Article II. THE WarBONNET RANCH ASSOCIATION

Organization of the Association.

Grantor has organized the Association to manage the business and affairs of the Ranch in accordance with applicable law and the Governing Documents.

Membership.

Each Owner, by virtue of being an Owner and for so long as such ownership is maintained, shall be a member of the Association, and no Owner shall have more than one membership per Tract in the Association. Memberships in the Association shall be appurtenant to, and may not be separated from, ownership of a Tract. Membership in the Association shall not be transferred, pledged, assigned or alienated in any way except upon the transfer of the Tract that such membership is appurtenant to. Any attempt to make a prohibited membership transfer shall be void and will not be reflected on the books of the Association.

Membership Meetings; Voting.

The Association shall hold an annual, members meeting, and periodic special meetings as set forth in the Bylaws. Each Owner shall be entitled to one vote as a member in the Association for each Tract owned by that Owner.

Board of Directors.

The business and affairs of the Association shall be managed by a board of directors (the "Board"). The Board shall consist of not less than three (3) directors and no more than five (5) directors. The Owners shall have the right to appoint, remove or replace directors as provided in the Bylaws. Any vacancy on the Board may be filled by majority vote of the remaining Directors, through a special election at any meeting of the Board. A Director may be removed for cause as provided in the Bylaws.

Powers of the Association.

The Association shall have all the powers of a nonprofit corporation organized under Wyoming law and all of the powers and duties set forth in the Governing Documents, including the power to perform any and all acts which may be necessary to, proper for or incidental to the foregoing powers.

Association Records; Owner Inspection.

The Association shall keep such records of its business and affairs as required under Wyoming Law. The Association's obligations hereunder may be fulfilled by making the records available to an Owner electronically.

Immunity; Indemnification.

Each Owner understands and agrees that Grantor, the Association, and the directors, officers, agents, employees and committee members of any of them (each individually a "Released Party") shall be immune from personal liability to such Owner or any other person, and such Owner hereby knowingly and voluntarily waives and releases each Released Party, for such Released Party's actions or failure to act with respect to the Governing Documents that does not constitute gross negligence or willful misconduct on the part of such Released Party. The Association shall indemnify, defend and hold each Released Party harmless from any action, expense, loss or damage caused by or resulting from such Released Party's actions or failure to act with respect to the Governing Documents.

Waiver of Consequential Damages.

The Association shall not be liable to any Owner, and each Owner releases the Association from any form of indirect, special, punitive, exemplary, incidental or consequential or similar costs, expenses, damages or losses.

Article III. GENERAL AND SPECIFIC OBLIGATIONS AND RESTRICTIONS

Residential Use.

All Tracts shall be used exclusively for residential purposes only and other uses incidental thereto as permitted under any applicable law; provided, however, that nothing in this Section 3.01 shall be deemed to prevent the construction of guests houses in accordance with this Declaration or the cultivation of crops for domestic consumption.

Common Area Use; Barn Manager.

After the Initial Development Period, the Board shall establish a plan for coordinating each Owner's use of the Common Areas, which may include establishing Domestic Animal vaccination records and Common Area check-in procedures, establishing a scheduling system for the Common Area barn and horse arena use by Owners, and establishing procedures for clean-up and maintenance of the Common Area horse arena, barn, and stalls. Each Owner shall follow the rules and procedures established by the Board in their use of the Common Areas. In addition, the Board may hire a Barn Manager, who may be an Owner, who shall be responsible for assisting in the development and implementation of the foregoing procedures and coordinating each Owner's use of the Common Areas.

Maintenance Obligations.

Each Owner shall keep such Owner's Tract and any and all Improvements thereon in good condition and repair, except the Shared Access Roads which are to be maintained by the Association. All rubbish, trash and garbage shall be regularly removed from each Tract, and shall not be allowed to accumulate thereon. Each Owner shall be responsible for arranging for private pick-up or removal of garbage at least once every two (2) weeks. In addition, Owners shall take all actions necessary to control noxious weeds not eliminated by the Association.

Nuisances.

Each owner shall keep their Tract in a nuisance free condition.

Vehicles and Equipment.

No abandoned or inoperable vehicles shall be placed upon any portion of the Ranch, unless the same are located in the Owner's garage or in such location on the Owner's Tract that is not visible to adjacent Owners or from the Shared Access Road.

Pets/Domestic Animals.

Household Pets shall be properly controlled so they do not cause a nuisance to others. A reasonable number of horses, hens, roosters, and cattle (collectively "**Domestic Animals**") may be kept by Owners on their Tracts. The Owner of a Tract where Domestic Animals are kept shall be responsible for the proper confinement and control of the Domestic Animals on their Tract so that the Domestic Animals do not become a nuisance.

Temporary Structures.

