1. Consideration. The Grantee hereby agrees, in consideration of the granting of this easement, to discontinue its appeal of the decision of the Bureau of Land Management of the United States Department of the Interior, File No. 4115.11(15)(161) concerning a 10-year grazing lease, the rights to which Grantor has acquired.

2. Grant of Easement. The Grantor hereby grants to the Grantee and its successors and assigns, forever, a perpetual right of way and easement over, under, and across the Easement Premises for the purposes of unlimited access to Parcel 2 and adjacent lands now or hereafter acquired or leased by Grantee.

3. Use of Easement Premises. Without limiting the generality of the foregoing, the Grantee may use the Easement Premises: for ingress and egress for livestock; vehicular and pedestrian passage over and upon the surface thereof; for any utility access over or under the Easement Premises as may be necessary for the use and enjoyment of Parcel 2; and for the construction of any road thereon which Grantee, in its sole discretion, may determine is necessary for Grantee's purposes. The right of Grantee to use the Easement Premises shall not be exclusive, and Grantor may use the said easement and right of way without limitation upon its usage, including the construction of a road thereon by Grantor, and may grant other persons such right of use so long as such use does not unreasonably interfere with Grantee's use of the Easement Premises.

4. Maintenance of Easement Premises. Any party to this Easement who constructs a road on the Easement Premises shall have the sole obligation to maintain and repair the Easement Premises, and the other party shall have no responsibility therefor.

5. Further Assurances. In the event that Grantor shall obtain a corrective deed or other instrument changing or clarifying the description of Parcel 1, or the parties, or either of them, shall require a more definite or corrected description of the Easement Premises, each party shall, upon a written demand of the other, execute and deliver such other instruments as the party giving notice shall reasonably require.

6. Running of Benefits and Burdens. All provisions of this instrument, including the benefits and burdens, run with the land and are binding upon the heirs, assigns, successors, tenants, and personal representatives of the parties hereto. The Grantee may assign this Easement, or all or any part of its rights to all or any part of the Easement Premises, to Routt County for use as a County road.

In the event the Easement Premises are no longer used for the purposes specified in paragraphs 2 and 3 hereof and Grantee has abandoned such use for a period of 15 years as evidenced by a failure by Grantee, its partners, agents, or employees, to cross Parcel 1 at any location during such period, the Grantee shall, at the request of the Grantor, terminate this Easement by executing and delivering to Grantor, in recordable form, a release of this Easement, whereupon all rights, duties and liabilities of Grantor and Grantee shall terminate.
