

ZULOUS DEVELOPMENT GROUP, LP

TO

THE PUBLIC

**DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS OF
THE VIEWS SUBDIVISION**

THE STATE OF TEXAS §
 § KNOW ALL MEN BY THESE PRESENTS:
COUNTY OF GILLESPIE §

THAT, ZULOUS DEVELOPMENT GROUP, LP, a Texas limited partnership ("**Declarant**"), being the owner of that certain subdivision known as THE VIEWS SUBDIVISION (hereinafter referred to as the "**Subdivision**"), according to the plat of said subdivision as recorded under Register No. _____, Plat Records of Gillespie County, Texas (sometimes herein referred to as "**Property**"), and, as such, desiring to create and carry out a uniform plan for the improvement, development, and sale of the subdivided lots situated within the Subdivision, does hereby adopt and establish the following easements, restrictions, covenants and conditions ("**Covenants**") to run with the land and to apply to the use, occupancy, and conveyance of the aforesaid described subdivided lots therein, and each Contract or Deed which may be executed with regard to any of such Property shall be held to have been executed, delivered, and accepted subject to the following restrictions and covenants (the headings being employed for convenience only and not to be controlling over content).

ARTICLE I. DEFINITIONS

1. "**Association**" shall mean and refer to The Views Homeowners' Association, Inc. (a Texas non-profit corporation), also hereafter referred to as the VHA, its successors and assigns.
2. "**Owner**" shall mean and refer to the record owner, whether one or more persons or entities, of a fee simple title to any lot which is a part of the Property, including contract sellers, but excluding those having such interest merely as security for the performance of an obligation.
3. "**Property**" shall mean and refer to that certain real property hereinbefore described as the "Subdivision" and more particularly described as The Views Subdivision, according to the plat of said Subdivision as recorded in the Plat Records of Gillespie County, Texas, noted above, and such additions thereto as may hereafter be brought within the jurisdiction of the Association.
4. "**Common Area**" shall mean all real property (including the improvements thereto) leased, owned or maintained by the Association for the common use and enjoyment of the Owners. By way of illustration, Common Area may include, but are not limited to, the following: private streets, signs, street medians, entry gates, landscaping, lighting, entrance signs, walls, bridges, ponds, lakes, recreational facilities, postal-delivery boxes, trails, buildings, and other similar or appurtenant improvements.
5. "**Lot**" and/or "**Tract**" shall mean and refer to any plot of land shown upon a recorded Subdivision map of the Property with the exception of the Common Area.

6. **“Declarant”** shall mean and refer to ZULOUS DEVELOPMENT GROUP, LP, its successors and assigns, if such successors or assigns should acquire all of the undeveloped and unsold lots or acreage from the Declarant for the purpose of development.
7. **“Member”** shall mean and refer to all those Owners who are members of the Association as provided for below.
8. **“Subdivision Plat”** shall mean and refer to the map(s) or plat(s) of portions of the Property in the Official Public Records or Plat Records of Gillespie County, Texas.
9. **“Improvement”** or **“Improvements”** shall mean or refer to all structures or other improvements to any portion of the Property, whether above or below grade, including, but not limited to, buildings, recreation area, utility installations, storage, loading and parking facilities, walkways, driveways, landscaping, signs, site lighting, side grading, and any exterior additions including any changes or alterations thereto.
10. **“Dwelling”** shall mean and refer to any building or portion of a building situated upon the Property which is designed and intended for use and occupancy as a residence by a single person, a couple, a family, or a permitted family size group of persons.
11. **“Committee”** shall mean the Architectural Control Committee as referred to in Article VII, Section 2 hereof.

ARTICLE II. ADDITION OF LAND

1. Addition of Land. Declarant, its successors and assigns, without the consent or approval of any of the other Owners, has the right at any time to impose this Declaration upon additional property adjacent, contiguous or nearby to the Property. Declarant may, at any time and from time to time, add any other lands to the Property, and upon such addition, this Declaration and its Covenants shall apply to the added land, and the rights, privileges, duties and liabilities of the persons subject to this Declaration shall be the same with respect to the added land unless a supplemental declaration shall provide for changes to this Declaration to address the unique character of Declarant's overall development plans for the added property. In order to add lands to the Property, Declarant shall be required only to record in the Official Public Records of Gillespie County, Texas, a notice of addition of land.
2. Declarant reserves and shall have a perpetual, nonexclusive, easement and right of way over and across all platted roadways upon the Property for the purpose of providing vehicular and pedestrian access and utility services to adjoining or neighboring lands developed by Declarant. Said easement and right of way shall be for the benefit of Declarant and its successors and assigns.

ARTICLE III. USE OF RESIDENTIAL PROPERTY

1. All lots in the Subdivision (excluding Common Area) shall be used for single-family residential purposes only except as provided in Article III, paragraph (2) herein. No Owner shall occupy or use any Lot, or any Improvements constructed thereon, or permit the same or any part thereof to be occupied or used for any purpose other than as a private residence for the Owner, family, guest and tenants, except as provided herein. No business may be operated out of a residence,

whether profit or non-profit, except occupations which may be conducted from a home office and for which patrons or clients do not meet at the residence of Owner.

2. The use of any primary dwelling as a short-term rental shall be and is strictly prohibited. "Short-term rental" shall be defined so as to include a privately owned building which is used by anyone other than the owner / owner's family and their personal guests for dwelling, lodging or sleeping purposes for any period less than thirty (30) consecutive days, regardless of whether a Short Term Rental Permit is granted or for which the owner pays a Hotel Occupancy Tax to the City of Fredericksburg or the State of Texas. Short-term rentals shall be allowed within a single ancillary structure on a Lot. Under no circumstances shall more than one (1) ancillary structure on a Lot be used as a Short-term rental. Rentals that exceed thirty (30) consecutive days shall be allowed in both the primary dwelling and ancillary structures, but shall be limited to one (1) tenant per Lot.
3. No building material of any kind shall be placed or stored upon any Lot until the Owner thereof is ready to commence construction of Improvements, and then the material shall be placed within the boundary lines of the Lot upon which the Improvements are erected and shall not be placed on the street.
4. From the date of commencement of construction to the date of completion of construction of a Dwelling on any Lot, a port-a-potty, port-a-can, or similar portable sanitary waste disposal receptacle shall be situated on the Lot for use by construction employees and laborers.

ARTICLE IV. PROPERTY RIGHTS

1. Owner's Easements of Enjoyment. Every Owner shall have a right and easement of enjoyment in and to Common Area, which shall be appurtenant to and shall pass with the title to every Lot, subject to the following provisions:
 - a. the right of the Association to charge fees for the repair and maintenance of the Common Area, collect all dues, fines and/or other fees of any sort noted in these Covenants and enforce collection of any such monies in accordance with any and/or all terms, conditions or rights set forth within these Covenants;
 - b. the right of the Association to suspend the voting rights of an Owner for any period of time during which any assessment against his Lot remains unpaid;
 - c. the right of the Association to suspend the voting rights of any Owner during any period of time in which an infraction of any of the rules and regulations herein has taken place, and to uphold such suspension for up to 60 days after said Owner's cure;
 - d. the right of the Association to enforce any and all rules and regulations which are a part of these Covenants and to make and adopt rules and regulations regarding the use of the Common Area; and
 - e. the right of the Committee to enforce any and all rules, restrictions and/or regulations which are a part of these Covenants.

