasonable circumstances, to owners and mortgagees, current copies of this Declaration, and the books, records, and financial statements of the Association prepared pursuant to the Association's Bylaws. The Association may charge a reasonable fee for copying such materials.

4.5 Transfer Date of Declarant's Authority. Until the Transfer Date described in Section 4.3(b), Declarant shall have the right to appoint or remove any member of the Board of Directors and any officer or officers of the Association. From and after the Transfer Date, the Declarant shall cease to have such authority and the Directors and officers of the Association shall be appointed and removed as set forth in the Articles of Incorporation, Bylaws and Chapter 24.03 RCW.

4.6 Successor to Declarant. The Association shall succeed to all of the rights, duties and responsibilities of Declarant under this Declaration upon the earlier of the events listed at Section 4.3(b).

5. ASSOCIATION; RIGHTS AND OBLIGATIONS

5.1 Implied Rights. The Association may exercise any right or privilege given to it expressly by this Declaration or the Bylaws, or which may be reasonably implied from, or reasonably necessary to effectuate, any such right or privilege.

5.2 Rules. The Association, through its Board, may make, modify, and enforce reasonable rules governing the use of the Common Areas, consistent with the rights and duties established by this Declaration. Such rules shall be binding upon all Owners, lessees, occupants, invitees, and licensees until and unless repeated or modified in a regular or special meeting of the Association by Owners.

5.3 Indemnification. The Association, to the fullest extent allowed by law, shall indemnify every officer, director, and committee member against all expenses, including counsel fees, reasonably incurred by or imposed upon such officer, director, or committee member in connection with any action, suit or other proceeding (including settlement of any suit or proceeding, if approved by the Board) to which he or she may be a party by reason of being or having been an officer, director or committee member. The officers, directors and committee members shall not be liable for any mistake of judgment, except for their own individual misfeasance, malfeasance, misconduct or bad faith, and shall have no personal liability to third parties with respect to any contract or other commitment made or action taken by them in good faith on behalf of the Association. The Association shall indemnify and hold each such officer, director, and committee member harmless against all liability to others on account of any such contract, commitment, or action. Any right to indemnification provided for herein shall not be exclusive of any other rights to which any present or former officer, director or committee member may be entitled. The Association shall, as a Common Expense, maintain adequate general liability and officers and directors liability insurance to fund this obligation, if such insurance is reasonably available.

5.4 Enforcement. The Association may impose sanctions for violations of this Declaration, the Articles, the Bylaws, or rules, including, without limitation, reasonable monetary fines and suspension of voting rights. In addition, the Association may exercise self-help remedies to cure violations of the Bylaws and may suspend any services it provides to the Lot of any Owner thirty (30) days or more delinquent in paying any assessment or other charge due to the Association. The Board may seek relief in any court. Board actions to impose or seek sanctions shall be governed by the Bylaws.

5.5 Common Areas. The Association, subject to the rights of the Owners set forth in this Declaration, shall manage and control the Common Areas and all improvements thereon, and shall keep the common Areas in good, clean, attractive, and sanitary condition, order, and repair, under the terms and conditions of this Declaration, all in compliance with all applicable laws, rules, regulations and agreements.

5.6 Dedication of Common Areas. The Association, by Board resolution, may dedicate portions of the Common Areas to any local, state, or federal government entity.

5.7 No Partition. The Common Areas shall remain undivided, and no Owner or any other Person shall bring any action for partition or division of the whole or any part

thereof without the written consent of all Owners of all of the Property and all holders of Mortgages encumbering any portion of the Properties.

5.8 Personal Property and Real Property for Common Use. The Association, through action of its Board, may acquire, hold, and dispose of tangible and intangible personal property and real property, or interests therein, reasonably necessary for the management, control, maintenance and repair of the Common Areas. Declarant shall convey to the Association, by Grant and Deed of Easement, the Common Areas, and such property shall be accepted and thereafter maintained by the Association at its expense for the benefit of its Members, subject to any restrictions set forth in the conveyance.

