**DECLARATION OF ANNEXATION OF
LAND SUBJECT TO THE ROAD EASEMENT
MAINTENANCE OBLIGATION**

THIS DECLARATION OF ANNEXATION dated this 5 day of
NOVEMBER, 2001, is made pursuant to the affirmative vote of more than
sixty percent (60%) of the Owners of parcels in Westwood Ranches Phase VI,
Phase VII, Phase VIII and Phase IX, and Declarant (Diamond 7 Ranch, L.L.C.),
annexing the real property described in Exhibit "A" known as Westwood
Ranches Phase IX to the real property presently subject to the Road Easement
Maintenance Obligation ("REMO") hereinafter described and making the
Owners of parcels in Westwood Ranches Phase IX subject to the terms,
conditions, obligations, duties and rights as set forth in REMO as now or
hereafter amended.

The Road Easement Maintenance Obligation to which the real property
described in Exhibit "A" shall be subject was recorded at Docket 2034, Page

Coconino County Records as amended by Amendment recorded at Docket
2041, Page 001, Coconino County Records.

By this Declaration of Annexation, the roads which shall be maintained by the Westwood Ranches Phase VI Owners Road Maintenance Association (the "Association") shall be enlarged to include those roads in Phase IX which, although subject to change, are preliminarily designated for maintenance and are generally set forth in the map attached hereto as Exhibit "B" which roads will include those portions which go over state land pursuant to state land right-of-ways No. 16-105619 and No. 16-106680; and the road system to be maintained by the Association shall be reflected in the map which will be available at the offices of the Association. Upon the effective date of this annexation the Owners of parcels of real property located in Westwood Ranches Phase IX shall become members of the Association, and subject to the Association's Articles of Incorporation and Bylaws in addition to the aforesaid REMO.

Now the real property described in Exhibit "A" is hereby annexed, and shall be subject to each and all of the terms, provisions, conditions, restrictions, covenants, liens and assessments contained in the REMO as if fully contained and described herein as originally recorded and heretofore amended; provided, however, that no parcel in Phase IX shall be subject to assessment until the first parcel in Phase IX is sold by Declarant.

The real property subject to this Declaration of Annexation shall become irrevocably submitted to the REMO upon the recording of this Declaration of Annexation.