2. Delegation of Use. Any Owner may delegate, in accordance with the Bylaws, his right of enjoyment to the Common Area facilities to the members of his family, his tenants, or contract purchasers who reside on his Lot.
3. Title to and Obligations Regarding Common Area. Notwithstanding any provisions to the contrary, Declarant may retain the legal right to any Common Area until such time as it has completed Improvements thereon and all necessary inspections by the applicable Contractor, Engineer, Utility Companies and/or City, County or any other applicable inspection body have been satisfied or until such time as, in the opinion of the Declarant and at its sole discretion, the Association is able to maintain the same.
 - a. In this regard, unless otherwise provided herein, the Declarant hereby covenants for itself, its successors and assigns that title to the Common Area will then be conveyed to the Association at no cost (unless otherwise stated herein), at which time the Association shall then automatically assume responsibility for all obligations of Declarant relating to their respective portion of the Common Area. In addition, at the time of this conveyance, all construction warranties, if any, shall also be automatically transferred to the Association relating to the Improvements forming a part of the Common Area and the Association shall indemnify and hold Declarant, its officers and partners, harmless from any expenses and/or damages of any kind associated with any and all repairs or damage to roads, utilities and any other Common Area Improvements, with the Association (and each Owner) agreeing to contract and deal directly with the applicable third party (contractor, engineer, utility company or county) to remedy such repairs and damages.
 - b. In connection with any conveyance of any Common Area from the Declarant to the Association, as set forth in these Covenants, the Association shall take responsibility for the ownership and maintenance of any security gates or other security elements restricting access to the Subdivision (the “**Security Elements**”). Notwithstanding such conveyance, Declarant shall retain full and complete control of the operations of any such Security Elements regulating access to the Subdivision; it being understood that Declarant shall have the right to maintain control of the Security Elements and regulate access to the Subdivision as Declarant deems appropriate in Declarant's sole discretion until the earlier of the following: (1) the Subdivision is completely built out, with all Lots having been conveyed to third parties and developed by completing construction of a Dwelling thereon; or (2) Declarant specifically conveys control of the Security Elements over to the Association in writing.
 - c. Until title to the Common Area has been conveyed to the Association by the Declarant, Declarant shall be entitled to exercise all rights and privileges relating to such Areas granted to the Association in this Declaration.
4. Indemnification. The Association shall at all times from and after any turnovers of common area and/or management of the Association indemnify and hold Declarant, its officers and partners, harmless from any and all liability associated with any and all claims or damages of every kind arising out of the operations of the Property or the Association. Additionally, Declarant, its officers and partners, may not be held liable in any way in its role in enforcing or failing to enforce any of the conditions of these Covenants, in protecting its rights or in carrying out any of its duties or obligations. This indemnification shall include the

Association's payment of any and all expenses including the payment of any and all legal expenses, court costs, all costs associated with the protection of Declarant, its officers and partners, in any legal actions or proceedings or any other action of any kind. Declarant, its officers and partners, shall be shown as an additional insured on the Association's liability insurance policy, which shall be in a form acceptable to Declarant and shall be maintained at the Association expense in an amount of not less than \$3 million. Said liability insurance requirement shall be in effect until at least three (3) years after (a) all of the common areas are turned over to the Association or (b) the entire development is completed and sold/built out, and any notes or agreements between Declarant and the Association have been paid in full.

Notwithstanding the foregoing, the indemnification of Declarant by the Association shall not include any obligation of construction of Improvements in or upon the common areas, nor shall it include any obligation of performance contained within the plat for the Subdivision or in any requirement of any county, governmental agency or regulatory board or commission in the obtaining of plat approval for the Subdivision.

5. Assignment By Declarant. Declarant shall have full right and authority to sell or assign its rights, duties and obligations under these Covenants in conjunction with a sale of all of its unsold Lots or acreage within the Subdivision, and, upon any such action, Declarant shall have no further obligation or liability, implied or otherwise, hereunder.

ARTICLE V. USES OF COMMON AREAS

1. Easements of Enjoyment. Subject to the provisions of this Declaration, every member of the Association shall have a right and easement of enjoyment in and to the Common Areas; provided, however no member shall be deemed to have any right of access upon or across or the use of any Lot not owned by such member, in connection with such easement of use or enjoyment of the Common Areas. Easements to the Common Areas shall be perpetual.
2. Location of Common Areas. Property owned in common areas are located as shown on the Subdivision Plat.
3. Extent of Easements of Enjoyment. The right and easements of enjoyment created hereby shall be subject to the following:
 - a. Planting. No planting, or gardening by Owners shall be permitted within the Common Areas, and no fences, hedges or walls or other obstructions shall be erected or maintained upon the Common Areas, except such as are installed by Declarant in connection with the construction of the initial Improvements thereon, or such as are subsequently approved by the Association.
 - b. Rules and Regulations of Common Areas. The right of the Association from time to time to require reasonable rules and regulations for the use, enjoyment, and maintenance of the Common Areas.
 - c. Borrowing of Money. The right of the Association to borrow money for the purpose of improving the Common Areas, or any part thereof, and to mortgage the Common Areas, or any part thereof. Declarant specifically reserves the right to lend money to the Association from time to time at commercially reasonable terms.

- d. Protection of Common Areas. The right of the Association to take steps as are reasonably necessary to protect the Common Areas, or any part thereof, against damage, condemnation or foreclosure.
- e. Easement for Access. The right of the Association or Declarant to abandon, modify, alter or relocate easements for ingress, egress, or regress, to, from and within the Property and individual Lots within the Property.

ARTICLE VI. THE VIEWS HOMEOWNERS' ASSOCIATION AND COVENANTS FOR MAINTENANCE ASSESSMENTS

1. Membership and Voting. Declarant shall take all steps necessary to create the Association to which Association the Declarant may assign or delegate on a permanent or temporary basis one or more of the rights, powers, obligations and duties of the Declarant under these Covenants. Every Owner of a Lot within the Property shall be a member of the Association.

The Association shall have two classes of voting membership.

Class A: Class A members shall be all Owners of Lots with the exception of the Declarant and shall be entitled to one vote for each Lot owned. When more than one person owns an interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised as they determine, but in no event shall more than one vote be cast with respect to any one Lot hereunder.

Class B: Members shall be those individuals or entities who are herein defined as Declarant, and for each Lot owned they shall be entitled to 40 votes. Once a Lot is sold to persons who would be classified as Class A Members, the 40 votes attached to that Lot shall be extinguished. Notwithstanding the forgoing, as long as Declarant shall own a Lot, Declarant shall be entitled to a minimum number of votes equal in amount to the number of Lots in the Subdivision.

2. Turnover. At any time after commencement of operations of the Association, at Declarant's sole discretion, the Owners may be required to take over the management of the Association and relieve Declarant of all duties associated therewith. Upon such "Turnover" by the Declarant, the Owners within the Subdivision will be required to choose their own Board of Directors to represent them and to manage the Association in accordance with the terms and conditions of these Covenants and to establish any and all bylaws, procedures and other management devices by which the Association shall operate. Any Board Members/Directors must be Owners within the Subdivision.

Notwithstanding anything to the contrary, until such Turnover has taken place, the management of the Association shall be by Declarant, its staff, contractors, or agents retained by Declarant and assigned the task of management of the Association, and any expenses incurred in such management shall be reimbursed to Declarant by the Association. Said reimbursable expenses shall include the cost of Declarant's staff, contractors, or agents for the time spent in the management thereof of the Association. From and after the time of such

turnover, the Association shall indemnify and hold Declarant, its officers and partners, harmless from and against any and all claims or damages of every kind, arising out of the development and operations of the Property or the Association.

Notwithstanding the foregoing, the Declarant shall “**Turnover**” the common areas to the Association not later than one year after completion of construction thereof and the acceptance or approval by the governmental entity having jurisdiction over the same. Until such time as the turnover occurs, Developer shall have the sole responsibility for the upkeep, construction, supervision, and maintenance of the common areas. Developer shall obtain casualty and/or general liability insurance policies for the common areas until such time as “**Turnover**” occurs.

3. Personal Obligation and Lien Rights Associated with Collection of Dues and Assessments. Each Lot Owner, by acceptance of a deed, whether or not it shall be so expressed in such deed, is deemed to agree to pay to the Association regular annual assessments and all other Association dues, fees, fines, assessments or charges of any kind, including special assessments for capital improvements, which may be established and collected as hereinafter provided.

The annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such Property at the time when the assessment fell due. The personal obligation for delinquent assessments shall pass to any successors or assigns in title.