6. ASSESSMENTS

6.1 Agreement to Pay. There are hereby created two types of assessments for Association expenses: (a) Base Assessments to fund Common Expenses for the general benefit of all Lots, and (b) Special Assessments as described in Section 6.4. Each Owner, by acceptance of a deed or recording of a contract of sale for any portion of the Property, is deemed to covenant and agree to pay these assessments as levied from time to time by the Association. No Owner may exempt itself from liability for assessments by nonuse of Common Areas, abandonment of its Lots or any other means. The obligation to pay assessments is a separate and independent covenant of each Owner. No diminution or abatement of assessment or set-off shall be claimed or allowed for any alleged failure of the Association to take any action required of it or for inconvenience or discomfort arising from repairs or improvements or other actions taken by it.

6.2 Base Assessment. The Base Assessment shall be levied against each Lot and its Owner in aggregate amounts reasonably expected to produce income equaling the total budgeted Common Expenses of the Association for each forthcoming year. In determining assessments, the Board may consider other sources of funds.

6.3 Capital Improvement Assessments. The Board shall annually prepare reserve budgets for general purposes which take into account the number and nature of replaceable assets, the expected life of each asset, and the expected repair or replacement cost. The Board shall include in Base Assessments capital contributions in amounts sufficient to meet these projected needs.

6.4 Special Assessments. In addition to other authorized assessments, the Association may levy Special Assessments from time to time to cover expenses greater or different than those budgeted. Special Assessments may be levied against the entire membership for Common Expenses. Except as otherwise specifically provided in this Declaration, Special Assessments must be approved by the affirmative vote or written consent of Owners holding at least a majority of the total votes. Special Assessments shall be paid in a manner and by dates fixed by the Board. The Board may allow payment in installments extending beyond the fiscal year in which the Special Assessment is approved.

6.5 Assessment Allocation. All assessments shall be levied against the Lots within the Property, other than the Common Areas, on an equal basis.

6.6 Declarant's Obligation for Assessments. Until the Transfer Date, Declarant may elect annually to pay the Association either (a) regular assessments on all of its unsold Lots, or (b) the difference between the amount of assessments against all other Lots and the necessary expenditures of the Association during the fiscal year. Unless Declarant otherwise notifies the Board at least sixty (60) days before the beginning of a fiscal year, Declarant shall continue paying on the same basis as the preceding fiscal year. Declarant's obligations hereunder may be satisfied in cash, by "in kind" contributions of services or materials, or by a combination of these. In addition, Declarant may, but is not obligated to, reduce the Base Assessments by paying a subsidy, which may be either a contribution, an advance against future assessments due from Declarant, or a loan, in Declarant's discretion. Any such subsidy shall be disclosed as a line item in the Common Expense budget. Payment of any subsidy shall not obligate Declarant to continue subsidies in the future.

6.7 Approval of Assessments. The Board shall send to each Owner a copy of the budget and notice of the amount of the Base Assessment against such Owner's Lot at least thirty (30) days before the beginning of the fiscal year. The budget and assessment shall be effective unless disapproved at a meeting by a vote of the Owners holding at least 75% of the total votes in the Association. There shall be no obligation to call a meeting to consider the budget unless a petition of the Owners, as provided for special meetings in the Bylaws, is presented to the Board within ten (10) working days after delivery of the notice of assessments. If a proposed budget is disapproved or the Board fails to determine the budget for any year, until a budget is determined, the budget for the preceding fiscal year shall continue.

6.9 Commencement Date for Assessments. The obligation to pay assessments shall commence as to each Lot on the first day of the month following the month in which the Board first determines a budget and levies assessments.

6.10 Collection of Assessments. Assessments shall be paid in a manner and by dates fixed by the Board. The Board may allow payment of assessments in installments. Unless the Board otherwise provides, the Base Assessments shall be due in advance on the tenth day of each fiscal year. If an Owner is delinquent in paying any assessments or charges levied on its Lot, the Board may require all unpaid installments to be paid immediately.

