Invalidation of any of the following Restrictive Covenants by Judgement or Court Order shall not affect any of the provisions, which shall remain in full force and effect. The failure to enforce any of the Restrictive Covenants at the time of violation shall not be deemed a waiver to enforce the covenants.

1. The Grantor herein reserves unto itself, its successors or assigns, the right to erect and maintain all utility poles, conduits, lines and equipment, water and sewer lines, television cables, or to grant easements or rights of ways therefor, with the right of ingress and egress for the purpose of erection or maintenance on, over or under a strip of land Twenty (20') feet wide at any point along the side, Forty (40') feet wide along the rear, and Fifty (50') feet on front right of way lines of any of said lots, except lots 22, 23, 24, 25, 26, 27, 28 and 29 as to front lot lines which shall have a Twenty Five (25') foot easement each from center line of right of way. This shall not include basement, porch, garage or carport. All exterior construction must be completed and closed within One (1) year of the commencement date of construction. That the exterior of any residence on property herein conveyed shall be of new construction and new materials, either frame, brick or stone with the wood either painted or stained, exisiting cabin on Lot 21 is expressly exempted from those requirements.

All household pets, such as dogs and cats, may be kept provided they are not bred or maintained for commercial purposes. 9. The roadways or rights of ways constructed on the property herein conveyed are for the use in common of the Grantor, Grantees, their respective heirs, successors and assigns. Natural flowage of any water is not to be altered by construction of private entrances to lots.