4. Purpose of Assessments. The assessments levied by the Association shall be used to promote the recreation, health, safety, and welfare of the residents and/or Owners of the Property and for the improvement and maintenance of the Common Area. These expenses may include, but shall not necessarily be limited to, payment of taxes and insurance, construction, repair or replacement of streets, security gates and entry, and other Improvements to the Common Area, cost of trash and debris clean-up, street and Lot cleaning, cost of professional or other outside services, and labor, equipment, materials, outside management and supervision necessary to carry out its authorized functions. Additionally, any other expenses which, in Declarant's sole discretion, are deemed necessary to uphold the Subdivision's property values and/or are for the overall betterment of the development and its appearance, shall be the responsibility of the Association and shall be paid out of assessments including, but not necessarily limited to, cost of security, Lot cleaning, general maintenance and road cleaning.
5. Initial Annual Assessment. Until adjusted pursuant to the terms as noted in this document, the maximum Annual Assessments shall be initially as follows:

Class A: \$700.00 per individual Lot

Class B: \$10.00 per individual Lot prior to Turnover and \$10.00 per each individual Lot after Turnover.

- a. From and after January 1 of the calendar year immediately following the conveyance of the first Lot to an Owner, the maximum Class A annual assessment may be increased each year by the Board of Directors by not more than 15% above the maximum assessment for the previous year without a vote of membership.

- b. From and after January 1 of the calendar year immediately following the conveyance of the first Lot to an Owner, the maximum Class A annual assessment may be increased above 15% by a vote of two-thirds (2/3) of the Class A members who are voting in person or by proxy at a meeting duly called for this purpose.
 - c. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.
 - d. In no event will Class B assessments stated above be altered or adjusted.
6. Special Assessments. In addition to the annual assessments authorized above, the Board of Directors of the Association may levy a special assessment for the purpose of defraying the cost of any construction, reconstruction, repair or replacement of a capital improvement upon or which is a part of the Common Area, including fixtures and personal property related thereto, or for carrying out other purposes of the Association as stated herein or in the Articles of the Association.
7. Notice and Quorum for any Action Authorized Under Section 5 and 6. Written notice of any meeting called for the purpose of taking any action authorized under Section 5 or 6 above shall be sent to all members not less than 30 days nor more than 60 days in advance of any meeting. At the first such meeting called, the presence of members or proxies entitled to cast sixty percent (60%) of all the votes of the membership shall constitute a quorum. If the required quorum is not present, another meeting may be called by the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting.
8. Uniform Rate of Assessment. Any and all dues of the Association or special assessments must be fixed at a uniform rate for all Lots owned by Class A Members and at a uniform rate for all Lots owned by Class B Members, and may be collected on a monthly basis in lieu of annually by a majority vote of the Board of Directors, or by Declarant. In these Covenants pertaining to the Association dues or special assessments, it shall be construed to mean "monthly" whenever the above event occurs.
9. Date of Commencement of The Annual Assessments. The annual assessments for any particular Lot, by the Owners' Association provided for herein shall not commence until January 1, 2023.
- a. For billing purposes, the annual assessment period will be the 1st day of each January and shall commence as to each portion of the Property on the first day of the month following the time of commencement, as noted above, and shall be prorated according to the appropriate membership class during the assessment period. All dues are payable in advance at the closing (or by billing if Lot already sold) up to the time of the next future billing. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto.
 - b. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a

specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

- c. Notwithstanding any other terms or conditions set forth in these Covenants, any expenses which are incurred by Declarant prior to the establishment of the Association, or prior to sufficient income being received from assessment billings, and which would normally be the responsibility of the Association, shall be reimbursed to Declarant from proceeds of the Association as funds become available from dues and assessments, but, in any case not later than 1 (one) year after the time of establishment of the Association and/or the expense was incurred.
10. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the highest legal rate permitted by law to be charged the non-paying Owner, and in addition thereto, for each thirty-day period thereafter for which the assessment shall remain unpaid, there shall be charged a monthly fee of \$20.00 per month. The Owners' Association may bring an action at law against the Owner personally obligated to pay the same. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.
11. Subordination of the Lien to Mortgage. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. The sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of the Lot pursuant to a mortgage foreclosure shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.
12. Exempt Property. All Common Areas and other portions of the Property, if any, which are dedicated to public authorities shall be exempt from Assessment.
13. Option to Cure. Declarant or the Association, has the option, but not the obligation to perform any action required of any Owner by these Covenants. In the event that Declarant or the Association elects to do so, all sums incurred by the Declarant or the Association in performing the required action shall be charged against the Owner and if not paid within thirty (30) days after it is due said sums shall bear interest at the highest legal rate permitted by law to be charged the Owner and shall be secured by a lien (the same as if said sums were due and/or assessments) on all Lots(s) owned by said Owner. The Declarant or the Association may bring an action at law against the Owner of the Lot subject to the assessment for payment thereof and/or bring an action to foreclose the lien which secures the assessment.
14. Re-Subdivision, Consolidation or Modification of a Lot. For purposes of imposition of annual and/or special assessments, a Lot shall be defined as a plot of land shown upon the recorded Subdivision Map of The View Subdivision recorded at Register Number _____, Plat Records of Gillespie County, Texas (“**Original Platted Lot(s)**”) unless the imposition of annual and/or special assessment is modified as provided herein:

- a. If two or more of the Original Platted Lots have been consolidated and replatted, the resultant consolidated Lot shall be subject to an assessment equal to that which would have been imposed upon the Original Platted Lots;
- b. In the event an Original Platted Lot is re-subdivided into two or more Lots, each of the re-subdivided Lots shall be subject to an assessment for each subdivided Lot as if it were an Original Platted Lot;
- c. In the event Original Platted Lots are modified or revised and after such modification or revision the resultant Lots are equal in number to the number of Lots as originally platted, each revised or modified Lot shall be subject to a single assessment.

ARTICLE VII. ARCHITECTURAL CONTROL COMMITTEE

1. Controlling Documents. Detailed and expansive Architectural Guidelines accompany this document and shall be read in conjunction with these Covenants. The Architectural Guidelines are commensurate and subject to enforcement as set forth herein.
2. Development Objectives. The aesthetic and ecological quality of the Property requires that all Improvements be compatible with other Improvements and be in harmony with the natural surroundings. To this end, an Architectural Control Committee (sometimes hereinafter called the “Committee”) has been created as described in Section 2 of this Article. The Architectural Control Committee has the responsibility to carry out the goals and functions that have been adopted, and are described below, and which may be amended from time to time.
3. Architectural Control Committee. The Architectural Control Committee shall be composed of three (3) members selected and appointed by the Board of Directors of THE VIEWS HOMEOWNERS’ ASSOCIATION, INC., and may include members of such Board. The Board of Directors shall have the exclusive right and power at any time, and from time to time, to create and fill vacancies on the Architectural Control Committee. The Committee reserves the right from time to time to file instruments in the Official Records of Gillespie County, Texas designating its then current composition.
4. Goal of Architectural Control Committee. The goal of the Committee is to encourage the construction of Improvements of good architectural design, quality and proper size compatible with Declarant's conceptual plan of the construction of homes which are customary to the Texas Hill Country. Improvements should be planned and designed with particular attention to the design and aesthetic appearance of the exterior and the use of such materials as will, in the judgment of the Committee, create an attractive and harmonious blend with existing Dwellings and the natural surroundings. The Committee may disapprove the construction or design of an Improvement on purely aesthetic grounds where, in its judgment, such disapproval is required to protect the continuity of design or values of the neighborhood and of other homeowners, or to preserve the serenity and natural beauty of any surroundings. Prior judgments regarding such matters of design or aesthetics shall not be deemed binding upon the Architectural Control Committee if such Committee feels that the repetition of such matters will have an adverse effect on the Property.
5. Function of the Architectural Control Committee. The Committee shall function as the representative of the Owners for the purposes herein set forth as well as for all purposes

consistent with the creation and preservation of a first-class development. No Improvement shall be erected, constructed, placed, altered (either by addition or deletion), maintained or permitted to remain on any portion of The Property until plans and specifications, in such form and detail as the Committee may deem necessary, shall have been submitted to and approved in writing by such Committee. The Architectural Control Committee shall have the power to employ professional consultants and professional homeowners' management firms to assist it in discharging its duties. The decision of the Architectural Control Committee shall be final, conclusive, and binding upon the applicant.