6.11 Failure to Assess. Failure of the Board to fix assessment amounts or rates or to deliver assessment notices shall not be deemed a waiver, modification, or a release of any Owner from the obligation to pay assessments. In such event, each Owner shall continue to pay Base Assessments on the same basis as for the prior year until a new assessment is made, at which time any shortfalls in collections may be assessed retroactively.

7. ENFORCEMENT OF ASSESSMENT LIENS

7.1 Delinquency/Lien for Assessments. The Association shall have a lien against each Lot to secure payment of delinquent assessments, interest, late charges, and costs of collection (including attorney's fees) with respect to such Lot. Each such assessment, with interest, late charges, costs of collection, including reasonable attorney's fees, also shall be the personal obligation of the Person who was Owner of such Lot at the time the assessment arose. If title to a Lot is transferred, the grantee shall be jointly and severally liable for assessments and charges due at the time of conveyance, except that a first Mortgagee who obtains title to a Lot by exercising rights under the Mortgage shall not be liable for previously accrued assessments and related charges. Such lien shall be prior and superior to all other liens except: (a) the liens for taxes and governmental assessments which by law are superior, and, (b) the lien of any first Mortgage of record (meaning any recorded Mortgage with first priority over other Mortgages) made in good faith and for value. Such lien, when delinquent, may be enforced by suit, judgment, and foreclosure in the same manner as a Mortgage. The Association may sue to recover a money judgment for unpaid assessments and related charges, including attorney's fees, without foreclosing or waiving the lien securing the same.

7.2 Foreclosure Sale. The Association may bid for a Lot at the foreclosure sale and acquire, hold, lease, mortgage, and convey the Lot. When a Lot is owned by the Association following foreclosure: (a) no right to vote shall be exercised on its behalf, (b) no assessment shall be levied on it; and, (c) each other Lot shall be charged, in addition to its usual assessment, its pro rata share of the assessment that would have been charged such Lot had it not been acquired by the Association. The sale or transfer of any Lot shall not affect the assessment lien or relieve such Lot from the lien for any assessments thereafter becoming due. Where the Mortgagee holding a first Mortgage of record or other purchaser of a Lot obtain title pursuant to foreclosure of the Mortgage, it shall not be liable for the share of the assessments which became due prior to such acquisition of title. Such unpaid share of assessments shall be deemed to be Common Expenses collectible from Owners of all Lots, including such acquirer, its successors, and assigns.

7.3 Curing Defaults. On request of the Owner, after payment of all amounts due or other satisfaction of assessment liens, the Association shall record an appropriate release of the lien. The Association shall, on request, furnish to any Owner a written certificate setting forth whether assessments have been paid for any particular Lot, on advance payment of a reasonable processing fee as set by the Board.

7.4 Reallocation of Delinquent Assessments. To the extent the aggregate amount of uncollected delinquent assessments and collection costs exceeds the amounts budgeted for those purposes in any fiscal year, the Board shall make appropriate reductions in budgeted expenditures or levy supplemental assessments to maintain a balanced budget.

8. MAINTENANCE

8.1 Association's Responsibilities. The Association shall maintain and keep in good repair the Common Areas, which shall include, but need not be limited to all utility

easements, landscape areas, parking areas, driveways and the Storm Tract as shown on the Plat, including any retaining walls, bulkheads, and dams retaining water in them, and any pumps, conduits and similar equipment installed in or used in connection with them. The Association shall be relieved of its responsibilities under this Section to the extent they are assumed by any local, state or federal governmental agency or any private utility, except that the Association may provide any additional maintenance for the Common Areas if the Board determines that such additional maintenance is necessary or desirable.

8.2 Public Utilities and Public Facilities. The Association has no obligation to maintain, replace or restore any public utilities or public facilities located within the Property but not owned by the Association.