No trailer home, tent, shack, garage, yurt, or other unattached structure (not including a barn with living quarters) erected on a Tract shall, at any time, be used as a residence, provided, however, each Owner shall have the right to use an RV or similar mobile unit (e.g. horse trailer with living quarters) on their Tract for vacation purposes, so long as the Owner does not dispose of any gray water on the Tract or anywhere on the Ranch.

Water Resources; Water Supply Systems; Sewage Disposal.

There shall be no alteration of natural water courses on the Tracts other than in connection with such improvements or enhancements as may be made by governmental authority of competent jurisdiction or as may be approved by the Board. Each Owner shall, at their sole cost and expense, be responsible for the construction and maintenance of their own private water supply system on their Tract. Each individual water supply shall conform to all applicable standards of Crook County, the State of Wyoming, or any other regulatory agency, and shall be approved by all government authorities having jurisdiction. Each Owner, at their sole cost and expense, shall be responsible for the construction and maintenance of their own private sewage disposal system on their Tract. Each residential structure shall be connected to the private sewage disposal system. Each individual Sewage disposal system shall conform to all applicable standards of Crook County, the State of Wyoming, or any other regulatory agency, and shall be approved by all government authorities having jurisdiction.

Section III.9 Limitation of Other Activities. No Owner of any Tract shall have the right to enter, cross, or use the property of any other Tract, except for the Shared Access Road and as otherwise stated in this Declaration. Four-wheel all-terrain vehicles, snowmobiles, and dirt bikes may be used by any Owner, or such Owners' guests and invitees within the Owner's Tract, so long as such use does not create a nuisance to the Owners of other Tracts.

Article IV. DESIGN & CONSTRUCTION

Design & Construction.

All Improvements shall conform with any and all applicable building codes and land use regulations of Crook County. The Board shall have the power and authority to adopt, amend and repeal such rules and regulations as the Board deems reasonable to ensure that all Improvements in the Ranch conform and harmonize as to quality and type of construction, architectural character, materials, color, height, natural conditions and other design or aesthetic considerations (the "**Design Requirements**"). Regardless of the type of Improvement being constructed on a Tract, once construction has commenced (which commencement shall be measured from the breaking of ground on the Tract), it must be completed within twenty-four (24) months from the date construction commenced unless the Board grants an extension in writing. The Board may authorize variances from any of the Design Requirements when the Board deems it desirable to address special circumstances.

Article V. ASSESSMENTS

Covenant to Pay Assessments.

Each Owner covenants and agrees to pay when all Assessments made against such Owner or such Owner's Tract pursuant to the Governing Documents. Assessments against a Tract shall be a continuing lien on such Tract until paid, whether or not ownership of such Tract is transferred. Assessments against a Tract are also the personal obligation of the Owner of the Tract when the Assessment becomes due and payable. Common Areas, the Shared Access Roads, and any Tracts owned by the Association shall be exempt from Assessments.

Regular Assessments.

Regular Assessments are to be used to pay for all costs and expenses incurred by the Association for the conduct of its affairs or the exercise of any of the Association's powers, duties or obligations under the Governing Documents (collectively, the "Expenses"). Without limiting the generality of the foregoing, Expenses may include the following: (i) Noxious Weed Control ≈ \$2,000.00 / year; (ii) Non-Commercial General liability insurance for the Common Area ranch house & out buildings ≈ \$10,000.00 / year; (iii) Common Area Ranch House Trash, Telephone, Satellite Television, Electricity, and Taxes ≈ \$5,900.00 / year; (iv) The costs and expenses of construction, improvement, protection, insurance, maintenance, repair, management and operation of the Common Area and all Improvements located in other areas that are owned, managed or maintained by the Association. The Association may require payment of Regular Assessments in quarterly, semi-annual or annual installments. Each Owner shall be assessed and shall pay an amount computed by multiplying the Association's total advance estimate of Expenses by the fraction produced by dividing the number of Tracts owned by such Owner by the total number of Tracts.

Special Assessments.

The Board may levy a Special Assessment to collect additional funds needed to meet the Expenses for such calendar year.

Section V.4 Road District. A road district may be formed. The annual road maintenance fee for each Tract will be \$550.00 per year for maintenance of and snow removal from the Shared Access Roads. There will be an annual meeting each year to discuss road district topics, finances and set the next year's road maintenance fee per Tract.

Section V.5 Assessment Liens. Each Owner, by his or her acceptance of a deed to a Tract, hereby vests in the Association and its agents the right and power to bring all appropriate actions against such Owner personally for the collection as a debt of any unpaid and delinquent billings for Regular Assessments, Special Assessments, interest, late fees, enforcement costs and other charges owing by such Owner in accordance with the terms hereof. In order to secure the payment of the foregoing, each Owner, by his or her acceptance of a deed to a Tract, hereby grants the Association and its agents a continuing claim of lien with power of sale on the Tract owned by the Owner to secure payment of any and all Assessments levied against such Tract pursuant to the Governing Documents, together with interest thereon at the legal rate in Wyoming and all collection costs and attorneys' fees which may be paid or incurred by the Association in connection therewith.