6. Procedures of the Architectural Control Committee. The Committee may establish and publish from time-to-time reasonable administrative procedures and separate building guidelines covering residential and non-residential Improvements.
7. Indemnity. The Association shall at all times indemnify and hold the Committee and the Committee members harmless from any and all liability associated with any and all claims or damages of every kind arising out of the actions, or omissions to act, of the Committee and/or its members. The Committee and its members shall be shown as an additional insured on the Association's liability insurance policy as provided under Article III of these Covenants.

ARTICLE VIII. SUBMITTAL AND APPROVAL PROCESS

1. Design Submittal. The Owner must submit a design plan, which must adequately reflect to the Committee the true design quality of the proposed work. Final plans and specifications shall be submitted in complete form in duplicate and shall include a floor plan and all elevations of any proposed structure(s) and Improvement(s) (including fences, walls, sign, pools, pool buildings, driveway design, motor courts, etc.), roof height, specification of materials, colors, textures and shapes. All measurements and dimensions, both interior and exterior, must be shown. Description of materials and finishes must be clearly indicated. The design plan shall include a plat of the Owner's Lot which shall specify the location of the Improvements upon the Lot.
2. Basis of Approval. Approval of preliminary design plans and final plans and specifications shall be based upon the following:
 - a. Preliminary plans shall be submitted and approved by the Committee prior to proceeding with final plans and specifications. The preliminary plans shall include a section depicting the finished floor elevation relative to existing and finished grades within 10 feet beyond the front, side, and the back of the residence.
 - b. The architectural and structural integrity of the design.
 - c. Harmony and conformity of the design with the surroundings, both natural and built.
 - d. Adequacy of the design to conditions of the site.
 - e. Relation of finished grades and elevations to neighboring sites.
 - f. Conformity to specific and general intent of the Covenants covering the Subdivision of which the Lot in question forms a part.

- g. Relation of Improvements to Improvements on neighboring sites.
 - h. Protecting the view from Lots whose location provides distant views.
 - i. Central and elevated location of Dwellings upon each Lot.
3. Variances. Upon submission of a written request for same, the Architectural Control Committee may, from time to time, in its sole discretion, permit Owners to construct, erect, or install Improvements which are in variance from the covenants. Covenants, or architectural standards and setbacks which are provided in this Declaration or the applicable Covenants or those which may be promulgated in the future. In any case, however, such variances must, in the Committee's sole discretion, blend effectively with the general architectural style and design of the community and must not detrimentally affect the integrity of the Property nor harmony with the natural surroundings. No member of the Committee shall be liable to any Owner for claims, causes of action or damages arising out of the grant of any variance to an Owner. Each request for a variance submitted hereunder shall be reviewed separately and apart from other such requests and the grant of a variance to any Owner shall not constitute a waiver of the Committee's right to strictly enforce the Covenants, Restrictions and architectural standards provided hereunder, against any other Owner.
4. Issuance of a Building Permit. Upon approval of final submittals, a building permit will be issued by the Committee and construction may begin. All such permits must be prominently displayed at the job site and covered with clear plastic to prevent weathering. The issuance and acceptance of the building permit assures that:
- a. Construction of an approved building will be completed within twelve (12) months from start of construction.
 - b. Construction will be in accordance with approved plans.
 - c. Any exterior changes after final approval of plans by the Architectural Control Committee must be approved in writing by the Committee prior to Construction of those changes.
 - d. Regular inspections may be made by a representative of the Committee.
5. Failure of the Committee to Act. If the Architectural Control Committee fails to approve or to disapprove either the preliminary design plans or the final plans and specifications or to reject them as being inadequate within thirty (30) days after submittal thereof, it shall be conclusively presumed that such Committee has approved such preliminary design plan or such final plans and specifications. If preliminary design plans or final plans and specifications are not sufficiently complete or are otherwise inadequate, the Architectural Control Committee may reject them as being inadequate or may approve or disapprove part, conditionally or unconditionally, and reject the balance.
6. Limitation of Liability. Neither the Declarant, the Association, the Architectural Control Committee, nor any of the members of such Committee shall be liable in damages or otherwise to anyone submitting plans and specifications for approval or to any Owner of land affected by

this Declaration by reason of mistake of judgment, negligence, or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or to disapprove any plans and specifications.

ARTICLE IX. ARCHITECTURAL VISION

The architectural design to be used within the Subdivision is one that is reminiscent of the Texas Hill Country. All Dwellings will be in keeping with the Hill Country Style architecture commonly found in and around Fredericksburg, Texas, and shall be constructed of authentic building materials. Authentic building materials include limestone, half-timbering with white washing, plaster, adobe, and cedar or cypress siding. The use of repurposed architectural materials, such as antique logs, siding and similar will be considered by the Architectural Control Committee if said materials are shown to be of high quality and are used in a manner that compliments the overall design of the structure.

ARTICLE X. IMPROVEMENT REQUIREMENTS

1. Driving Surfaces.

- a. Driveways. The first fifty (50) feet of all driveways running from the edge of the common area roadway to the entry of the residence shall be constructed/surfaced with concrete, brick pavers, stone, tile, asphalt or other similar hard surfaced material; and thereafter must be constructed of 1) hard surfaced material or 2) granite or gravel if bordered by a concrete ribbon flat curb at least 12" in width.
- b. Entrance. Driveway aprons shall generally be shaped to the contour of the driveway, drainage easement and the street which is adjacent to the driveway apron.
- c. Culverts. All driveways constructed across roadside ditches must include drainage accommodations to have no effect on the drainage flows. The minimum equivalent circular pipe diameter for culverts by Lot number are as follows:

Driveway Drainage	Pipe Requirements
Lot Number (Road)	Equivalent Pipe Diameter (Inches)
Lots 1-10 (Road A)	18-inch
Lots 15-16 (Road B)	18-inch
Lots 21-33 (Road B)	18-inch
Lots 34-35 (Road B)	24-inch
Lots 20-21 (Road C)	18-inch

2. Minimum Size of Dwelling. The minimum total floor area of Dwellings, inclusive of attached guest quarters, but exclusive of open porches, breezeways, carports, garages and other outbuildings, shall be 2,000 square feet of climate controlled (heated and air conditioned) floor area, which is sheltered under a single, continual roof and built upon a single concrete foundation for single story Dwellings and 2,500 square feet of climate-controlled floor area for two story Dwellings.

3. Surfaces. All exterior surfaces of all structures on the property shall be made of high quality materials. Each structure shall consist of eighty percent (80%) masonry products (stone, stucco) or reclaimed barnwood, as approved by the Committee.
4. Ancillary Buildings. A maximum of two ancillary structures per lot (including a detached garage) is permitted. Every building, inclusive of such structures as a barn, storage building, greenhouse, pool house, guest house, or children's playhouse, shall be compatible with the Dwelling to which it is appurtenant in terms of its design and material composition, unless the Architectural Control Committee shall approve a variance from the requirement. All such buildings shall be subject to approval of the Architectural Control Committee. The garage shall be constructed to shelter a minimum of two (2) automotive vehicles and cannot be entered from the front of the Dwelling and shall have side or rear entry. All outbuildings shall be constructed in a manner that the contents of the outbuilding are screened from view from adjacent streets and residences.

ARTICLE XI. TEMPORARY STRUCTURES

No structure of a temporary character, such as a trailer, mobile home, manufactured home, tent, shack, garage, barn or other outbuilding shall be used on any Lot at any time as a residence. No trailer, camper, recreational vehicle, or similar vehicle shall at any time be connected to utilities within a Lot. No Dwelling previously constructed elsewhere may be moved on any Lot, except that buildings of a historic character may be dismantled and then reassembled upon a Lot subject to approval by the Architectural Control Committee. Mobile homes and manufactured houses are specifically prohibited on any Lot.