9. OWNER MAINTENANCE AND USE RESTRICTIONS

9.1 General. The Property shall be used only for purposes permitted by ordinances, zoning plans, and regulations of the City of Rochester and Thurston County, Washington, and the restrictions in this Declaration.

9.2 Maintenance. Each Owner shall maintain its Lot, including, without limitation, all structures and other improvements comprising the Lot, which are not part of the common areas, in an attractive, neat, clean, tidy, well-maintained condition and in a manner consistent with all applicable covenants. In addition to any other enforcement rights, if Owner fails properly to maintain its Lot, the Association may perform such maintenance and assess the costs against the Lot and the Owner under Sections 5.4 and 6; provided, the Association shall give the Owners reasonable notice and an opportunity to perform such maintenance, unless the Board determines that maintenance is needed on an emergency basis. Nothing shall be done, maintained, stored or kept outside enclosed structures of a Lot which the Board finds to cause an unclean, unhealthy, or untidy condition. Any structures, equipment or other items permitted on the exterior portions of a Lot shall be kept in a neat and attractive condition and promptly be repaired or removed if the Board finds they have fallen into disrepair. All outside storage on any Lot shall be fenced and screened so that items stored therein will not be visible from adjacent Lots or public thoroughfares. All metal buildings or structures on any Lot shall have exterior concrete or masonry wainscoting not less than four feet high (measured from ground level).

9.3 Industrial Uses. A Lot shall be used only for Thurston County PID (planned industrial district) purposes, which includes industrial through commercial purposes.

10. EASEMENTS

10.1 Common Areas. Every Owner shall have a right and nonexclusive easement for use, access, and enjoyment in and to the Common Areas, subject to:

- (a) this Declaration, any other applicable covenants, and the terms of any deed conveying such property to the Association;

(b) the right of the Board to adopt rules regulating use of the Common Areas;

(c) the right of the Association to transfer all or part of the Common Areas to governmental entities under Section 5.6; and

(d) the right of the Association to mortgage, pledge, or hypothecate any or all of its real or personal property as security for money borrowed or obligations incurred.

Any Owner may extend such Owner's right of use and enjoyment to its lessees, employees, guests, and business invitees, subject to rules of the Board. An Owner who leases a Lot shall be deemed to have assigned all such rights to the lessee.

10.2 Easements for Stormwater Maintenance. Declarant reserves for itself, the Association and their respective successors and designees the non-exclusive right and easement, but not the obligation, to enter the infiltration galleries within the Common Areas to (a) install, maintain, and replace pumps; (b) construct, maintain, and repair any bulkhead, wall, dam, or other structure retaining water; and, (c) fulfill their maintenance responsibilities under this Declaration. Declarant, the Association, and their designees shall have an access easement over and across any of the Property abutting or containing any portion of any of the infiltration galleries and/or the Storm Tract as depicted on the Plat to the extent reasonably necessary to exercise their rights under this Section. Declarant further reserves to itself, the Association and their respective successors and designees, a perpetual, non-exclusive right and easement of access and encroachment over the Common Areas and Lots. All Persons exercising these easements shall use reasonable care in, and repair any damage resulting from, such activities. The Property is subject to an Agreement with the County of Thurston entitled "Guava Street Industrial Resource Protection", recorded in the Office of the Auditor of Thurston County on February 24, 2009 under Auditor's File No. 4062558. The Property is also subject to an Agreement with the County of Thurston entitled "Commercial Agreement to Maintain Stormwater Facilities and to Implement a Pollution Source Control Plan", recorded in the Office of the Auditor of Thurston County on July 20, 2010 under Auditor's File No. 4160956. The use of the Property is restricted by said agreements.

