These Protective Covenants shall be deemed covenants running with the land and any Lot shall be held, owned, sold, transferred, conveyed, hypothecated, encumbered, leased, occupied, built upon and otherwise used, improved and maintained subject to all of the terms and provisions of these Protective Covenants.
- 7.03 It is understood and agreed that the foregoing covenants and restrictions shall attach to and run with the land for a period of fifty (50) years from the date hereof, at which time these covenants and restrictions shall be automatically extended for successive periods of ten (10) years, unless, by a vote of at least fifty-one percent (51%) of all votes in the Association, it is agreed to change the same in whole or part.

- 7.04 These covenants and restrictions may be amended or altered (a) solely by Developer during such time periods as the Developer owns any Lots within the Development, so long as such amendment does not materially and adversely affect or alter any Owner's right to use his/her Lot or (b) by the (i) vote of fifty-one percent (51%) of all votes in the Association and (ii) the written agreement of the Developer.
- 7.05 All personal pronouns used herein, whether used in masculine, feminine or neutral gender, shall include the plural and vice versa.

- 7.07 Notwithstanding anything provided herein to the contrary, no sale, transfer, conveyance, lease, pledge, encumbrance or other hypothecation of any Lot by Developer to any third party shall constitute or be deemed a transfer of any of the rights reserved herein to the Developer unless expressly reference is made in such instrument of conveyance to the specific rights created in these Protective Covenants which Developer is transferring to such third party.
- 7.08 Whenever in these Protective Covenants, Developer, the Association or the Committee has the right to approve, consent to or require any action to be taken, such approval, consent or required action shall, except as otherwise specifically provided herein to the contrary, be given or withheld in the sole and absolute discretion of Developer, the Association or the Committee, as the case may be.
- 7.09 Developer states that portion of the Development may include rainwater detention areas which are represented as detention easements and must be maintained by each Lot Owner whose Lot lines cross the easement and will be marked on the final plat.