ARTICLE XII. SIGNS

No sign of any kind shall be displayed to the public on any single-family residential Lot except the following:

1. During the construction phase of a single-family Dwelling within the Subdivision, a builder, or its agent, may have one sign upon the Lot which sign shall have been approved by the Architectural Control Committee and which sign shall not advertise other subdivisions in any way;
2. One professional sign of not more than five (5) square feet advertising the sale of a Lot upon which is situated a single-family residence which sign has been approved by the Architectural Control Committee; and
3. The Declarant shall have the right to erect, maintain and repair signs which will advertise, promote and market Lots within the Subdivision.
4. Declarant, or its agent, shall have the right to remove any sign not complying with the provisions of this section, and in so doing shall not be liable for any claim or cause of action arising from such removal.
5. Other signage permitted by statute.

Notwithstanding the above, directional traffic, at risk, and similar signage approved by the Architectural Control Committee may be erected within the Subdivision.

ARTICLE XIII. MAINTENANCE

1. Trees, shrubs, vines and plants that die shall be promptly removed from a Lot. Lawns must be properly maintained, fences must be repaired and maintained, and no objectionable or unsightly usage of Lots will be permitted which is visible to the public view. Building materials shall not be stored on any Lot except when being employed in construction upon such Lot, and any excess materials not needed for construction and any building refuse shall promptly be removed from such Lot.
2. Until a home or residence is built on a Lot, Declarant and/or the Association may, at its sole discretion, have the grass, weeds and vegetation cut when and as often as the same is necessary in its judgement, as well as have dead trees, shrubs and plants removed therefrom. Declarant may also, at its option, remove any excess building materials or building refuse situated on a Lot in violation of this covenant. The Owner of any Lot within Classes A & B shall be obligated to reimburse the Association for the cost of any such maintenance or removal upon demand.
3. Maintenance of all common area amenities shall be the responsibility of the Association, including all intersections, Lot comers or areas designated by the Declarant or the Association.

ARTICLE XIV. EASEMENTS

UTILITY EASEMENTS

1. Existing Easements. The Subdivision Plat dedicates for use as such, subject to the limitations set forth therein, certain easements shown thereon, and such Subdivision Plat further establishes dedications, limitations, reservations, and restrictions, applicable to the Property. Further, Declarant and Declarant's predecessors in title have heretofore granted, created and dedicated by several recorded instruments, certain other easements and related rights affecting the Property. All dedications, limitations, restrictions, and reservations shown on the Subdivision Plat and all grants and dedications of easements and related rights heretofore made by Declarant and Declarant's predecessors in title affecting the Property are incorporated herein by reference and made a part of this Declaration for all purposes, as if fully set forth herein, and shall be construed as being adopted in each and every contract, deed or conveyance executed or to be executed by or on behalf of Declarant conveying any part of the Property.
2. Reservation of Utility Easements. Declarant reserves unto Declarant and any public or private providers of utility services to the Subdivision, and their respective successor and/or assigns, perpetual easements (the "**Utility Easements**") for the installation and maintenance of utilities and all necessary appurtenances thereto, whether installed in the air, upon the surface or underground, along and within, (i) all Roadways, (ii) ten (10) feet along and outside of all boundaries of the Roadways, (iii) ten (10) feet of the rear, front and side boundary lines of all Tracts, and (iv) twenty (20) feet along the entire perimeter boundary of the Subdivision, with the authority to place, construct, operate, maintain, relocate and replace utility lines, systems and equipment thereon. Nothing shall be placed or permitted to remain within the easement areas which may damage or interfere with the installation and maintenance of utilities. The easement areas within each Tract and all Improvements within it shall be maintained by the

Owner of the Tract, except as otherwise provided in this Declaration and except for those Improvements for which an authority or utility provider is responsible. Utility providers shall have all of the rights and benefits necessary and convenient for the full enjoyment of the rights herein granted, including, but not limited to the free right to ingress to, and egress from, easement areas, and the right from time to time to cut and trim all trees, undergrowth and other obstructions that may injure, endanger or interfere with the installation, operation or maintenance of utilities. Declarant shall have the right, without the necessity of joinder by any Owner, to execute and deliver any and all instruments that may be required by any provider of such utilities in order to grant or assign such provider the right to utilize the easement reserved hereby to provide such utilities.

3. Changes, Additions, and Reservations. Declarant reserves the right to make changes in and additions to the easements described in this Article XIV for the purpose of more efficiently and economically installing any Improvements. Further, Declarant reserves the right, without the necessity of the joinder of any Owner or other person or entity, (i) to grant, dedicate, reserve or otherwise create easements for utility purposes, (including, without limitation, water, sewer, gas, electricity, telephone, cable television, and drainage) in favor of any person or entity furnishing or to furnish utility services to the Property, but only to the extent reasonably necessary and appropriate, and (ii) to execute and deliver any and all instruments and documents in connection therewith, including, without limitation, any and all instruments and documents that may be required by any provider of such utilities.
4. Title to Easements and Appurtenances Not Conveyed. Title to any Lot conveyed by Declarant by contract, deed, or other conveyance shall not be held or construed in any event to include the title to any roadways or any drainage, water, gas, sewer, storm sewer, electric light, electric power, cable television line, telegraph or telephone way, or any pipes, lines, poles, or conduits on or in any utility facility or appurtenances thereto, constructed by or under Declarant or its agents through, along or upon any Lot or any part thereof to serve said Lot or any other portion of the Property, and the right to maintain, repair, sell, or lease such appurtenances to any municipality or other governmental agency or to any public service corporation or to any other party is hereby expressly reserved in Declarant and the Association's Board of Directors.
5. Installation and Maintenance. There is hereby created an easement upon, across, over and under all of the Common Areas for ingress and egress in connection with installing, replacing, repairing, and maintaining all utilities, including, but not limited to, water, sewer, telephones, electricity, gas, cable television and appurtenances thereto. By virtue of this easement, it shall be expressly permissible for the utility companies and other entities supplying service to install and maintain pipes, wires, conduits, service lines, or other utility facilities or appurtenances thereto, on, above, across and under the Common Area within the utility easements from time to time existing and from service lines within such easements to the point of service on or in any structure situated upon the Property. Notwithstanding anything contained in this paragraph, no sewer, electrical lines, water lines, or other utilities or appurtenances thereto may be installed or relocated on the Common Areas until approved by Declarant or the Association's Board of Directors. Any utility companies furnishing service to the Property shall have the right to remove (if absolutely necessary) any trees situated within the utility easements shown on the Subdivision Plat, and to trim overhanging trees and shrubs located on portions of the Property abutting such easements if reasonably necessary for the servicing thereto.

6. No Liability for Damage to Improvements. Declarant shall not be liable to any Owner for any damage to any vegetation (including, without limitation, shrubbery, trees, lawns or flowers) or other Improvements situated within such easement area, as a result of any activity relating to the construction, maintenance, operation, or repair of any utility lines or facilities in any such easement area. A provider of utility services shall not be liable to any Owner for any damage to any vegetation (including, without limitation, shrubbery, trees, lawns or flowers) or other Improvements situated within such easement area, as a result of any activity relating to the construction, maintenance, operation, or repair of any utility lines or facilities in any such easement area, except to the extent liability or obligation to repair any such damage arises out of this Declaration, or any State, County, or Municipal statutes, ordinances, rules or regulations, or the custom and practice of such utility provider. Prior to the construction of any utilities on a developed Lot (**“Developed Lot”** shall mean any Tract which has a Single-Family Dwelling constructed thereon), Declarant and the Association reserves the right to require that the utility provider pay the cost of repairing and restoring the easement area to the same condition as it was prior to construction.
7. Access Easements. Declarant hereby reserves for itself and its successors and assigns, and the Association is hereby granted, a non-exclusive right of access to and easement across all Tracts for purposes of exercising their respective rights or performing their respective duties under these Declarations (including, without limitation, any rights or duties of maintenance or repair).

