Elbow room in a ranch...

This four bedroom home on almost 3 acres is a resting spot from the hustle of the city. Completely redone interior includes beautiful flooring, updated kitchen and bathrooms, and new light fixtures and finishes. The living room has a wood burning stove and nice bright skylights letting in tons of natural light. The kitchen is updated with stainless steel appliances and ample cabinet storage. The storage continues around to the butler's pantry and laundry room area that's behind the kitchen. The bedrooms are nice and spacious with good size closets. Outside is landscaped and cared for with a huge covered deck and a fire pit in the backyard. Out front is another covered deck area, a fenced in front yard, and a thriving garden. There is plenty of space for toys & tools in the detached garage. The views are incredible from this lot and it's still located only about 20 minutes from Salida.
