United States Department of Agriculture (USDA) Farm Agency (FSA) maps are for FSA program administration only. This map does not represent a legal survey or reflect actual ownership rather it depicts the information provided directly from the producer and/or National Agricultural Imagery Program (NAIP) imagery. The producer accepts the data 'as is' and assumes all risks associated with its use. USDA-FSA assumes no responsibility for actual or consequential damage incurred as result of any user's reliance on the data outside of FSA Programs. Wetland identifiers do not represent the size, shape or specific determination of the area. Refer to your original determination (CPA-026 and attached maps) for exact wetland boundaries and determinations, or contact USDA Natural Resources Conservation Service (NRCS).