DRAINAGE EASEMENTS

1. **Drainage Easements.** Easements for drainage (**“Drainage Easements”**) throughout the Subdivision are reserved along and within the Roadways and other areas within the Subdivision. The Drainage Easements are reserved by Declarant, for Declarant and Declarant’s successors and assigns. Declarant reserves the right: (i) to construct drainage channels and install culverts along and within the Drainage Easements, and (ii) to construct water retention berms (the **“Water Retention Berms”**) to be situated within the Drainage Easements. Declarant shall have all of the rights and benefits necessary and convenient for the full enjoyment of the rights herein granted, including, but not limited to the free right of entry onto all Tracts for the purpose of construction and installation of any drainage channel, culverts and Water Retention Berms, and the right to cut and trim all trees, undergrowth and other obstructions that may interfere with the construction or installation of any drainage channels, culverts and Water Retention Berms. No Owner of any Tract in the Subdivision may perform or cause to be performed any act which would alter or change the course of such drainage easements in a manner that would divert, increase, accelerate or impede the natural flow of water over and across such easements. More specifically, and without limitation, no Owner may:
 - a. alter, change or modify the existing natural vegetation of the drainage easements in a manner that changes the character of the original environment of such easements;
 - b. alter, change or modify the existing configuration of the drainage easements, or fill, excavate or terrace such easements or remove trees or other vegetation there from without the prior written approval of the Architectural Control Committee;
 - c. construct, erect or install a fence or other structure of any type or nature within or upon drainage easements which will impede the natural flow of water over said easement;

- d. permit storage, either temporary or permanent, of any type upon or within such drainage easements without the prior written approval of the Architectural Control Committee; or
- e. place, store or permit to accumulate trash, garbage, leaves, limbs or other debris within or upon the drainage easements, either on a temporary or permanent basis.

After the initial construction of any drainage channels, culverts and Water Retention Berms by Declarant, the Association shall have the right to, and shall be responsible for, the maintenance and repair of such drainage channels, culverts and Water Retention Berms to the extent required in order to cause them to adequately perform the drainage and water retention function for which they were initially constructed, provided that the Owner of a Tract on which a Drainage Easement, drainage channel, culvert and/or Water Retention Berm is situated shall be responsible for the normal, day-to-day maintenance of such areas on such Owner's Tract (including, without limitation, mowing such areas, and keeping such areas free from trash, garbage, leaves, limbs and other debris), and for any maintenance or repairs caused by any violation by such Owner of the restrictions provided for in these Declarations. The failure of any Owner to comply with the provisions of this Section shall in no event be deemed or construed to impose liability of any nature on the Association and/or Declarant, and such Association and/or Declarant shall not be charged with any affirmative duty to police, control or enforce such provisions. The drainage easements provided for in this provision shall in no way affect any other recorded easement in the Subdivision.

ARTICLE XV. DEDICATION OF ROADWAY/RESERVATION OF RIGHTS

1. Dedication of Roadways. Declarant will construct the streets and roads over the roadways which provide ingress, egress and regress to the Property (the "**Roadway or Roadways**"). Declarant hereby dedicates the Roadways for the common use of all Owners and does hereby grant to all such Owners, their heirs, successors and assigns, and their agents, licensees, guests, tenants, invitees and permittees, the free nonexclusive and uninterrupted use, liberty, privilege and easement of passage in and along the Roadways, together with free ingress, egress and regress, over and across the same, at all times and seasons forever, in, along, upon and out of said way (the "**Roadway Easement**"). The right to use and enjoy the Roadway Easement shall exist in favor of and shall inure to the benefit of the Owners, and each of them, and each of their respective heirs, successors and assigns, and their respective agents, licensees, tenants, guests, invitees and permittees in common with each other, the Declarant, the Declarant's successors and assigns, and their respective agents, licensees, tenants, guests, invitees and permittees. The Roadway Easement shall further be deemed an easement appurtenant to the Property, and each and every portion thereof the right of ingress and egress provided by the Roadway Easement may be exercised by any reasonable means, whether now in existence or known or whether by a means which may come into existence in the future, and regardless of any increased burden which may result from such use.
2. Reservation of Right to Create and Dedicate Additional Roadway. Declarant reserves the right, without the necessity of the joinder of the Association or any Owner or other person or entity, (i) to grant, dedicate, reserve or otherwise create additional roadway easements within the portions of the Property then owned by Declarant, (ii) to construct additional roads along any such additional roadway easements, and (iii) to execute and deliver any and all instruments and documents in connection therewith, including, without limitation, any amendment(s) to this Declaration. All such additional roadways shall be included within the term "**Roadways**" for

purposes of this Declaration, shall be considered part of the Common Areas, and shall be maintained by the Association as provided for herein.

3. Reservation of Right to Construct Improvements. Until Turnover (as hereinafter defined), Declarant and/or the Association shall have the exclusive right to construct Improvements in the Common Areas. From and after Turnover, the Association, and the Association's successors and assigns, shall have the exclusive right to construct Improvements in the Common Areas.
4. Maintenance of Common Areas. The Association shall have the exclusive right to repair, replace and maintain the Common Areas, including, without limitation, the Roadways.

NOTICE: ALL STREETS AND ROADWAYS OF THE SUBDIVISION SHALL BE PRIVATELY MAINTAINED BY THE ASSOCIATION. GILLESPIE COUNTY, TEXAS SHALL NOT BE RESPONSIBLE FOR THE MAINTENANCE AND REPAIR OF THE STREETS AND ROADWAYS. BY ACCEPTANCE OF A DEED TO A TRACT WITHIN THE SUBDIVISION, EACH OWNER COVENANTS AND AGREES TO WAIVE ANY RIGHT SUCH OWNER MAY HAVE TO DEMAND OR COMPEL THE MAINTENANCE OR REPAIR OF THE STREETS AND ROADWAYS OF THE SUBDIVISION BY GILLESPIE COUNTY, TEXAS AND IS ESTOPPED FROM DOING SO.

ARTICLE XVI. VEHICLES

No trailer, tent, boat or recreational vehicle shall be kept, parked, stored, or maintained on any portion of the front yard in front of the street side building line of the permanent structure and shall be kept, parked, stored or maintained on other portions of a Lot only within an enclosed structure or a screened area which prevents the viewing by sight thereof from adjacent Lots or streets. The openings to structures which house, or in which is stored, any motor vehicle, motorcycle, boat, trailer, recreational vehicle, or similar equipment or machinery, whether or not the structure is attached to the Dwelling, shall not face an adjoining street and the contents of the structure shall not be visible by sight from the adjoining street or other Dwellings.

No stripped down, wrecked, junked or inoperable trailers, boats, recreational vehicles or motor vehicles shall be kept, parked, stored, or maintained on any Lot. No dismantling or assembling of motor vehicles, boats, trailers, or other machinery or equipment shall be permitted in any driveway or yard. No commercial vehicle bearing commercial insignia or name shall be parked on the streets of the Subdivision other than for the purpose of serving such Lot. No vehicles of any description may be parked overnight on any street within the Property.

ARTICLE XVII. NUISANCES

1. No noxious or offensive activity shall be carried on upon any Lot, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood.
2. Maintaining or sheltering animals which are prohibited by Article XIX shall be a nuisance activity.
3. No construction of a single-family dwelling or other Improvement shall occur other than during daylight hours. Violations of such restrictions after one written notice has been sent by the

Declarant or Association to the Lot Owner/builder are subject to a fine of no less than \$100 and no more than \$1,000 per notice, which fine is secured by the lien created herein.

4. No Owner shall do any act or any work that will impair the structural soundness or integrity of another residence or impair any easement or hereditament, or do any act or allow any condition to exist which will adversely affect the other residences or their Owners.
5. No exposed bulb or wraparound lens yard lights shall be permitted. Exterior lights on buildings, poles or trees shall have housings which can shield or directly focus the light source downward. The objective and intent of this restriction shall be to minimize light pollution of the night sky and minimize the visibility of light sources from any other part of the Subdivision. All landscape and security lighting shall be subject to the review and approval of the Architectural Control Committee.
6. No exterior speakers, horns, whistles, bells or other sound devices (except security devices such as entry door and patio intercoms and alarm systems used exclusively to protect the Lot and Improvements situated thereon) shall be placed or used upon any Lot.