10.3 Easement for Maintenance and Enforcement. Authorized agents of the Association shall have the right, but not the obligation, and a perpetual easement is hereby granted to the Association, to enter all portions of the Property, including each Lot, to (a) perform its maintenance responsibilities hereunder, and (b) make inspections to ensure compliance with this Declaration, the Bylaws, and rules. Except in emergencies, entry onto a Lot shall be only during reasonable hours and after notice to and permission from the Owner. This easement shall be exercised with a minimum of interference to the quiet enjoyment of Owners' property, and any damage shall be repaired by the Association at its expense. The Association also may enter a Lot to abate or remove, using such force as may be reasonably necessary, any

structure, thing, or condition which violates this Declaration, the Bylaws, or the rules. All costs incurred, including reasonable attorney's fees, shall be assessed against the violator.

10.4 Lots Subject to Easements. Each Lot is subject to the utility, driveway and parking easements as shown on the Plat. The easements on all Lots are for the use and benefit of all of the Owners and lessees and their licensees and invitees subject to the Bylaws and any rules and regulations adopted by the Board of Directors. The driveway and parking areas depicted on the Plat contain and are subject to ingress, egress and parking easements for the use and benefit of all Owners and lessees and their respective licensees and invitees, subject to the Bylaws and any rules and regulations adopted by the Board of Directors.

11. PROPERTY AND LIABILITY INSURANCE

11.1 Association Insurance. The Board shall obtain a commercial general liability policy covering the Common Areas, including landscape areas, driveway and parking areas, insuring the Association and its Members for all damage or injury caused by the negligence of the Association, and any of its Members, its employees, agents, or contractors acting on its behalf. If generally available at reasonable cost, the liability policy shall have at least a One Million Dollars (\$1,000,000) combined single limit per occurrence and in the aggregate. Premiums for all insurance shall be Common Expenses included in the Base Assessment. The policies may contain reasonable deductibles which shall be disregarded in determining whether the insurance meets the coverage requirements. In the event of an insured loss, the deductible shall be treated as a Common Expense in the same manner as premiums for the applicable insurance. However, if the Board reasonably determines, after notice and an opportunity to be heard under the Bylaws, that the loss resulted from negligence or willful misconduct of one or more Owners, the Board may assess the full amount of such deductible against such Owners and their Lots under Section 6.

All insurance coverage obtained by the Board on behalf of the Association shall:

- (a) Be written with a company authorized to do business in Washington;
- (b) Be written in the name of the Association as trustee for the benefited parties. Policies on the Common Areas shall be for the benefit of the Association and its Members.
- (c) Vest in the Board exclusive authority to adjust losses provided that a Mortgagee having an interest in such losses may participate in any settlement negotiations;
- (d) Provide that it will not be brought into contribution with insurance purchased by individual Owners, occupants or their Mortgagees;

(e) If for property insurance, have inflation guard endorsements, if reasonably available, and if containing a co-insurance clause, in an agreed amount endorsement, if reasonably available; and,

(f) Provide for a certificate of insurance to be furnished to the Association. A copy of such certificate shall be provided by the Association to any Member upon request.

The Association shall arrange for an annual review of the insurance coverage by one or more qualified persons.

The Board shall use reasonable efforts to secure insurance policies that provide endorsements:

(i) Waiving subrogation as to any claims against the Association's Board, officers, employees, and manager, the Owners and occupants of Lots and their respective employees, servants, agents and guests;

(ii) Providing that the policy may not be cancelled, invalidated, suspended, or subjected to non-renewal on account of any one or more individual Owners;

(iii) Excluding individual Owners' policies from consideration under any "other insurance" clause; and,

(iv) Providing that the Association will be given at least thirty (30) days' prior written notice of any cancellation, substantial modification, or non-renewal.

The Board also shall obtain, as a Common Expense, employer's liability insurance, if and to the extent required by law, and such other insurance as it deems necessary or advisable.

11.2 Owners Insurance. By taking title to a Lot subject to this Declaration, each Owner acknowledges that the Association has no obligation to provide any insurance for any Lot and covenants and agrees with all other Owners and with the Association that it will be solely responsible for any property insurance for its Lot and structures constructed thereon and for any liability policy covering damage or injury occurring on a Lot.

