Deepwater lots on a peninsula at the very end of Confederate Point Drive. This property has privacy, amazing views and even has a tidal creek along the side of the property. There is a wonderful mix of trees on the property including magnolias, pines and sprawling live oaks draped in Spanish moss. It includes an overlook platform built for tanning and gazing out at the beautiful marsh views. The property consists of two lots totaling 2.07 acres, according to the tax records. Lots 32 and 33 are both being sold together, but the owner is willing to look at offers to sell the lots individually. No HOA or restrictions.