ARTICLE XVIII. GARBAGE AND REFUSE DISPOSAL

No Lot shall be used or maintained as a dumping ground for rubbish. Trash, garbage and other waste shall be kept in sanitary containers. No trash, ashes or other refuse may be thrown or dumped on any vacant Lot or drainage area in said Subdivision. All household trash shall be disposed of at a sanitary landfill off of the Subdivision. ~~Small vegetative debris upon the Lot may be disposed upon the Lot provided it is in compliance with applicable statutes and regulations.~~ Vegetation and/or timber may only be burned when the Lot is cleared for construction or Improvements. Burning of vegetation and/or timber pursuant to the preceding sentence may only occur when not prohibited by a government order or ordinance, and the Owner and/or Owner's agent must be present during the burn, and there must be a water source available to extinguish any fire. Burning as contemplated herein may only occur between the hours of dawn and dusk, and under no circumstances shall vegetation or timber be burned at night.

ARTICLE XIX. ANIMALS AND PETS

1. No hogs, swine, fowl, emu, ostriches, rhea, or other similar birds shall be kept or permitted on any Lot at any time except (1) livestock raised and sheltered under a 4-H or FFA project in which a child residing on the Lot participates and (2) "permitted poultry." Up to ten (10) hens shall be permitted on a Lot.
2. Pets shall be permitted provided such pets are sheltered and kept within the boundaries of the Owner's Lot at all times, and they are not offensive by smell, sight, sound or otherwise. No commercial breeding of animals shall be conducted on any Lot.
3. No more than two (2) dogs may be sheltered or kept upon any Lot at any time.
4. No domestic livestock shall be permitted on a Lot SAVE AND EXCEPT, livestock being grazed by Declarant or under parameters set forth by Association under a common grazing agreement.

Commented [MB1]: I would like to phrase this in a way that disallows Owner to have piles of timber or brush on their property. Also, we need to address burning to allow it only when the burn ban is off and under control of the Owner or assignee, that they must have water available and tend to the fire until it is extinguished.

Commented [KP2R1]: What requirement do you want while we are in a burn ban? I think requiring them to move it off site is going to be problematic - could require they pile at the rear of the Lot?

Commented [MB3R1]: Clearly, they can't burn when the ban is on, but even when it is off, I want to require that while they are burning, they must attend to the fire, have water on hand and it must be extinguished before dark.

5. All such animals shall be kept in strict accordance with all local laws and ordinances (including leash laws) and in accordance with all rules established by the Declarant or the Association. It shall be the responsibility of the owners of household pets to prevent the animals from running loose or becoming a nuisance to the other residents. Household pets shall be vaccinated and tagged for identification.

ARTICLES XX. OIL AND MINING OPERATIONS

No oil drilling, oil development operations, oil refining, quarrying or mining operations of any kind shall be permitted upon or in any Lot, nor shall oil wells, tanks, tunnels, mineral excavations, or shafts be permitted upon any Lot. No derrick or other structure designed for use in boring for oil or natural gas shall be erected, maintained or permitted upon any Lot. No tank for the storage of oil or other fluids may be maintained on any of the Lots above the surface of the ground, provided tanks for the storage of propane gas to be used for household purposes may be maintained.

ARTICLE XXI. MAILBOXES

Cluster Mailbox Improvements. Declarant reserves the exclusive right and easement to construct, repair, replace, maintain, alter and modify from time to time a “**cluster mailbox**” structure, along with a drive up and parking area (the “**Cluster Mailbox Improvements**”) within the Roadway Easement and on any portions of any Tract outside the Roadway Easement on which the Cluster Mailbox Improvements may be actually located when construction is completed, together with the right of ingress and egress to and from such Improvements for such purposes. All Cluster Mailbox Improvements shall be included within the term “**Common Areas**” pursuant to, and for all purposes to the Declaration.

ARTICLE XXII. ATHLETIC FACILITIES

Tennis court lighting and fencing shall be allowed with the approval of the Architectural Control Committee. No basketball goal backboards or any other similar sporting equipment of either a permanent or temporary nature shall be placed within the front building setback line.

ARTICLE XXIII. ROOFS

1. The surface of all roofs of dwellings and secondary structures or outbuildings shall be of either slate, tile, factory fire-treated wood, or metal and other similar materials as approved by the Architectural Control Committee.
2. The Architectural Control Committee shall have the authority to approve other roof treatments and materials when, in its determination, such treatments and materials in the form utilized will not be a detriment to the quality of the neighborhood. Simplicity in the overall building design is desirable to provide visual continuity throughout the neighborhood, creativity is encouraged, however, a distracting roof design is not permissible. Major roof masses which slope toward the street are preferred. Roof design is a feature subject to approval by the Architectural Control Committee.

3. All stacks, vents, approved antennae and other roof mounted accessories shall be placed and erected behind the ridge of the roof so they are not visible from the street abutting the front of the residence and shall not extend above the ridge line.
4. Declarant encourages the use of rain-water catchment systems, but they are not required. However, any collection tank must not be visible from the street or adjacent Lot.

ARTICLE XXIV. SETBACK LINES

All buildings, habitable or not, must be constructed, placed and maintained in conformity with platted setback lines and in no event shall any such building or other structure be constructed, placed or maintained within the setback lines as designated and depicted on the Subdivision Plat.

ARTICLE XXV. TERM

The foregoing covenants are made and adopted to run with the Property and shall be binding upon the undersigned and all parties and persons claiming through and under them until January 1, 2052, at which time said covenants shall be automatically extended for successive periods of ten (10) years unless and until an instrument executed by a majority of the then Owners of the Lots in the Subdivision controlled by these covenants has been recorded agreeing to change and/or terminate said covenants in whole or in part.

ARTICLE XXVI. ENFORCEMENT

1. Declarant, its successors or assigns, the Association, its successors or assigns, or any Owner of any Lot in the Subdivision, shall have the right to enforce, by proceedings at law or in equity, these restrictive covenants. Failure of Declarant or the Association to take any action upon any breach or default shall not be deemed a waiver of their right to take action upon any subsequent breach or default. Declarant, for itself, its successors or assigns, reserves the right to enforce these restrictive covenants, though it may have previously sold and conveyed all subdivided Lots in the Subdivision controlled by these covenants. The reservation by Declarant or the Association of this right of enforcement shall not create a duty or obligation of any kind to enforce same, and neither Declarant nor the Association shall be subjected to any claim, demand, or cause of action from any Lot Owner by virtue of not enforcing any restrictions herein contained.
2. The Association shall have the authority to employ self-help to enforce compliance with any provision of the Declaration. Upon the occurrence of a default or other violation of the Declaration, the Association may provide notice to the defaulting Owner of the matter of noncompliance, the action necessary to cure the noncompliance, and a date by which the noncompliance shall be cured. In the event the Owner fails to cure the matter of noncompliance within the required time, the Association may take action to cure the matter of noncompliance.
3. Notice of default or other violation of the Declaration and of the Association's intent to act pursuant to this provision shall be in the form and in the manner as required by Article XXXII.
4. In the event of continuing noncompliance, a second notice, at least ten (10) days subsequent to the date of the mailing of the first notice, shall be sent to the noncomplying Owner. Not sooner than thirty-five (35) days after date of the mailing of the original notice, the Association may

send notice to the noncomplying Owner of the Association's intent to act to cure the noncomplying condition. Such notice shall be sent by United States Certified Mail return receipt requested, and shall otherwise conform to Article XXXII of the Declaration. In the event the noncomplying condition continues from and after ten (10) days from the date of the mailing of the Association's intent to act to remedy the noncomplying condition, the Association may commence actions to remedy the noncomplying condition at the sole expense of the noncomplying Owner. The Association may avail itself of all methods for recovery of funds expended as provided under the Declaration.

ARTICLE XXVII. PARTIAL INVALIDITY

The invalidation of any one of these covenants by judgment or court order shall in no way affect any of the other provisions, which shall remain in full force and effect.

