None.

Comments

Productive Henry County farm located on a hard-surface road. In addition to row crops, there are 9.00 acres, m/l, of timber and a 1-acre pond.

Survey

Property is pending a survey. Final acres and legal description to come from boundary survey.

The information gathered for this brochure is from sources deemed reliable, but cannot be guaranteed by Hertz Real Estate Services or its staff. All acres are considered more or less, unless otherwise stated. All property boundaries are approximate. Soil productivity ratings are based on the information currently available in the USDA/NRCS soil survey database. Those numbers are subject to change on an annual basis.
