

APPENDIX A. RESIDENTIAL PROPERTY CONDITION DISCLOSURE STATEMENT

Notice to Seller: Oklahoma Law (the "Residential Property Condition Disclosure Act," Title 60, O.S., §831 et seq., effective July 1, 1995) requires Sellers of 1 and/or 2 residential dwelling units to complete this form. A Seller must complete, sign and date this disclosure form and deliver it or cause it to be delivered to a purchaser as soon as practicable, but in any event no later than before an offer is accepted by the Seller. If the Seller becomes aware of a defect after delivery of this statement, but before the Seller accepts an offer to purchase, the Seller must deliver or cause to be delivered an amended disclosure statement disclosing the newly discovered defect to the Purchaser. If the disclosure form or amendment is delivered to a Purchaser after an offer to purchase has been made by the Purchaser, the offer to purchase shall be accepted by the Seller only after a Purchaser has acknowledged receipt of this statement and confirmed the offer to purchase in writing.

Notice to Purchaser: The declarations and information contained in this disclosure statement are not warranties, express or implied of any kind, and are not a substitute for any inspections or warranties the Purchaser may wish to obtain. The information contained in this disclosure statement is not intended to be a part of any contract between the Purchaser and Seller. The information and statements contained in this disclosure statement are declarations and representations of the Seller and are not the representations of the real estate licensee.

"Defect" means a condition, malfunction, or problem that would have a materially adverse effect on the monetary value of the property, or that would impair the health or safety of future occupants of the property. 59 O.S. Section 832(9).

Disclosure of Information on Lead-Based Paint and/or Lead-Based Paint Hazards**Lead Warning Statement**

Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase.