ARTICLE XXVIII. AMENDMENT

1. After Turnover of the Association has occurred, the Owners (but expressly excluding their respective mortgagees, if any) may amend the Declaration by a vote of sixty-seven percent (67%) of the total votes allocated to Owners in the Association (except for the terms and conditions of any loan or assessments due to Declarant by the Association) by filing an instrument containing such amendment, along with proof of the sixty-seven percent (67%) consent, in the office of the County Clerk of Gillespie County, Texas.
2. Notwithstanding anything to the contrary, Declarant shall have the right at any time, at its sole discretion and without any joinder or consent of any other party, to amend this Declaration for the purposes of correcting any error, ambiguity or inconsistency appearing herein or for any reason whatsoever deemed necessary for the benefit of the overall development as determined by Declarant, in its sole discretion. Said amendment shall be effective upon filing the said amended restrictions with the County Clerk of Gillespie County, Texas.

ARTICLE XXIX. SUBDIVISION OF LOTS

There shall be no further subdivision of Lots. Notwithstanding the forgoing, platted Lots in the Subdivision may be re-subdivided by the Declarant without approval by the Association's Board of Directors.

ARTICLE XXX. WAIVER AND LACHES

The obligation to abide by the provisions contained in this Declaration shall be deemed to be of a continuing and continual basis. Each and every day an Owner allows a condition to exist on his or her Lot which is not in compliance with the requirements contained herein shall constitute a separate and individual violation hereof, and shall give rise to a new cause of action for such breach. The intended effect and express purpose of this provision shall be that every Owner, by accepting title to a Lot, hereby waives the affirmative defenses of the statute of limitations, waiver and laches with respect to covenant violations. Noncompliant conditions shall be allowed to exist on a Lot only upon the Owner obtaining a written variance in accordance with the applicable provisions herein. Failure of Declarant, the Association, the Committee, or of any Owner to enforce the terms of this Declaration shall in no event be deemed a waiver of the right to do so thereafter.

ARTICLE XXXI. ASSESSMENTS BY AWARD OR JUDICIAL DECREE

In the event arbitration or litigation is necessary to enforce any provision contained within this Declaration, any and all awards granted by the arbitrator, or damages, penalties, fees, costs, and/or any other charges awarded in the decree shall also constitute an assessment, which shall likewise run with the land. Failure to pay assessments imposed under this Article shall constitute an event which may give rise to the remedies provided in these Covenants.

ARTICLE XXXII. NOTICE BY ASSOCIATION

Whenever written notice to a member (or members) of the Association is permitted or required hereunder, such shall be given by the mailing of such to the member at the address of such member appearing on the records of the Association, unless such member has given written notice to the Association of a different address, in which event such notice shall be sent to the member at the address so designated. In such event, such notice shall conclusively be deemed to have been given by the Association by placing same in the United States Mail, properly addressed, whether received by the addressee or not

ARTICLE XXXIII. MISCELLANEOUS

1. Hunting and Firearms. No hunting shall be permitted on any Lot of the Subdivision. No firearms shall be discharged on the Property other than for the purpose of the protection of the health, safety or welfare of an individual or in the protection of the health, safety or welfare of an individual Property or in implementing a wildlife management plan. At times of discharge of firearms, due regard shall be given to the personal safety of the Owners of neighboring Lots and shall be done in such a manner as not to pose a hazard or a nuisance to other Owners.
2. Waiver and Estoppel. All streets and roadways of this Subdivision shall be privately maintained by the Association. Gillespie County, Texas shall not be responsible for the maintenance and repair of the streets and roadways. By acceptance of a deed to a Lot within the Subdivision, each purchaser covenants and agrees to waive any right the purchaser may have to demand or compel the maintenance or repair of the streets and roadways of the Subdivision by Gillespie County, Texas and is estopped from doing so. All contracts for sale of Lots within the Subdivision shall provide notice of the waiver of public maintenance.
3. Antennas, Satellite Dish and Other Towers. No television antenna, satellite dish, radio tower, or other type or mode of transmission tower shall be erected, installed, or maintained without the prior approval of the Architectural Control Committee. No satellite dish shall exceed one meter in diameter.
4. Underground Utility Service. All utility service provided upon a Lot within the Subdivision, including but not limited to electrical, gas, telephonic and cable TV, shall be installed and maintained underground.
5. Water Wells. Each Owner of a Lot within this Subdivision may drill, operate or maintain a single private water well on a Lot for domestic and household purposes only. Storage tanks erected must be approved by the Architectural Control Committee.

6. Fireworks. The use and discharge of fireworks including, but not limited to, firecrackers, bottle rockets, roman candles, sparklers and similar items shall be prohibited within The Views Subdivision. The Board of Directors of The Views Homeowners' Association, Inc. may designate a specific area for the discharge of fireworks for a limited duration at such special occasions as the Board of Directors may deem appropriate.
7. Livestock Leases. Each owner of a Lot in the Subdivision hereby designates the President of the Association as each Lot owner's agent to enter into a lease or leases for the grazing of livestock upon the Property owned by the Lot owner. All lease income received shall be delivered to the Association to be used for its operations.
8. Agricultural Use. Until such time as Owner completes the construction of a fence designed to restrain livestock, Owner agrees that Declarant, Declarant's agents, lessees, or assigns, including the Association, may graze livestock upon the Tract of Owner that is unfenced without compensation or lease payment to Owner. Each Owner and their respective heirs, successors and assigns, by acceptance of title to an interest in a Tract, hereby agree to indemnify and hold harmless Declarant and the Association (and their respective tenants or assignees), from and against, and hereby waive and release any claims or causes of action such Owner may have with respect to, any injuries to any persons or any damages to any Property that may be caused by livestock on an Owner's Tract, or that may otherwise arise out of, or be suffered or incurred in connection with the exercise by Declarant or the Association (or their tenants or assignees) of the right to graze livestock on an Owner's Tract, and/or the presence of livestock on an Owner's Tract. Upon completion of the construction of the required fence, all privileges to continue the grazing of livestock by Declarant, Declarant's agents, lessees, or assigns, including the Association, as to the portion of a Tract enclosed by a fence, shall terminate and immediately cease.
9. Fences. Plans and sketches detailing material composition and location of any proposed fence shall be submitted to, and subject to the approval of the Architectural Control Committee. All permitted perimeter fences shall be of "no-climb" wire with, 5" cedar posts on 20' centers, 2' cedar stays spaced between the cedar posts and one (1) strand of barb wire on top and bottom of fence. The front perimeter fence will have a 50' setback and will require written approval by the Architectural Control Committee.
10. Removal of Trees. No tree with a diameter of six (6) inches or greater measured one (1) foot from ground level shall be removed or destroyed without the prior written approval of the Architectural Control Committee. A protected tree located within the footprint of the building site, driveway, swimming pool, septic tank, drainfield, or other Improvement upon the Lot, or within three (3) feet of the footprint of the building site, driveway, swimming pool, septic tank, drainfield, or other Improvement situated on the Lot, may be removed by the Owner without obtaining the prior written approval of the Architectural Control Committee.
11. Completion of Construction of Roads, Common Areas and Utilities. Declarant, as developer, covenants and agrees to diligently prosecute the construction of the streets and common areas shown on the plat of the Subdivision and to complete construction of the same as soon as is practical. Declarant, as developer, further covenants and agrees to provide utility service to each Lot ready for connection and utilization by the owner of such Lot as soon as practical after sale of a Lot to an Owner.

12. 1-D-1 Agricultural Use Appraisal. Declarant reserves the right to qualify all Lots for 1-D-1 (Open-Space) Agricultural Use Appraisal and to perform such tasks upon any Lot to maintain the 1-D-1 (Open-Space) Agricultural Use Appraisal. Declarant upon turnover may assign this right to the Association.
13. One (1) guest house located on a Lot may be used for short-term rentals, including but not limited to a bed and breakfast, AirB&B, Vacation Rental By Owner, etc. Short-term rental shall be defined as an improvement being rented by the public for consideration, and used for dwelling, lodging, or sleeping purposes for any period less than thirty (30) days. The primary single-family dwelling on a Lot may not be used as a short-term rental, but it may be utilized as a long-term rental. Long-term rental shall be defined as an improvement being rented and used for dwelling for a period of one (1) year or greater.
