

The Owner of Heritage, Heritage IR¹, Heritage Woodgate, Heritage Premium and Heritage Vintage shingles may transfer this Limited Warranty one time during the first five (5) years of the Term to a Purchaser. The Owner of Elite Glass-Seal and Glass-Seal shingles may transfer this Limited Warranty one time during the first two (2) years of the Term to a Purchaser. No other transfers are permitted.

Introduction: The Limited Warranty for your Shingles is the version in effect on the date of retail purchase. Information included in this version of the Limited Warranty was current at time of printing. We have attempted to write this Limited Warranty, including the limitations and restrictions, in plain English so that it is easy to read and understand. There are certain capitalized words that have defined meanings; see the section below titled Definitions. You should become familiar with these terms and conditions. If you have any questions or need to obtain a copy of this Limited Warranty, visit us online at tamko.com or call us at 800-641-4691. If you are not satisfied with the terms and conditions of this Limited Warranty, return all unopened marketable Shingles to the original place of purchase for a refund.

How Long Will Your Shingles Last: It is natural for your roof to age. The process begins as soon as your Shingles are installed and exposed to the elements of nature. The length of time your Shingles will continue to perform their intended purpose of shedding water will depend on many factors, including weather, snow, intensity of the sun, pollution, walking on the roof and debris from nearby trees. Because no two buildings experience these and other aging factors in the same way, it is difficult to accurately predict the period of time your Shingles will last. This Limited Warranty, subject to its terms and conditions, provides you a remedy during the Term (as defined below) in the event a manufacturing defect directly results in leaks.

Mandatory Binding Arbitration: Every claim or controversy between You and TAMKO and/or its employees and agents, arising from or relating to the Shingles and/or this Limited Warranty shall be resolved by final and binding arbitration. Notwithstanding the foregoing, individuals who purchased the Shingles for personal, family or household purposes may pursue a claim in any small claims court with jurisdiction provided the claim is made as an individual action and not as part of a class. To arbitrate an action against TAMKO, You must initiate the arbitration in accordance with the applicable rules of the American Arbitration Association, the Judicial Arbitration and Mediation Service or other arbitration service agreed to in writing by You and TAMKO, and provide written notice to TAMKO by certified mail at P.O. Box 1404, Joplin, Missouri 64802. The arbitrator shall have the authority to render the same relief as a court of competent jurisdiction when resolving disputes regarding the Shingles and/or this Limited Warranty. When allowed by the rules of arbitration, the prevailing party shall be entitled to recover its costs and reasonable attorney's fees.