11.3 Damage and Destruction.

(a) Immediately after damage to all or any part of the Common Areas covered by insurance written in the name of the Association, the Board or its agent shall file all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used

in this Section, means repairing or restoring the property to substantially the condition existing prior to the damage, with any changes needed to comply with applicable codes.

(b) Any damage to the Common Areas shall be repaired or reconstructed unless the Owners holding at least 75% of the total Class "A" votes in the Association, and the Class "B" Member, if any, decide within sixty (60) days after the loss either (i) not to repair or reconstruct or (ii) to construct alternative improvements.

If either the insurance proceeds or reliable, detailed estimates of the cost of repair or reconstruction are not available to the Association within the sixty (60) day period, then the period may be extended for not more than sixty (60) additional days.

11.4 Disbursement of Proceeds. Any insurance proceeds remaining after paying for repair or reconstruction or, if no repair or reconstruction is made, after settlement as is necessary and appropriate, shall be retained by the Association and placed in a capital improvements account.

11.5 Repair and Reconstruction. If insurance proceeds are insufficient to pay for repairing or reconstructing the damage to the Common Areas, the Board may, during and following the completion of any repair or reconstruction and without membership approval, levy Special Assessments to pay for such repair or reconstruction against the Owners on a pro rata basis.

12. CONDEMNATION OF COMMON AREAS

12.1 Owner's Rights. Whenever any part of the Common Areas shall be taken or conveyed under threat of condemnation by any authority having the power of eminent domain, each Owner shall be entitled to notice thereof. The Board may convey Common Areas under threat of condemnation only if approved in writing by Owners holding at least 75% of the total votes in the Association.

12.2 Award Distribution. The award made for such taking or conveyance shall be payable to the Association as trustee for all Owners to be disbursed as follows:

If the taking involves a portion of the Common Areas on which improvements have been constructed, the Association shall restore or replace such improvements on the remaining land included in the Common Areas to the extent practicable, unless within sixty (60) days after such taking Declarant, so long as Declarant owns any property described in Exhibit "A", and Owners holding at least 75% of the total votes of the Association otherwise agree. Any such construction shall be in accordance with plans approved by the Board. The provisions in Section 10 regarding the disbursement of funds for the repair of casualty damage shall apply.

13. ARCHITECTURAL REVIEW

13.1 Improvements Subject to Review. No improvements (including staking, clearing, excavating, grading and other site work) or exterior alteration of existing improvements on any Lot shall take place except in compliance with this Section and with the approval of the Architectural Committee (as defined below) except:

- (a) improvements to the interior of structures, if not visible from Common Areas, public roads or nearby Lots;
- (b) installation of underground utilities and similar improvements within easements previously established for that purpose; and,
- (c) actions taken by the Declarant to develop any part of the Property.

Except as limited above, an owner may remodel or redecorate the interior of buildings in any manner desired, or rebuild structures in accordance with originally approved plans and specifications, without approval under this Section.

13.2 Architectural Committee. Review of applications for construction and modifications under this Section shall be handled by a committee of not less than two (2) persons appointed by the Board of Directors. Committee members need not be Owners or representatives of Owners and may, but need not, include architects, engineers or similar professionals, whose compensation, if any, shall be established by the Board. The Board may establish reasonable fees for review of applications and require them to be paid prior to review.

13.3 Purpose. The purpose of the Architectural Committee shall be to ensure that all improvements, construction, and modifications conform to the requirements of this Declaration.

13.4 Time Limit for Review and Automatic Approval. If the Architectural Committee fails to approve or to disapprove any application within thirty (30) days after submission of all information and materials reasonably requested, the application shall be deemed approved. However, no approval whether expressly granted or implied, shall be inconsistent with this Declaration.

13.5 No Waiver of Future Approvals. The approval of any proposals, plans specifications, drawings or other matters in any one instance shall not be deemed a waiver of any right to withhold subsequent approval of any similar proposals, plans, specifications, drawings or matters.

