## Legacy Gated Estate on 57± Acres in the Heart of Madison, AL

Target Auction Company proudly presents this gated legacy estate, which is the crown jewel of northeast Alabama. A true masterpiece of quality and construction, all details were attended to, and no expense was spared in the formation of this custom architectural estate. The home boasts over 9,700 SF of living space, four car garage, detached garage with guest house, and outdoor kitchen. There is an olympic-size indoor pool as well as outdoor pool and infinity cocktail pool. Solar energy is also installed for increased efficiency. There is even a roof-top garden.

The grounds have been created to present an immaculate park-like setting with a lake, several ponds, streams, and hundreds of picture-perfect trees and landscaping. This landscape is unrivaled and offers complete privacy, pristine nature and sweeping views. There is a lakeside pavilion, barn, greenhouses with hydroponic growing systems in place for fruits and vegetables and maintenance facility. This rare opportunity offers a special way of life that is only available to a few.

Madison is one of the most desirable locations in the Southeast and this property sits only minutes away from Huntsville International Airport (HSV) and private jet service.
