# YADKIN COUNTY ENVIRONMENTAL HEALTH SITE PLAN WORKSHEET

Place a mark (x) beside each item that has been indicated on your site plan, incomplete site plans will be returned to you for completion. Remember: **Your property will not be scheduled for an evaluation until we have received a completed application, site plan, and all proposed items are marked on the property.**

- ☐ The dimensions of the property
- ☐ The location of all proposed structures (mobile home, house, business, outbuildings, pools, etc.). Show dimensions of the structures, and give distances from the road and/or property lines to the structures. If you are unsure as to the structure size, please show the dimensions of the **MAXIMUM** area of the lot that you anticipate the structure will cover.
- ☐ The preferred septic system area (the minimum area for a 3 bedroom septic system is 60'X120')
- ☐ The preferred driveway location
- ☐ The preferred well location (50' from house, 100' from septic tank system and 10' from property line)
- ☐ Sign below, date and PIN number
- ☐ A north arrow or other sufficient directional indicator
- N/A ☐ The location of any existing septic tank systems and wells on your property and on the adjoining property within 100' of your property line. If there are none, circle "N/A"
- N/A ☐ The location of any easements or right of ways on the property. If there are none, circle "N/A"
- N/A ☐ The location of any designated wetlands on the property. If there are none, circle "N/A"