Article VI. RIGHTS TO COMMON AREAS AND SHARED ACCESS ROADS

Use of Common Area.

Every Owner shall have a right to use the Common Areas and Shared Access Roads as set forth in this Declaration subject to the Governing Documents.

Association's Responsibility.

The Association shall maintain and keep the Common Area and Shared Access Roads and any other Improvements owned, managed or maintained by the Association in good condition and repair. The Association shall have the right to control vehicular circulation through the Shared Access Roads by such means as establishing speed limits, installing speed bumps, or by any other means reasonably adopted by the Association.

Article VII. EASEMENTS

Recorded Easements.

The Ranch shall be subject to all easements shown on any easements that are established or of record, including easements set forth on the Plat. All conveyances of Tracts made after the date of the recording of the Declaration, whether by Grantor or otherwise, shall be construed to grant and reserve the easements contained in this Article 7, even though no specific reference to such easements or to this Article 7 appears in the conveyance instrument.

Easements of Access.

Each Owner and occupant of a tract and each of their guests or invitees are hereby granted a non-exclusive perpetual easement and right-of-way to use the Shared Access Roads for vehicular, equestrian, and pedestrian ingress and egress, access to and from their Tract,

and for other road purposes. No Owner shall grant an easement for access or allow access across his/her Tract to adjoining properties that are not part of the Ranch.

Emergency Easement.

A general easement is hereby granted to all police, sheriff, fire protection, ambulance, and all other similar emergency agencies to enter upon the Ranch, or any Tract located thereon, in the proper performance of their duties.

Maintenance Easement.

An easement is hereby reserved to the Association upon, across, over, in and under the Tracts and a right to make such use of the Tracts as it may deem necessary or appropriate to make emergency repairs or to perform the duties and functions which the Association is obligated or permitted to perform pursuant to the Governing Documents, including the right to enter upon any Tract for the purpose of performing maintenance to the Shared Access Roads, Common Areas, utilities, infrastructure, and for the purpose of spraying for noxious weeds. Nothing herein shall relieve each Owner's obligation to maintain Improvements on such Owner's Tract.

Section VII.5 Term. The easements created hereunder shall be perpetual, subject only to extinguishment by the holders of such easements as provided by law. The remainder of this Declaration shall run until December 31, 2045 and thereafter shall be automatically extended for successive periods of ten (10) years each, unless amended or extinguished by a written instrument signed and acknowledged by the president and secretary of the Association certifying and attesting that such instrument has been approved by the vote or written consent of Owners representing sixty percent (60%) or more of the total voting power in the Association and such written instrument is recorded with the Crook County Recorder's Office

Article VIII. AGREEMENT TO AVOID LITIGATION

- (i) Grantor, the Association, and the Owners agree that it is in their best interests to provide a fair, impartial and expeditious procedure for the resolution of disputes related to the Governing Documents instead of costly, lengthy and unpredictable litigation. Accordingly, all parties agree that all claims, grievances or disputes arising out of or relating to the Governing Documents ("Claims") shall be subject to the provisions below. If a party has a Claim against any other party, they shall notify such party of the Claim in writing, stating plainly and concisely the following: (a) the nature of the Claim; (b) the legal basis of the Claim (i.e., the specific authority out of which the Claim arises); (c) the basic facts supporting the allegations in the Claim; (d) the other persons involved in the Claim or with personal knowledge of the facts alleged; and (e) the proposed remedy demanded. The parties to the Claim shall make reasonable efforts to meet in person to resolve the Claim by good faith discussions and negotiations, it being understood that the best opportunity to achieve a fair and satisfactory resolution to a Claim is ordinarily through early discussions and negotiations held in good faith. If the parties are unable to resolve the Claim through direct discussions within a reasonable time, either party may resort to traditional legal remedies.

Article IX. ANNEXATION AND DEANNEXATION; TRACT SPLITTING

Section IX.1 Grantor may annex additional lands into the Ranch from time-to-time by recording a supplement to this Declaration declaring such additional lands to be part of the Ranch and subject to this Declaration. Such supplement may add or delete covenants, conditions, restrictions and easements applicable to the annexed lands as Grantor may deem appropriate, so long as such additions or deletions do not place an undue burden on the Association or the Ranch. Upon annexation, Owners within the annexed lands shall become Owners in the Ranch on equal footing with the then current Owners in the Ranch, and shall have the same rights, privileges and obligations (except as may otherwise be set forth in the annexing supplement). Grantor shall have the right to de-annex any property owned by Grantor from the Ranch upon Grantor's recordation of a supplement identifying the de-annexed lands and declaring that such lands shall no longer be subject to this Declaration. **NO TRACT MAY BE DIVIDED OR SUBDIVIDED IN ANY MANNER. ALL TRACTS MUST BE A MINIMUM OF THIRTY-FIVE (35) ACRES IN SIZE.**

Article X. MISCELLANEOUS

Interpretation.

This Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the development and operation of the Ranch. All captions and titles used in this Declaration are intended solely for convenience of reference and shall not affect that which is set forth in any of the provisions hereof. In the event that any provision of this Declaration is deemed ambiguous on any matter, the Board's interpretation of such provision shall be given deference so long as the interpretation is a permissible construction of such provision.

Governing Law.

This Declaration shall be governed by the laws of the State of Wyoming without regard to its conflicts of law principles. Any legal action to interpret or enforce this Declaration shall be filed exclusively in the state or federal courts situated in Crook County, Wyoming.

Severability.

Each provision of this Declaration shall be deemed independent and severable, and the invalidity or partial invalidity of any provision or portion thereof shall not affect the validity or enforceability of any other provision herein.

Entire Agreement.

This Declaration is the sole agreement between the parties with respect to the subject matter herein and supersedes all prior understandings and agreements with respect to the subject matter hereof.

No Waiver.

No waiver by the Association hereunder may be oral. No waiver, forbearance, delay, indulgence or failure by the Association to enforce any of the provisions of this Declaration shall in any way prejudice or limit the Association's right thereafter to enforce or compel strict compliance with the provision hereof, any course of dealing or custom of the trade notwithstanding. No delay or omission on the part of the Association shall operate as a waiver thereof, nor shall any waiver by the Association of any breach of this Declaration operate as a waiver of any subsequent or continuing breach of this Declaration.

Enforcement; Remedies.

The failure of any Owner to comply with applicable law pertaining to the ownership, use or occupancy of any Tract or the Ranch, or to comply with any provision of the Governing Documents, is hereby declared a nuisance and gives rise to a cause of action in Grantor, the Association (on its own and/or on behalf of any consenting Owners) and any affected Owner for recovery of damages or for negative or affirmative injunctive relief or both enforce the provisions hereof only as set forth in this Declaration. Each remedy provided herein is cumulative and not exclusive. If any party initiates or defends any legal action or proceeding to interpret or enforce any of the terms of this Declaration, the substantially prevailing party shall be entitled to recover any costs and attorneys' fees reasonably incurred therein.

Consents and Approvals.

Any consents or approvals required or contemplated herein must be in a writing executed by the party whose consent or approval is required or contemplated. No Owner unreasonably withhold, condition, or delay its consent or approval of any matter requested by Grantor, the Association, or another Owner.

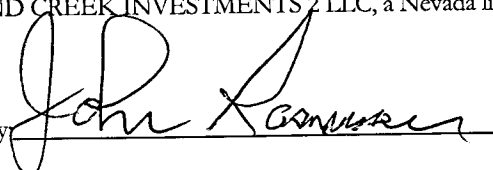

Section X.8 Notices. Any notices, consents, approvals, or other communications required or permitted by this Declaration shall be in writing and may be delivered personally, by electronic mail or by U.S. mail. Each Owner shall be responsible for ensuring that the Association has such Owner's then current mailing address, physical address, electronic mail address and telephone numbers. Each Owner shall be deemed to have received any notice when such notice is actually received by such Owner (regardless of the method of delivery) or when such notice is delivered to any of the addresses then currently on file with the Association. Notices delivered by U.S. Mail shall not be deemed received until three (3) business after posting. The Association shall provide the notices addresses of all Owners to Grantor or any other Owner promptly upon request.

Section X.9 Amendments. The Association shall have the right to amend this Declaration or any of the Governing Documents by written instrument, at any time and at its sole discretion, as it may deem reasonably necessary to comply with any governmental requirement that is or may become applicable to the Ranch. Any amendment or supplement to this Declaration shall be by an instrument in writing signed and acknowledged by the president and secretary of the Association certifying and attesting that such amendment or supplement has been approved by the vote or written consent of Owners representing more than sixty percent (60%) of the total voting power in the Association. No provision of this Declaration that requires action by the Board of Commissioners for Crook County, Wyoming may be amended without prior written approval of such board. Any supplement, amendment or termination of this Declaration shall be effective upon its recordation with the Crook County Recorder's Office and shall be binding on and effective as to all Owners, whether or not such Owners voted for or consented to such supplement, amendment or termination, unless otherwise prohibited by applicable law. Any supplement or amendment may add to and increase the covenants, conditions, restrictions, and easements applicable to the Ranch.

DATED effective as of the year and day first written above.
