This excellent property has all the bones to be a great getaway. Nearly 300 acres to work with, Holmans Bridge Plantation offers an 8 acre bass pond, 25 acres of old fields, mature upland pines, upland hardwoods, and

mature bottomland hardwoods. The opportunity for making memories is certainly here. The 2 bed 1 bath home features a new roof (replaced in July 2021) and fresh interior paint. This is a great spot to relax while on

a weekend getaway with family or friends. The tractor shed, shop, and bird pen are sound. Turkey, deer, and fish are plentiful. This is a great opportunity to own one that has it all for under a million. Shown by Appointment Only.