13.6 Limitation of Liability. The Architectural Committee shall not be responsible for the structural integrity or soundness of approved construction or modifications, nor for ensuring compliance with building codes and other governmental requirements. Neither Declarant, the Association, the Board, nor any committee, nor member of any of them, shall be

liable for any injury, damage, or loss arising out of the manner or quality of approved construction or modifications.

13.7 Failure to Submit Plans: Nonconformity. Any construction, alteration, or other work done in violation of this Section shall be deemed nonconforming. On written request from the Board or Declarant, Owners shall, at their own expense, cure such nonconformance to the satisfaction of the requester or restore the land to substantially the same condition as existed prior to the nonconforming work. If an Owner fails to so cure or restore, the Board, Declarant, or their designees may do so at the Owner's expense and assess the cost against the benefited Lot as a Specific Assessment under Section 6.

14. GENERAL PROVISIONS

14.1 Term. This Declaration shall run with and bind the Properties, and shall inure to the benefit of and shall be enforceable by the Declarant, the Association and the Owners, their respective representatives, heirs, successors and assigns, perpetually, to the extent allowed by law.

14.2 Amendment. Unless otherwise indicated, all references to documents also include such amendments made thereto from time to time.

(a) **By Declarant.** Until termination of the Class "B" membership, Declarant may unilaterally amend this Declaration if such amendment is necessary to: (i) bring any provision into compliance with any applicable government statute or regulation or judicial determination; (ii) enable any reputable title insurance company to issue title insurance coverage on the Lots; (iii) enable any institution or government agency to make or purchase mortgage loans on the Lots; (iv) enable any government agency or reputable private insurance company to insure or guarantee mortgage loans on the Lots; or, (v) otherwise satisfy the requirements of any governmental agency or governmental regulations. However, any such amendment shall not adversely affect the title to any Lot without written consent of its Owner. So long as Declarant owns property described in Exhibit "A" as part of the Properties, it may unilaterally amend this Declaration for any other purpose, provided the amendment has no material adverse effect on any substantive right of any Owner and does not adversely affect the title to any Lot without written consent of its Owner.

(b) **By Owners.** This Declaration may also be amended by the affirmative vote or written consent, or any combination thereof, of Owners holding at least 75% of the total Class "A" votes in the Association with written consent of Declarant.

Notwithstanding the above, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause. Amendments must be recorded in the public records of Thurston County, Washington.

No amendment may remove, revoke, or modify any right or privilege of Declarant without written consent of Declarant.

14.3 Severability. Invalidation of any provision or application of a provision of this Declaration by any court shall not affect any other provisions or applications.

14.4 Litigation. No judicial or administrative proceeding shall be commenced or prosecuted by the Association unless approved by Owners holding at least 75% of the total votes in the Association, except for actions brought by the Association to: (a) enforce this Declaration; (b) impose and collect assessments under Section 6; (c) challenge tax assessments and other matters relating to taxes for which the Association may be liable; and, (d) counterclaims by the Association in proceedings instituted against it.

14.5 Use of Words "Schmidt Park". No Person shall use the words "Schmidt Park", or the logo of Schmidt Park, or any derivative thereof in any printed or promotional material without prior written consent of the Association. However, Owners may use the words "Schmidt Park", and the logo thereof, in printed or promotional matter where such words are used solely to specify their particular property is located within "Schmidt Park".

14.6 Notice of Sale or Transfer of Title. Any Owner selling or otherwise transferring title to a Lot shall give the Board at least seven (7) days' prior written notice of the name and address of the transferee, the date of such transfer of title, and such other information as the Board may reasonably require. Each transferee of a Lot shall, within seven (7) days of taking title to a Lot, confirm that the information previously provided by the transferor is complete and accurate.

IN WITNESS WHEREOF, the undersigned Declarant has executed this Declaration this 27 day of April, 2012.
